Here and There

Canada spent \$49,000,179 last year for pensions and re-establishment of Veterans of the Great War, according to a report recently issued from Ottawa by the department in charge of this work.

Without a dissentient voice over 4,000 cattle owners in 200 districts have voted to make Prince Edward Island a disease-free area under the Department of Agriculture arrangement which calls for a two-thirds vote of all cattle owners.

Two thousand young buffalo from the Watnright herd will make a 700-mile trek northward this summer to the buffalo reserve on the Slave River where they will be turned loose to mingle with the wood bison which roam that area.

"In all parts of Canada and the United States," according to Robt. G. Hodgson, editor of the Fur Trade Journal of Canada, "Muskrat farms are being established, mostly on a large scale and they are rapidly turning what was once marshland of little value into the most productive part of the farm."

The record established recently at Assen when 114 horses worked in one field at the same time, was broken at Gadsby, Alberta. When the neighbors of J. B. Ball who recently suffered a broken arm, put in his 100-acre crop, 39 outfits were at work on one day and 176 horses. The crop was put in in a single day.

H. E. Morris, whose horse Manua made a run away victory in the English Derby, will visit Canada in the fall en route to China from which country he hails. He will sail on the Canadian Pacific S.S. Minnedosa from Southampton on October 5, stay a short time in the Dominion, and sail from Vancouver for China on the S.S. Empress of Australia, October 25.

Rebuilt in nine months after the fire that destroyed it last October, the Chateau Lake Louise hotel opened for the current season on Sunday, May 31 as the Trans-Canada train arrived from its cross-continent run. The hotel was rebuilt under exceptionally difficult conditions in temperatures as low as fifty degrees below zero.

Following the opening visit by Her Majesties King George and Queen Mary to the Wembley Exhibition, the Duke and Duchess of York also went over the grounds. Their Majesties were especially delighted with Treasure Island, the miniature Canadian Pacific train that runs around the island, passing time the replicas of Banff Station and the reproduction of the Canadian Pacific Rockies.

Canada will be well represented at the New Zealand and South Seas International Exhibition to be held at Dunedin between November, 1925 and April, 1926. Both the Dominion Government and the Canadian Pacific Railway have announced their intention to send well-appointed exhibits to the Exposition. It is probable that the provincial governments and many Canadian manufacturers will follow suit.

"So long as the Canadian Pacific Railway has a dollar left in its treasury, it will fight for the ideals, uphold the faith and maintain the precious heritage of confederation," said E. W. Beatty, Chairman and President of the Canadian Pacific Railway, when addressing the Canadian Manufacturers' Association at their annual convention held at Hamilton recently.

Eleven hundred pounds of speckled trout, gray trout and pike were the trophies taken back to New York recently by seven members of the Coughswage Hunting and Fishing Club, private preserves near Montreal, after a two-week stay on the fishing grounds. The catch included a 19-lb. gray trout and the average weight worked out at around eight pounds.

Frank W. Ashby, secretary of the Australian Manufacturers' Association, visiting here recently, said the impression in Australia was that Canada was the back door to the North Pole. People in the Antipodes think that Herschell Island and Baffin's Bay are linked up municipally with Montreal and Winnipeg, he said. He was surprised to find the Dominion had a delightful climate and cities more modern than those in Australia.

What is stated to be the biggest log jam in sixty years recently occurred on the Montreal River in a gorge through which the river flows into Lake Temiskaming. 300,000 logs were piled up to a height of 80 feet with a width of 250 yards, choking the river for 300 yards down at the point where the jam took place. An army of 100 men, working night and day for three days, at last succeeded in breaking the jam with dynamite.

A three-week tour of Canada by teachers and their friends, under the auspices of Dean S. Laird, of Macdonald College, will leave Toronto July 20 on the Canadian Pacific Railway. The party will travel by train to Vancouver and Victoria, and will return by way of Southern British Columbia, across the northern end of the Prairie Provinces and by boat from Fort William east. Stops will be made at all the principal points of interest.
