**To Our Subscribers**

Some few months ago we mailed a number of accounts to those who are in arrears, with their subscription to the "Herald". Quite a number have responded and we thank them. There are still a number in arrears and before we go to the expense of sending out another bunch of accounts we would ask all subscribers to kindly look at the label on their "Herald". If there is something done on please let us have it at once in order that we may get our list cleaned up and pay other people what we owe them. If there is any error in the date on your label kindly advise us and we shall be glad to correct same. Your prompt response to the above request will be appreciated.—J. M. Moore.

**Obituary**

**Mrs. THOS. J. EASON**  
After a short illness Emma Davis, beloved wife of Mr. J. Eason of Georgetown passed away at Guelph General Hospital at 11:30 a.m. on September 26, in her fifty-first year. Deceased was of a retiring disposition, kind to all who knew her, a good neighbor and true friend. She leaves to mourn the loss of a beloved wife and mother, her husband and five children, four sons and one daughter, Moses, Thomas, Stephen, Reuben, Robert and Miss Lillian all at home. The funeral took place on Sunday afternoon from the house on John St. The service was conducted by Rev. Mr. McKay of Knox Presbyterian Church. Among the floral tributes were those from I.O.O.F., Georgetown Band, Georgetown Coasting Mill Employees and Dayton & Co., different Sunday School classes, Oaktonites and numerous other friends. The interment took place at Greenwood Cemetery.

**MARGARET ELIZABETH MARTIN**  
After several weeks illness Margaret E. Martin, beloved wife of Donald McDonald, Lamechbone, passed away on Sept. 1st. Deceased was a daughter of the late James Martin and was born in Lamechbone 33 years ago. Besides her husband she leaves a family of five children. Deceased was a member of the Presbyterian Church, Lamechbone, and the funeral was conducted by Rev. Mr. Stewart of Acton. The pall-bearers were: Stewart Martin, Wm. McArthur, James McDonald, H. Dobbie, C. Dobbie and A. Osborne. Interment took place in Milton Cemetery.

**Terra Cotta**

With the passing of July and August the congregation in the Terra Cotta church are starting to grow again. We would like to see our choir functioning.

Most of our men have succeeded in finding jobs of one kind or another. To be busy is to be happy.

Harvest Home Concert Special in Terra Cotta Methodist Church, Wednesday evening, September 24th. Mr. H. W. Perry assisted by local talent will put on the program. Mr. Perry is one of Canada's finest pianists. He will render a humorous program filled with laughable imitations, also impressive harp solos from life.

Admission 25c and 15c. Harvest Home services will follow September 28th.

**Limchouse**

Sunday School opened on Sunday after a month's holidays. Mr. and Mrs. McLean, returned missionaries from China, gave a very interesting address on their work among the people there. Their work seems more interesting because Mr. McLean's old home is near here.

Mr. Will Marshall, Ralph, Misses Olive and Minnie, were home for the week end.

Mr. D. M. Gowdy was home for several days last week.

**Church News**

**St. GEORGE'S CHURCH**  
A large number of jars of canned fruit jam and eggs were presented at the annual service last Sunday morning. These, together with the offerings from St. Alban's church, were afterward sent to St. John's Hospital, Toronto. The Harvest Festival will be held on Sunday, September 21st.

**Card of Thanks**

We have to convey our sincere thanks to friends and neighbors for their many kind words and sympathy extended to me, also floral tributes, on the occasion of the late interment by the loss of a beloved husband and father—Mrs. Louis Kennedy—A. Childers.

**Halton Rifles in Camp**

**Georgetown Park The Scene Of Military Manoeuvres During Week**

Our town park is quite a lively place these days. The sound of the bugle, the rattle of machine gun and musketry, and the marching of armed men remind us of other days, some ten years back, when some of the very same men who are with us to day trained here in preparation for the Great War. They went and fought, were spared to return, and we welcome them back to the old camp ground. All honor and glory to many of their comrades who were less fortunate and sleep to day near the poppies in Flanders fields.

Owing to having no military camp at Niagara-on-the-Lake this year the officers of the Halton Rifles are holding camp at the Georgetown Park. Camp was opened on Saturday, with recruits coming in from all over the county. Bandmaster Dewar of Milton with his splendid battalion band, met the recruits at the station and escorted them to the Park, where everything was in readiness for their reception to a well arranged and in every way up-to-date military camp.

The entire company of 85 men have been in training since, not withstanding a couple of days of wet weather, and we understand splendid progress has been made. The training consists largely of Lewis gun practice and musketry. Major F. W. Utton of Toronto, with three N.C.O.'s is handling the Lewis gun work and rifle shooting at the ranges.

Lieut. Col. J. E. Mahon is in command, with the following staff: Lieut. Col. G. O. Brown, Major H. M. Kennedy, Major J. H. Pedley, M.C. Major H. L. Lazier, Major J. H. Chambers, Capt. J. G. Kennedy, Capt. B. Penneck, Capt. Dr. J. L. King, Capt. Neil Cummings, Capt. M. Collier, adjutant; Lieut. H. Karle, Lieut. G. A. Gould, Lieut. Nesle.

Church parade was held on Sunday at 9 a.m. when Rev. Mr. Mayes of St. George's Church preached to the men.

On Monday evening the Battalion Band rendered a splendid program on the corner of Main and Mill streets, at the conclusion of which they marched to the Soldiers' Memorial and played "O Canada," "Abide With Me," and the National Anthem.

