### Obituary

**MATTHEW BULLIVANT BOUSKILL**  
The home of Mrs. Bouskill, John St. was saddened on Friday last when her 16 year old son Matthew Bullivant Bouskill passed away after four weeks illness. Deceased had been employed in Smith & Stone electrical works and his early demise is deeply regretted by his shopmates and by friends. The sympathy of the community is extended to the bereaved mother who has herself just recovered from a severe illness. The funeral which was private took place from his mother's home on Sunday afternoon when the remains were interred in Greenwood cemetery. The service was conducted by Rev. Percival Mayes of St. Georges Church. The pall bearers were: Ernest Simpson, Clifford Grace, Fred Spires, John Lucas, Joseph McDonald.

### Acton

Rev. W. M. and Mrs. Kinnawin and family of Hamilton spent Christmas at the home of Mr. A. Kinnawin.

Postmaster Matthews, who was up with the family for Christmas dinner, has not been so well since, and has been confined to bed again.

Mr. and Mrs. H. P. Moore were at Toronto on Tuesday evening, attending a pleasant family gathering at the home of Rev. Dr. Moore, 181 Jeffrey Street.

Mr. Thomas Kennedy, fifth line, Esquimaux, was taken to Guelph General Hospital and an operation performed on Monday. He is doing as well as can be expected.

Georgetown's arena seems to have quite an attraction for numbers of our youthful citizens, who disregard the time-honored adage: "Early to bed, makes you healthy, wealthy and wise."

One of the happiest home-gatherings on Christmas was at the home of Mr. and Mrs. David Williamson, Guelph Street. All the sons and daughters with their families were home including, Mr. and Mrs. Fred Williamson, of Toronto, Mr. and Mrs. Roy Wassborough, Toronto; Mr. and Mrs. Albert Young and family, Rockwood; Mr. and Mrs. W. D. Anderson; Mr. and Mrs. W. A. Murray; and Mr. and Mrs. John Williamson and David of Acton.—Free Press.

### Terra Cotta

The boys have their new rink flooded and hockey practice is now the order of the day.

Mr. F. C. Thompsoe has purchased Mr. Keen's brick yard and farm property adjoining him on the 10th line.

Miss Ivy Haines of Toronto spent the holidays with her parents here.

A number of our young people attended the concert at the 10th line school and all report a good time. Mr. Ed. Townsend very ably acted as chairman. The teacher, Miss Laidlaw, deserves great credit for the able manner in which she had the children trained.

A number of our citizens took in the annual Sunday School entertainment at Union.

The school concert at the 5th line was a splendid success. The young people gave some good dialogues and the songs, drills, etc., by the children were splendid. Miss Lewis, the teacher, deserves great credit for the manner in which the children performed. Mr. J. A. McKane was chairman.

Mr. Cass, McNally has gone to Toronto where he is learning the garage business.

Some of our citizens are busily engaged in cutting wood on the blue mountains of Caledon at present.

The popular play entitled "A Hot Day" so splendidly put on by the young people of Glenwilliams will be repeated in Terra Cotta Methodist Church on Wednesday evening next, Jan. 14th.

Church Union voting in this locality will probably commence next week.

**Will Cut Down Mileage**  
The latest information regarding county highways is to the effect that shortly a general revision of the plans of counties will be made with the object of reducing the mileage to be subsidized by the provincial department as leading highways. Halton County has no great mileage in highways and will not likely be affected.

### Georgetown Old Boys

#### Spent Banquet at Toronto and Spent Enjoyable Social Evening

One of the most pleasant functions we have had the privilege of attending was that of the Georgetown Old Boys' given in Toronto last evening. Many pleasant acquaintances of former days were renewed, and the occasion will be remembered by all present as one of the happy events along life's pathway.

The Globe of this morning has the following in reference to the gathering:—

"Revelation of the extent to which Georgetown has contributed to the business and professional circles of Toronto was the feature of last night's dinner of the Georgetown Old Boys' Association at the 'Carle-Rita Hotel. Bankers, doctors, educators, lawyers, industrialists and police officers were all represented at the gathering, and the roll-call of names indicates the fame which former Georgetownians have won for themselves in this city.

"Between 50 and 60 former residents of Georgetown and vicinity were present last evening to renew acquaintanceships and to draw upon the storehouse of reminiscences. Of an entirely informal nature, the program consisted largely in the relation of anecdotes of former days by many of those present—a program which found favor as could be other.

"As guests of the Old Boys' Association, Dr. Frank Watson, Chairman of the Georgetown High School Board; J. M. Moore, Editor of the Georgetown Herald, and Mayor W. W. Hiltz, who presided at the gathering with short addresses in response to Chairman R. D. Warren, School Inspector J. S. Deacon also complimented the association upon the success of the first annual banquet.

"Other speakers during the evening were:—Inspector George Guthrie, Miller Prentice, Dr. C. Starr, J. A. Willoughby, Rev. Dr. Reid, Rev. Dr. T. G. Wallace.

"Vocal solos were contributed by Mr. Ernest A. Warren and Mr. Leslie.

