Nor are the reasons for Chevrolet's popularity hard to find, for here is a car whose fine qualities are comparable only with cars much higher in price. Powerful, long-life mechanism; handsome and comfortable Fisher-Built bodies; "complete equipment, these are partial reasons-but in addition to these is Chevrolet's remarkably low price (a price made possible by large quantity production)-and the fact that Chevrolet gives quality transportation at a lower cost per mile than any other car.

In short, Chevrolet gives the greatest motor car value per dollar expended.

These are the reasons, wherever you go, Chevrolet is popular.