On Tuesday evening a concert, corn roast and dance, to which everybody was invited, was given by the officers in the armories. There was a good attendance of citizens, considering the unfavorable weather, and all present sure had a good time. Lieut. Col. Mahon was chairman of the evening and announced the program and program of selection by Mrs. Clement, Milton; vocal solos by Mrs. Partridge, Toronto, and Mrs. King, Milton; comic songs by Sgt. W. F. Dewar, Milton; speech by Major Grant. At the conclusion of the program, roast corn, winners, rolls and coffee were served. Then followed the dance in which many took part and brought to a close a successful program and most pleasant occasion.

Excellent meals have been provided for the officers in their mess tent and for the men in the armory. The menu was varied somewhat on Tuesday when some of the ladies in town contributed pies for the evening meal of both officers and men, and they received the hearty thanks of all for their most generous donation.

Training will be concluded this evening and the boys will break up camp to-morrow.

**High School Notes**

The High School opened on the second with one hundred and sixty-one pupils, an increase of twenty over last year. The increase in the number of boys is especially noticeable; the number of boys is now about equal to that of the girls.

The work of fitting up the new laboratory is going rapidly on and will soon be completed. Some inconvenience will be experienced in the meantime.

A satisfactory feature of the reopening is that no change has occurred in the staff.

The baseball club has been re-organized.—Manager, Donald Russell; captain, Clarence Benjamin; treasurer, Sam Mackenzie; secretary, Lloyd Barth.

**Bowling News**

Two rinks of lady bowlers skipped by Mrs. Clipperton and Mrs. Coose came from Stratfordville last Tuesday afternoon for a friendly game with the local bowlers. The Georgetown rinks which were skipped by Mrs. Dale and Mrs. Heath, both won their game from the visitors. After the game tea was served.

On Tuesday and Friday of last week the Georgetown ladies held a tournament for their own members. Three games of 12 ends each were played, the players changing partners at end of each game. The first prize was won by Miss M. Cleave, winner of 8 games with a plus of 30. Mrs. Heath who won 2 games with plus of 20 won second prize and Miss M. Lennox won the hidden prize. Mrs. Dale, who donated the prizes, presented them to the winners at the end of the tournament.

**Card of Thanks**

Mr. T. Eason and family acknowledge with sincere thanks the kind expressions of sympathy from their many friends in the loss of a beloved wife and mother.

**Presbyterian Synod Holds Final Meeting**

On September 23, 24 and 25 the Presbyterian Brood of Toronto and Kingston will hold its annual meeting in Knox College.

At the evening meeting on September 24, special addresses were given by veterans of the Church in view of this being the jubilee year of the Presbyterian Church in Canada.

This will be the last meeting of the Synod, as at present constituted, which ceases when the United Church of Canada comes into being next June.

**Here and There**

Radio stations are to be established near Montreal and Vancouver as links in the Empire wireless station program as the result of arrangements just completed between the British Government, the Department of Marine and Fisheries of Canada and the affiliated Marconi companies.

The Manitoba Pulp and Paper Company will undertake to shortly establish a plant at St. Boniface, near Winnipeg, Man. The company plans to expend \$3,000,000 of its \$5,000,000 capital on immediate operations, and to build a 200-ton newspaper mill, employing about 700 men.

Canada's trade is growing at a faster rate than ever before, despite the war. She now sells to 100 and buys from 37 countries. Her total foreign trade, in the calendar year 1923, reached \$1,918,244,785, an increase of 16 per cent in one year, and her interchange of commerce increased 70 per cent between 1913-14 and the past year.

John B. Thompson, noted sportsman and writer on the out-of-doors, widely and popularly known by the pen name of "Ozark Ripley," is visiting the Canadian Pacific band-camps in Ontario, giving demonstrations of his skill as a fly and bait caster, as well as free casting lessons to guests and informal talks on fishing and other outdoor subjects.

Creating a new record for the 15 years it has been in business, the Saskatchewan Co-operative Elevator Company will have handled 85,000,000 bushels of grain through its commission department in the 1923-4 season, it is announced. The estimate of grain handled through terminal elevators for the 1923-4 season is 58,000,000 bushels.

The steel superstructure of the new St. Anne de Beaupre Basilica, which is to replace the destroyed edifice at the famous shrine, has not been completed and it is expected that by next July the exterior of the church will be nearly finished. It is not anticipated, however, that the building is ready to be opened until July, 1925. In the meantime, thousands of pilgrims continue to visit the shrine and several miracles have been recently reported.

Figures issued by the Department of Agriculture for the Province of Quebec show that there has been a marked improvement in the condition of farmers of the province over last year, due to good crops, to such an extent that instead of distributing grain seeds to the value of over \$125,000 as was the case last year, only 150,000 worth was necessary to meet this year's requirements. Hon. J. E. Carson, Minister of Agriculture for the province, basing his anticipations on present crop prospects, expects a still further improvement in the near future.

"Never has the opportunity for Canadian business in the Orient been so good as it is today," said Allan Cameron, Oriental Manager of the Canadian Pacific Railway, in Montreal recently. "It is true that the general volume of business in China and Japan is somewhat low normal owing to both local and world conditions but if Canadian manufacturers and producers now fall to make an effort to secure the large share of Oriental trade that would naturally come to them, the opportunity will pass and someone else will get the business."

Following its success at the British Empire Exhibition, the Canadian Pacific Railway is arranging unusually fine displays for all exhibits in Canada. At Toronto, the exhibits will include a Northern Ontario hunting scene, having a painted background sixty by sixty feet, a feature of which will be moose and deer moving through the forest and an attendant guide to give information to enquirers. A full-sized model of the front of a Canadian Pacific engine and other displays illustrative of the company's many activities will also be shown in Toronto. Wonderful electrical models depicting Canadian winter sports, round-the-world cruises, etc. are slated for Quebec, Sherbrooke, London and North Bay.
