Norval

The December meeting of Norval Women's Institute was held at the home of Mrs. (Dr.) Kyle on Thursday last. A very comprehensive report of the recent convention at Toronto was given by Mrs. Robert Watson, followed by discussion on various programs for the year. Plans were made for providing some Christmas cheer for the Armenian boys. Refreshments were served at the close of the meeting.

Mr. and Mrs. Frank Simpson and family of Toronto spent Sunday with Mr. and Mrs. W. J. Campbell.

Mrs. Wesley May is convalescing after some weeks of serious illness.

Mr. J. McKinney is home from the hospital in Toronto and is improving rapidly.

The musical evening at the Young People's was reported to be one of the best yet.

Mr. Blayman, returned missionary from West China, gave a very instructive address on Thibet in the Methodist church last Tuesday evening. The Methodist Chinese Conference has organized a missionary society and are carrying on work in that most difficult field.

Christmas entertainments are all the go now. The Methodists come first with a splendid program of choruses, drills, dialogues, pantomimes, solos and recitations, etc. Date Tuesday evening, Dec. 16.

The young people met this week in the Anglican church. Illustrated lecture on Missions in Japan by Rev. Mr. Boile, returned missionary.

Norval Young People's Union will hold their next meeting in the basement of the Presbyterian church. There will be a debate, "Resolved that Companionship has a greater bearing upon the moulding of the character than Reading." This promises to be more than an ordinary debate so be there.

Terra Cotta

Don't forget December the 14th, when the 10th line school, Terra Cotta, will hold their Christmas concert. Program will be given by the pupils and young people of that community who are putting on a play entitled "The Yankee Stratagem". Mr. Greenwood and the boys' chorus from Norval will also help with the program. Ms. Caroline Laidlaw, Teacher.

Give her the gift she wants most, Bluebird pearls for less, \$8.50 to \$22.50 complete in fancy box—Floyd's, the Gift Shop.

Wife (with newspaper)—Just think of it! A couple got married a few days ago after a courtship which lasted fifty years. His hand—I suppose the poor old man was too feeble to hold out any longer.

Golfers Make Merry

The annual social evening in connection with Halton Golf and Country Club was held in the assembly hall of the arena last Friday evening. The early part of the evening was spent in a progressive course. This was followed by a delicious luncheon prepared and served by the lady golfers committee under the very able supervision of Capt. Mrs. B. G. Coffey. Then followed the usual toast in which was announced by Capt. J. B. Wallace in his usual inimitable and pleasing manner and proposed and responded to by a number of golfers present.

The speeches were interspersed by popular songs and melodies rendered by the Golf choir composed of C. Cole, R. Y. Wenys and W. V. Grant, the entire gathering joining in the choruses.

Miss Owen, winner of the lady championship was presented with a beautiful shield by Mrs. Willoughby, while Mr. R. Y. Wenys, winner of the gentlemen's championship was presented with a similar shield by Mr. Willoughby. Mrs. Shorey, Miss Herbert, and Mr. L. H. Herbert were also presented with prizes—gumshoes up in the championship class.

Miss Edna McElroy, on behalf of the golfers and Mr. Wallace on behalf of the gentlemen presented Miss Willoughby with a beautiful bouquet of chrysanthemums and a box of chocolates.

Following the presentations the remainder of the evening and considerable of the next morning was spent in dancing, old and young alike participating. It was a happy crowd that joined hands at the conclusion of the program and sang "Auld Lang Syne" before departing for home in the early morning after three cheers and a tiger had been tendered Mr. and Mrs. Willoughby for their kind hospitality at the Golf Links during the past season.

Hockey

In an effort to further tighten the rules on the habitual tourist player, the Ontario Hockey Association, at its 35th annual convention, held in the Temple building, Toronto, on Saturday, decided that all players changing residence since January 1st must satisfy the requirements of bona fide of such change, and give complete information as to why the shift was made.

They must notify the O.H.A. secretary of such change within two weeks after the change of residence. And the club's obligation to limit the enrollment of students to the opening of school term was suspended, so as to give the O.H.A. the power to judge such cases as they arise.

Villages will not be allowed to draw players from towns or cities, and Palmetto's idea to have sailors qualify where they take up residence after coming off the boats in the fall was defeated.

Glenwilliams

The congregational social at St. Albans' Parish Hall last Thursday, was a great success. There was a splendid attendance who thoroughly enjoyed the programme provided. Louis' Orchestra and amateur singing added much to the occasion. The best one will be held during the holidays.

A man has been blowing that he got over 300 wives for \$50 when he inserted ad in a newspaper at that price. But it isn't the initial cost, old top, it's the upkeep.
