

THE CHARGE OF THE BOBBED BRIGADE

Bobbed hair to the right of us, Bobbed hair to the left of us, Bobbed hair behind us, Tresses asundered, Some with a heavy crop, Some with a lighter mop, Into the barber shop, Walked, the bobbed hundred.

AN ODE TO A PIG

As near as I remember, 'Twas away in last November, I was walking down the street in maddening pride; With my heart all in a flutter, I had laid down in a gutter, And a pig came up and lay down by my side.

County Council Last Friday the Warden ordered the calling of a meeting of the county council, to be held on Thursday evening, August 28th, to consider the proposed building of a twenty-foot span concrete bridge with a twenty-foot roadway and a four-foot sidewalk, at Eden Mills, on the town line between Nassau, Gawaia and Ramosa.

Hon. George S. Henry is considering the advisability of having the motor vehicles branch of the government become the sole agency for issuing motor licenses. The Ontario Motor League, however, has filed objections to such a policy and the minister is considering these objections as well as the objections of motor car manufacturers before making the contemplated change.

Smaller Peach Crop Peaches in the Niagara district will be less than half a crop this year, according to the latest estimate made by the Niagara Peninsula Growers' Co-operative at Grimsby. "Some time ago," said Manager C. W. Baxter, "we hoped for a 50 per cent crop, but now we consider from 25 to 40 per cent, a more accurate figure. Last year's crop was a fairly heavy one, and at blossom time this spring we had cold, windy weather that kept the bees away from the blossoms. The St. John's early Crawford and late Crawford will be almost a failure this year."

BIRD'S ROOFS

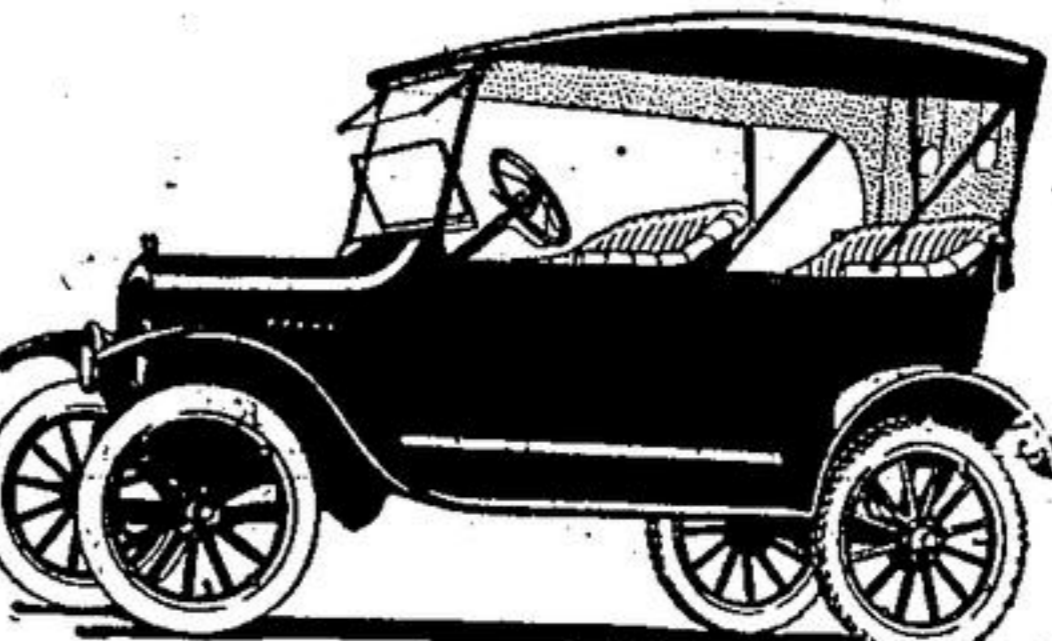

Paroid Roofing has earned its enviable reputation during a quarter century of use because—

- 1. It pays big dividends in wear and satisfaction for years and years!
2. It is distinctive—comes in three colors, slate red, slate green and bright gray.
3. It is extra heavy and pliable—will not crack in cold weather.
4. It is waterproof and sparkproof—gives complete protection.

Paroid Roofing is made by Bird & Son, Limited (Est. 1795), manufacturers of Neponset and Canadian Twin Shingles, Bird's Art Craft Roll Roofing, Neponset Black Building Paper and Combination Wall Board. There's a Bird product for every sort of building.