"Former Georgetownians now residing in Toronto and present at the dinner included:—W. P. Moore, Rev. J. E. Reid, Dr. Clarence Starr, Fred Deacon, Dr. W. Corrigan, Dr. C. Warren, Rev. T. G. Wallace, Rev. Harry Bracken, Dr. W. E. Hynes, J. B. McLeod, Norman McLeod, E. A. Warren, Inspector George Guthrie, Inspector Nat Guthrie, J. A. Willoughby, J. Miller Prentice, G. R. Cottrill, Dr. E. A. Dolson, Dr. K. O. Fisher, Dr. W. Morrison, A. S. McKimley, John M. Finley, G. W. C. Graham, S. Hooper, John T. Moore, W. Mc Gregor, T. H. McWhirter, T. A. McDowell, W. Mooney, J. H. Neil, A. E. Neil, James Fedley, D. E. Taylor, Carey Warren, Charles J. Wheeler, Bert Thornton, Graham McDonald, H. C. Jermyn, S. M. Buck, Will Hartop, D. O. Jackson, E. Holdroyd, W. H. McDowell, John Cronland, F. Reid, S. Oram, J. Moss.

"Mayor W. W. Hiltz, who is President of the association, was unable to be present last evening, his place being occupied by Mr. D. Warren. Other officers of the association include Dr. W. E. Hume, Inspector George Guthrie and Mr. Miller Prentice.

### Hockey

The Intermediate O.H.A. fixture staged at the Arena here on Friday night last between West Toronto and the local sextet resulted in a win for the visitors by the score of 8 to 6.

The game was late in starting and at one time it was doubtful if the visitors would ever reach here as they were motoring out from the city and the recent fall of snow did not help them any. However, they arrived at about 8.30 and Referee Lowry soon had the teams lined up on the ice.

The first period was fast with both teams feeling around, to try and locate each others' weak spots. It was at this stage of the game that Bond of West Toronto found the hole for the first tally. It was not long before the visitors again bulged the twing for their second count. The score at this time should have been reversed as the locals had the lion's share of the play and only the great work of Ristow who guarded the nets for the visitor and who had horse-shoes in every pocket, saved the situation.

The second period opened in real earnest with McKay relieving Bistow in the nets for West Toronto. The locals made the visitors dizzy and before they could recover had notched another count in their favor. Penalties were now in order and Referee Lowry seemed to take special delight in giving our boys rai seats. Duncan stopped a couple that looked like sure ones but Pirie beat him for West Toronto's third count. Georgetown showed the fans some real hockey and before the gong sounded for the end of the period McDonald, Brush, Blackburn and Buck had each scored one for the locals making the score at the end of the second period—Georgetown 6, West Toronto 3.

The excitement at the beginning of the third period ran high and it looked as if the locals had the game safely tucked away. The game now became a real battle and Referee Lowry still handed out penalties to the locals which they seemingly did not deserve. It was while some of our boys were in the penalty box that the visitors ran in three in quick succession making the score at the end of the third period—Georgetown 6, West Toronto 6.

In the first ten minutes of overtime neither team scored, the fast pace telling on both teams. The second ten minutes was the same as the first and the teams retired for a brief rest before commencing the final lap. Our old friend, "Hard Luck" seemed to be with the locals for although they kept up a steady bombardment on the West Toronto nets, Ristow always seemed to get in the way of the hot ones. Bond and Pirie again out-guessed Duncan and scored a goal each giving West Toronto the same by 2 goals after playing 90 minutes overtime. \*Final score—West Toronto 8, Georgetown 6.

The teams lined up as follows:

West Toronto—Goal, Ristow, defence, Bond and Pirie, forwards, K.W. Muldoon and McClure, subs, Hedges, McKay and White.

Georgetown—Goal, Duncan, defence, Brush and Kennedy, forwards, Buck, Blackburn and McDonald, Subs, Telfer and Gush. Referee—W. Lowry, Toronto.

**NOTES**  
It was a good game to watch, but a hard game to lose. Dutch Kennedy made things warm for the visitors on several occasions.

Murray McDonald worked hard and always had the other fellows guessing.

Blackburn, Brush and Buck always were aggressive and each had a goal to their credit.

West Toronto got all the breaks with the assistance of the referee. We sincerely hope that the remaining games to be played here will start on time so we can get home before midnight as it is hard to convince some women that you really were at the hockey match that time.

The Georgetown Intermediates go to Brampton next Monday night.

The fastest and best exhibition of hockey ever witnessed in the new arena was played here on Monday night when Milton Juniors defeated the local Juniors by the narrow margin of one goal. The game was clean throughout and Robt. Armstrong of Toronto had very little trouble in handling the game. All the penalties were for minor offences and seldom a man was off either team for more than a minute at a time. These boys are assured large and enthusiastic crowds if they continue to put up the brand of hockey that they displayed on Monday night.

Milton opened the scoring shortly after the play commenced and succeeded in scoring three while the locals scored one. The score at the end of the first period stood Milton 3, Georgetown 1.

The second period opened with both teams going the limit and our boys getting the better part of the play. Georgetown scored two in a row which tied the score. Now the game was real lively and everybody was on their toes, even the spectators. Milton got another goal on a side shot by Kenter which went in the corner of the net of Holloway's skate giving them a lead of one goal at the end of the second period.

In the third period neither team scored although the Milton net was in danger several times. Final score—Milton 4, Georgetown 3.

Milton—Goal, Hill; defence, Akins and Polinc; forwards, Kenter, Vaughan, subs, Brush, Irwin, and Marsh.

Georgetown—Goal, Holloway; defence, Ford and Gibbons; forwards, Davidson, King, Howitt, subs, Halpin and Hepburn.

Referee—Robt. Armstrong, Toronto.

**NOTES**  
Ford, Davidson, Halpin, Hepburn, Gibbons and Hewitt all played up to form.

There must have been a hole in Holloway's stick.

Brampton plays here on Friday night and should be another red hot contest.
