At Work on Highway

The contractors are at work on the section of the Toronto Samin Highway from Acton to the 7th line. Widening and grading are now in progress. This section of the road has the advantage of a good stone rondbed in the centre | and traffic will not be much interfered with while the work of building out to highway dimensions is going on.

Spends Evenings at Home Now Flivver Sam says that to ha been married about a year, and had taken to spending his even ings downtown with the boys One night his conscience worrie him. So he-called his young wife "Itello kid," he began,

slip on some old clothes and run down to meet me on the quiet. We'll have a good dinner, and then we'll get a machine and smear a tittle red paint around. How about it?"
