Toronto to Florida

The following letter, descriptive of an auto trip from Toronto to Florida, by Mr. F. J. Barber, is continued from last week and completes the story of the trip to the South. Should Mr. Barber feel inclined to write us further regarding his new home surroundings in Florida we can assure him of the hearty appreciation by many old Baw.

A Successful Year

Nineteen hundred and twenty four has been a very auccessful The following from the Toronto year and I have been able to accomplish 'with success and satisfaction almost every feature of the work undertaken this year," said R. R. Fleming, agricultural representative for Halton county.

School fairs in this county were most successful, and many special features were introduced. The championship held at Milton created a great deal of interest and the exhibits were the best in years. The four breeding stations have had a busy year and many farmers are finding it more profitable to buy from these stations than, to raise their own birds.

cluded stock judging, inter-county ial courses in home economics were conducted for girls.

Rabbits and mice have caused serious loss in Halton by attacking for this consummation, during a benefit of those whose orchards were damaged.
