Why don't we do our best To do what we are doing? And make an earnost quest To find what we are wooing To make the highest flights And reach what we are reaching To make our best exploits

Accomplishing desire To make our contribution Our being once on fire Will work a revolution. And with the proper aim Will make the finest ending We conquer and we claim

The laurel that's descending. Ideals must be high Yet we can make them higher We cannot grasp the sky But we can be a flier.

In this same world of fact With every wind that's blowing We'll set our sails' and tack To reach where we are going. If we have used each blessing We'll get the highest gain,

And nothing will be missing. So let us do our best Still striving to do better Fit for the highest test And nothing else will matter.

Pigeons Trapped in Chimneys Early Sunday morning Mayor Harris of Burlington, hearing fluttering poise in the chimney of his residence Locust Street, mediately made an investigation and upon taking the stovepipe out of the hole found a pigeon. pigeon soon recovered from its imprisonment and upon being released flew away. About two weeks ago today Governor McGibbon of the county jail, Milton, had a similar experience with a carrier pigeon which had been in the chimney

of his residence for two weeks. Honey Bees Are Not Working Owners of apiaries in. Halton are complaining about the recent wet and cold weather, which is greatly interfering with the honey business. The bees will not work in such weather. Some of apiaries state that if the throughout the Dominion similarly hindered the honey crop will be a failure and owners As we have to move be forced to buy sugar to keep the bees alive during the coming

financial less to the beekeeper. Our attention has been forcibly size Anthracite Coal drawn in recent weeks to an unnecessary annoyance, the excessive of first quality at spec- poise made by motor cycles on our price of \$13.50 per main thoroughfare, especially the use of the cut-out. We believe the practice is both unnecessary and unlawful. In any case it is annoying to everybody and gives a positive setback to those who are suffering from weakness and nerve essary to refer to the matter to ille Sun editor has an exaggerat ed idea of the press if he thinks this admonition will stop curse of noisy motor oyeles.

kind we have in Georgetown.
