His entrance classes have always had a higher percentage of passes than any other school in the county and as an educationalist he is in the superior class. His place in the public school life of our town will be hard to fill. As a citizen he has always taken an active interest in anything that was for the betterment of the community, and as Town Treasurer he has proved himself an efficient and obliging official. The removal of Mr. and Mrs. Green and family from Georgetown is deeply regretted and they will carry with them the best wishes of all for a happy and prosperous future in their new home.
