Georgetown Fair
Friday and Saturday of This Week—Many Entries

Everything is in readiness for the big fair to be held at Georgetown on Friday and Saturday next. The directorate has arranged a good list of prizes and it is up to the farmers and others to show what this district can produce. There will be a splendid program of music by the 48th Highlanders Band and Georgetown Oddfellows Band, as well as many other outside attractions.
The track is in good shape and a number of good horses are booked to compete in the speeding events. Do your share in making the fair a success by being present and taking part in this big annual event.

Address and Presentation
On Tuesday evening of last week a large number of friends and members of Georgetown Baptist Church met at the home of Mr. and Mrs. Whitmore to bid farewell to Rev. and Mrs. Moore, previous to their departure to another field. The evening was marked with splendid good fellowship and enjoyment, though all regretted the removal of this pastor of four and a half years. After a number of games and sing-song, a solo by Mrs. Moore was much enjoyed. Mr. Wallace Ingram then read an address of appreciation to Mr. and Mrs. Moore and Mr. W. Whitmore on behalf of many friends present and Mr. Moore with a purse of gold. Addresses which followed showed in no uncertain tone the high esteem in which Mr. Moore was held by his many friends. Mr. Moore responded in behalf of himself and wife expressing gratitude to the many who had deemed his ministry a blessing to their lives, also for the splendid gift. A delicious luncheon was then served by the ladies after which a vote of thanks was passed in his usual kind and business during the day, and playing golf part of the afternoon. He was stricken with heart disease, and died before medical attendance could be secured. Mr. Tompkins was a greatly respected citizen. Born at Georgetown, he resided here for thirteen years and built up a large business in the bakery and confectionery line, with a branch at Port Colborne.
The late Mr. Tompkins spent his boyhood days in Georgetown and was a former valued member of the Herald staff. He left Georgetown about 80 years ago and has since resided in Toronto and Welland. Two sisters, the Misses Tompkins, reside in the old home here.
On the occasion of Mr. Moore's farewell sermon Sunday evening, Rev. Mr. Caldwell and the Methodist congregation attended the Baptist church.

of the series dealing with the establishment of the BANK OF MONTREAL at representative points in CANADA and elsewhere

IN PARIS

THE PARIS subsidiary of the Bank of Montreal is situated in a quarter rich in historic interest. From a lofty column in Place Vendome the statue of Napoleon looks out upon an imposing square the construction of which began in 1686 under authority of Louis XIV.—a square which has witnessed many of the city's greatest demonstrations and which now witnesses the social and business life of Paris.

Here, in the heart of the capital of France, the Bank of Montreal in 1919 established a subsidiary office in the Rex Hotel Building. In February, 1922, the business of this office had become so extensive that enlarged quarters were opened near by at No. 6 Place Vendome.
