Hockey

In a junior O.H.A. fixture at the Arena last Friday evening, Brantford defeated Georgetown by a 4-1 score. The game which was clean and fast was handled to the satisfaction of all by Referee Smith of Toronto, who handed out 4 penalties for minor offences, both teams having 4 each. In the first period Brantford ran in two goals shortly after the opening of close to half before the locals had found themselves, but they showed up splendid later in the game. Jennings and Worby scored the Brantford goals. In the second period the locals worked hard but were unable to score. Worby got in another tally on a lone rush for Brantford. Algie was off for about fifteen minutes in this period, he having a head on collision with Hewitt. Score at the end of second period was 3-0 in Brantford's favor. The third period opened up in earnest with Georgetown working hard to even up the score. This is where Halpin scored their lone tally. Then Algie came back with another for Brantford. During this period our boys scored the Brantford goal several times, but through hard luck missed what seemed sure enough goals. Final score Brantford 4 Georgetown 1. The teams lined up as follows: Georgetown—goal, Holloway; r.d. Ford, l.d. Halpin, c. Davidson, r.w. Hepburn, l.w. Hewitt, Subs. Gibbons, Worters.
Brantford—goal, Large, r.d. Algie, l.d. Worby, c. Carr, r.w. Jennings, l.w. Brown, Subs. Bartlett, Fletcher, er.
NOTES
Holloway made some remarkable stops.
Ford worked hard with his rushes.
Worby and Algie were best for Brantford.
Gibbons, Georgetown's heavy man was always in the line with his body checking.
Our Juniors held Milton for a 2-1 score at Milton on Monday night in one of the best games of the season. Milton will play here next Monday night and everybody is looking forward to this game. Don't fail to see our Juniors and Milton play at the Arena next Monday night.
In the Intermediate series Brantford will play Georgetown at the Arena here Friday night.

The W.A. are packing their lark at Mrs. Wilson's on Thursday.
Hornby Young People will present the play "Miss Molly" under the auspices of the W. A. of St. John's church, in the Township Hall, Stewarttown, on Thursday, Feb. 5th. You are all invited to come and enjoy this splendid entertainment.

Facts About Optometry

By Dr. C. C. Floyd, Optometrist
Georgetown, Phone 276
NO. 9 OF THE SERIES
Approximately 50 per cent. of the population are always in need of an eye service. This means that five in every ten people are deficient visually to an extent that would justify their consulting the Optometrist.
Of course a great many of these are people who have reached an age when their eyes naturally begin to lose their power of seeing close work, but many thousands of younger folks are handicapped by defective vision. And the regrettable feature is the fact that many of them are always aware of their condition.
