Women's Missionary Here and There

Navigation of the St. Lawrence iver is expected to open early in the month of April. According to preliminary schedules issued by the various steamship companies operating between Canadian Atlantic ports and Europe, 192 ships will visit the port of Quebec in 1924.

> The Canadian Pacific Railway has inaugurated as a special feature the serving of afternoon toe regularly on all dining, cafe and buffet cars throughout the system. The tasteful little menu which the company provides includes tea, coffee, checolate, toast, multins, cake, ice cream and hitearres at reasonable prices.

The Spiller - Company, a great British concern with \$150,000,000 capital, has completed arrangements for the establishment of facilities in Canada which will entail an outlay of \$5,000,000 to finish the plant of the Alberta Flour Mills in Calgary, with another \$2,000,000 to build an elevater at Vancouver. The second of the two large paper

machines recently installed by the

Belgo-Canadian Paper Company at Shawinigan Falls, Que, has com-menced operations. The machine, which is the product of the Domin-ion Engineering Company, is new producing newsprint. It will be tuned up and is expected to produce a commercial grade of newsprint at or above its daily expecity of % tons in the near future. Speaking at Toronto recently, E. W. Beatty, President of the Cana-

dian Pacific Railway, declared that what Canada is suffering from is nadians in their own country."
