Fire in Streetsville

Wednesday, August 13th.

Fire of "unknown origin last week completely destroyed two buildings of the Dominion Wholes Bile Sash and Manufacturing Co. here, entail og a loss estimated at b tween \$15,000 and \$20,000. The structures burned with their contents were a galvanized iron beathed building and another of traine. Much valuable lumber and bee-yard equipment the latter owned by William Couse and piled close to suc of the destroyed buildings, were saved through the good work of the local volunteer firemen. Unable to use hose because of the lack of a nearby hydrant. the volunteers employed buckets of water freely. The company, o which H. A. Hope of Streetsville, about five months ago from the at the Canadian National Exhibi bich started business here alout 12 and under, boys under

Here and There

Among the speakers to address the great convention of the Associated Advertising Clubs of the World at London, England, to be held July 14-17, will be E. W. Beatty, K.C., Chairman and President of the Canadian Pacific Railway, Mr. Beatty will speak on July 17, and has chosen as his theme "Building an Empire with Advertising."

Canada's national wealth in 1921 was \$22,195,000,000, according to a report just issued by the Dominion Bureau of Statistics. In the tabulation, agricultural wealth comes first with \$7,982,871,126, nearly 36 per cent of the total and about \$908 per head of population. The Western provinces lead. the Yukon topping the list with \$4,058. The first in absolute wealth was Ontario, to which is

President S. Kirk of Georgetown

The sugge too that an inquiry bureau be eastershed through the Secretary's office to deal with the Conneil re unveiling of War problems of culture, tariff, cutomo logical regutations and business principles, was made by S. Kirk o Georgetown, Ont., in his President ial address at the duening of the twenty seventh annual convention of the Canadian Florists and Gar deners' Association at Ottawa on

Tuesday. He also urged that an effort be made to curtai! the dumping or the Canadian market of large quan tities of Dutch bulbs during the short senson, which caused pricecutting and cheapening of spring flowers. In a young country like Canada, he said, it was important to remember the florists and gardeners were doing more than mere ly trading; they were milling the Minutes of previous meetings country beautiful. The time had passed when people looked upor lopers as a luxury and the demand for the florists' products'

was increasing every day. The 200 delegates were welcomed to Ottawa by Mayor Champagne

Reports concerning the apple

The railways of Canada up to the end of last April carned \$6,000,the fact that the people have been doing more business. All authorities are agreed that such a condition means growing trade.

Nearly 68,000 bushels of high class seed were handled at the Alberta government seed-cleaning plant during the past season. A total of 22,828 bushels of Marquis wheat seed was handled. 3,160 bushels of ruby wheat, 28,078 bushels of Victory cots, 17,862 bushels of Banner cots, and 684 bushels of Bark's Bartey

Three prizes for anglers at the bungalow camps on French River, Nipigon River, and the Lake of the Woods, have been offered to Canadian fishermen by the Canadian September 28-24 Pacific Railway. The trophies are silver replicas of the base and the trout, and a wonderful reproduction of the head of a fighting muscalonge.

40 YEARS AGO

A picture of the delegates from the British Association for the Advancement Science was taken in 1894 on board the Allan Liner Parisian. This unique photograph is published through the courtesy of Sir George Green Hill who forwarded t through the Cunard Steam Ship Company. Sir George arrived at Quebec on Friday, August 1st, on the Cunard Steamer Caroma with Sir Ernest Rutherford, mr. President of the Association and most of the remaining delegates. He is seen at the top of the picture with arms folded on the rail. He is the oldest living member of the British Association today.

Here and There

production for the first quarter of the present year, as shown by a report of the Department of Mines, has increased \$2,333,000 over the corresponding quarter of last year, the total being \$11,575,151 and \$9,241,863 respectively. Silver was the only metal_of importance to record decreased production during the period under review.

Among the passengers sailing or the Canadian Pacific liner "Montlaurier" for England on July 8th, was E. W. Beatty, Chairman and President of the Canadian Pacific Railway, While in England, Mr Beatty is scheduled to address the Associated Advertising Clubs the World on July 17th on the subject of "Building an Empire with Advertising."

Excellent reports as to the hunting in the Caribou district of Brit-F. W. Pridham and Fred. Shaver recently, returned from a month's sport in that district with an excelent specimen of grizzly bear weighing about 1,400 pounds. They saw moose; caribou, deer, black bear, pheasants and grouse, and consider the district a hunter's paradise.

Addressing the annual meeting of the Bond Dealers' Association of Canada at Toronto recently, the President declared that during the 12 months ending May 1st, \$507,-917,000 worth of Canadian bonds had been distributed, this being by far the largest total issued in the Dominion in any post-war year. The most striking feature in this connection is that about 89 per cent.

On June 18th Winnipeg, Man., celebrated the fiftieth anniversary of its incorporation. From a struggling frontier village of the 70s, Winnipeg-has forged into the posttion of third largest city in the Dominion, with continental repute as a railroad centre. It is the Gateway of the West and 100,000,000 bushels of prairie grain pass through it to the head of the lakes, whence it goes to the markets of the world.

Twenty-five officers and 200 mer of the Royal Navy, from the special service squadron headed by H.M.S. Hood, enjoyed a trip through the Rockies over the Canadian Pacific lines while their ships were anchored at Vancouver recently. The sailors, who made a point, in true naval style, of seeing and doing everything, were enthusiastic over the scenery at such show-places as Banff and Lake Louise, which they declared the most beautiful they had seen in all their world cruise.

To add encouragement to the raising of high-class swine, which is being fostered by the governments of Manitoba, Saskatchewan and Alberta, the Canadian Pacific Railway is awarding a championship cup to the Boys' and Girls' Swine Clubs winning the club competitions in these provinces. The cups are for annual competition, but will become the property of the club if won for three years in succession. Medals will be awarded individual members. This year winning teams resident on the Comoany's lines will also be granted a ree trip to the Royal stock show
