## AT HOME

The road seems long today but at the end, they were in welcome arms. There, when I've turned the bend, a smile I'll see. And none shall turn away in scornful pride. Only by strangers is man's best denied.

Others have laughed because my pace is slow; But when I reach the gate, They shall find me as though they do not know. That I'm not great, Strangers may jeer, but soon a little chap Shall shout with glee and smugly in my lap.

Slightly my garments new and sadly soiled, But what is dress? She knows it is for her that I have toiled. And her caress Will fall as softly on my cheek to-night. As though I wore soft linen, spotless white.

Ridier you are perhaps in gold and fame, Proud men, who pass; But when the night comes down, you cannot claim, 'Whate'er your class, A truer welcome from your own who wait.

That which mine shall give me at my gate. By Edgar A. Guest

## Milton

Milton Golf and Country Club purpose holding their annual ball on Friday evening Dec. 19th, in the town hall. The well known Stephenson Orchestra, of Toronto has been engaged for the event. Cards downstairs.

The proposed law for the issue of debentures to cover cost of construction of cement roadways on the 2nd and 7th lines, Trafalgar, was not introduced at Tuesday's meeting of the county council. It was required to fix the exact amount proposed in time for the reading of the law but it is understood it will be \$56,000, \$4,000 less than the sum named in last week's issue of the Champion.

The Farmers' clubs of Halton met on Dec. 8rd at their annual meeting for election of officers and general county business. There was a good attendance, nearly all the clubs being represented. The following officers were elected for 1925: U. F. O. director, M. A. Campbell; U.F.W.O. director, Mrs. J. B. Miller; E. Y. P. O. director, Elmer Forster; Secretary, Joe Wilton; Township directors, Nassa-gawaya, Elwood Wilson and Mrs. D. Henderson; Esquimaux, Ward Riddell, and Mrs. H. Wilson; Trafalgar, A. Buck and Mrs. Willmott; Lincoln, Chas. Miller and Miss G. Davidson. It was decided to carry on a series of county club debates during the coming winter.—Champion.

**One Minute's Darkness**  
For the first time in about 600 years, a total eclipse of the sun will take place throughout Ontario. It will occur at seven minutes past nine in the morning of January 24 and will last for 1 minute, during which time there will be complete darkness. The light will very soon begin to return, however, and by 10:22 a.m. the whole eclipse will be over. It will begin at 7:59 a.m. and gradually work up to the minute of total darkness.

**Dr. Mills Buried at Guelph**  
The remains of the late Dr. Jas. Mills, M.A., L.L.D., a former member of the Dominion Railway Commission, and for twenty five years President of the Ontario Agricultural College, who died at Ottawa Thursday, were laid to rest in Guelph Cemetery Saturday afternoon, the funeral being the largest held in that city for many years. The entire resident student body of the college, headed by President J. B. Reynolds, was lined up on the station platform, and throughout the lines the casket was borne by six students, preceded by a group of honorary pallbearers.

**Horse Jumped to Death**  
A valuable show horse worth \$250 and a general purpose horse, the former the property of M. Wilkenson, Inglewood, and the latter the property of L. Ford, Caledon, were instantly killed one evening last week when they jumped from a 100 ft bridge on the C. P. R. at the forks of the Credit. The animals had been let out to pasture on the Mitchell farm on the first line street, jumped the fence and ran along the track to the bridge, followed by a freight train. They ran a considerable distance and when at the centre of the bridge were seen to turn and upon seeing the glare of the headlights of the engine, jumped to their death.

Mr. James Matthews, Postmaster, sustained a stroke while in the post office on Friday and is now lying critically ill.

Mr. and Mrs. G. C. Campbell of Georgetown, Mr. and Mrs. Victor Campbell, Toronto, visited at Crescentsville on Sunday.

Mr. H. P. Moore gave a brief review of the visit of Mrs. Moore and himself overseas last summer at the meeting of the Young People's League on Monday evening.

Mr. Earl H. Vincent, linotype operator on The Press staff leaves on Saturday to take a good position on the Chatham Daily News. He has been a faithful and trustworthy employee of this office since his boyhood days—Free Press.

**Fire Memorial Organ**  
At Brampton on Tuesday evening of last week a very large audience attended the opening of the memorial organ, one of the finest installed in Grace Methodist Church by Mr. and Mrs. T. W. Duggan, in memory of the boys of that church who enlisted, served and fell in the Great War, their two sons being among the number who enlisted, and among the fortunate ones who returned, Captain Broddy Duggan and First-Lieut. Charles Duggan. The opening service was conducted with W. H. Bewitt of Hamilton presiding at the organ. The organ is said to have cost \$14,000.

## County Council

Milton, Dec. 2nd, 1924.  
The council met at 10:30 a.m. in accordance with call of the Wardens.

Members all present, the Warden on the chair.  
The minutes of the last meeting were read and confirmed.

Communications were read as follows: from Superintendent of C.P.R., London, re crossing on lot 25, con. 1, Trafalgar, Department of Highways, re By-law No. 628, and the Deputy Minister of Education, re payment for education of Halton pupils attending the Hamilton Collegiate Institute.

Mr. Blain presented the tenth report of the standing committee on county buildings, Mr. Irving the seventh on education, Mr. Gibert the ninth on printing, Mr. Agnew the second on railways and legislation, and Mr. Morden report of special committee re House of Refuge.

Mr. Hillmer moved, seconded by Mr. Chamberlain, that the council go into committee of the whole to consider reports of committees.—Carried.

Mr. Johnston moved, seconded by Mr. McElyre, that the reports of the several committees, considered and amended in committee of the whole, be and are hereby adopted.—Carried.

Mr. Hillmer moved, seconded by Mr. Morden, that the report of the finance committee, just presented, be adopted.—Carried.

Mr. Foster moved, seconded by Mr. Irving, that owing to the great mileage of improved roads and highways in this province and the great amount of money spent in the construction of these roads by the people of Ontario, and the very large cost of maintenance each year, caused mainly by the use of heavy motor trucks, loaded with heavy loads, said loads for the most part consisting of commodities that should be carried by our publicly owned railways, therefore this Halton county council would make protest and say that the present legislation, also the proposed to come into effect Jan. 1st, 1926, is inadequate, for the present condition of the law but it is understood it will be \$56,000, \$4,000 less than the sum named in last week's issue of the Champion.

The Farmers' clubs of Halton met on Dec. 8rd at their annual meeting for election of officers and general county business. There was a good attendance, nearly all the clubs being represented. The following officers were elected for 1925: U. F. O. director, M. A. Campbell; U.F.W.O. director, Mrs. J. B. Miller; E. Y. P. O. director, Elmer Forster; Secretary, Joe Wilton; Township directors, Nassa-gawaya, Elwood Wilson and Mrs. D. Henderson; Esquimaux, Ward Riddell, and Mrs. H. Wilson; Trafalgar, A. Buck and Mrs. Willmott; Lincoln, Chas. Miller and Miss G. Davidson. It was decided to carry on a series of county club debates during the coming winter.—Champion.

Mr. Hampshire moved, seconded by Mr. Irving, that this council do now adjourn to meet on Wednesday, the 17th day of Dec., 1924, at 10:30 a.m.—Carried.

The council adjourned.

## Notes and Comments

There is a growing feeling throughout the country that with the disappearance of many banks, which are being swallowed up by the large financial institutions, that we are fast getting into the hands of a money monopoly. If there is to be a monopoly it should rather be a national bank than a private affair where only private individuals will reap the immense profits to be gained from it.

Of a MOTHER, a simple but charming woman who died and left several small children, a friend wrote this touching tribute: "I never knew a braver woman. To face life's little things joylessly, to finish the day's job in spite of weariness, to answer letters with a just and to fight back pain for the sake of husband and children is the highest form of courage. In certain moods common, everyday work seems rather useless, but after all it is the pushing and pulling of simple men and women that make civilization.

ANY MAN in any business that depends upon public approval and patronage for its success has a perfectly reasonable method open to him to keep himself and his business before the buying and patronizing public. Advertising is a medium that offers the quickest route to success, and failure to use it consigns the whole proposition to an early failure. If the public is misinformed or uninformed about a great deal that is offered for sale, the reason largely may be discovered in the lack of proper and sustained advertising. Success is not some mysterious element that chances drop in here or there to enrich this or that person. It is a problem that has been solved, and you will find in nine cases out of ten advertising has been the stepping stone.

SEASONS OF JOY and happiness such as Christmas and New Years, packed full of memories and associations, almost too sacred for expression, are too often occasions of distress and bitterness for many. It is then that the grim contrasts between the luxuries of the well-to-do and the privations of the very poor are most apparent. Of course, we know well that manufacturers of great wealth are not numerous among the readers of this journal. Nevertheless kindly thought for those—especially the children—not so highly favored as we are is especially opportune just now. There is no enterprise that yields more genuine satisfaction than a pleasant little surprise planned for some neighbor who, but for your goodness, would spend a sad, cheerless Christmas!

OFFICERS IN CHARGE of the provincial highways have received instructions from the Highways Department that they are to strictly enforce the law regarding cattle or other animals allowed to wander on the highways. Formerly the fine for this offence was \$8 per head, but in the future the fine will be \$5 per head and costs. Be sides being a nuisance to traffic, animals running at large are a real danger, and it is with this danger in the background that the department has decided to enforce this regulation more strictly. Farmers throughout the province, too, have lost quite a lot of money through having animals killed, and the enforcement of the law will save them more financially than they could gain by having their stock picking up a precarious livelihood along the roadside.
