CANADA'S STANDARD CAR

No. 4

Question: Why is it no one ever questions your good judgment when you buy a McLaughlin-Buick?

Answer: Because no one hears anything discreditable to this famous motor car. On the contrary everyone hears many good things. The favorable experience of McLaughlin-Buick owners through many years has brought to McLaughlin-Buick universal recognition as one of the few best Canadian motor cars.

Heft it Once!
Then You Will Want One for Your Own Kitchen

The very feel of it will make you want to own it. It balances so nicely, seems to be just right. The handle is rigid and does not tip around like a hinged handle. That means no slipping, scalded hands or accidents. See how you fill it? You lift the handle and can fill it right under the tap or by dipper because the opening is at the side, not the centre. Most important, these are special-duty kettles and no other than the old fashioned kind.

SMP ENAMELED TEA KETTLE

Have You Had Your MELOTTE for 30 Years?

MANY of our machines have been in use continuously for 30 years—and more. If you have been using a Melotte Cream Separator for this length of time, ask us to examine it and check up its operation. We are pleased to render this service to our customers at any time, without obligation. Ask us to call and demonstrate.

A SONG FOR FAITH

Brother, tune yourself in key
To the music of the spheres;
Life has song for feeding ears,
Life has rhythmic harmony,
Love is beating at its heart.
Life is song and you are part—
Take your heritage and be
Sharer in its treasure-store.
All you need is here, and more,
Life bestows abundantly.
Science e'er note that jars—
Life is singing with the stars!

Brother, look with seeing eyes
On the world, for it is fair;
Beauty greets you everywhere:
Vision finds a glad surprise
Where the blind must fail to trace
Hue of charm and line of grace,
Only he is truly wise
Who in all life's wonderment
On the fact of approaching day
He shall conquer, he shall rise
Far above the mist that hides
Love which thru all change abides!

Brother, swing yourself in line
With the movement of the race:
Get in step and keep the pace:
Go not slow to see the sign
On the fact of approaching day
When the light shall have full sway:
To the ground your ear incline,
Hear the steady, measured beat
Of a myriad marching feet
Climbing up the steep which shine
With the glory of a dawn.

Men have longed to look upon!

Norval

Following is the report of the June examinations for Norval Public School. Names are in order of merit.

C. Sempie, Teacher.

Fire at Streetville

Smoke and water did several hundred dollars worth of damage to the Public School at Streetville when a fire broke out, supposed to be the result of spontaneous combustion from oily rags. Considerable cleaning and polishing has been done during the past week, then some rags were thrown aside, which had been saturated with oil. The fire also through the floor of the upper room and was burning between the floor and ceiling when the alarm was given, but the volunteer fire brigade made short work of extinguishing the fire. The entire building will have to be re-decorated.

Orange Celebration at Kitchener

A protest against any changes in the flag of Canada and appeals for the maintaining of British connection were the features of Kitchener's first Orangemen's celebration there Saturday. A mass meeting held at Victoria Park following the parade, a resolution of protest was unanimously adopted. The principal speaker for the day was A. R. Hassard, of Toronto, who said that no more appropriate emblem for the Dominion could be secured than the present one, a combination of the flags of St. Andrew of Scotland, St. George of England and St. Patrick of Ireland, from which countries the pioneers of this Dominion had come.

The celebration was attended by about seven thousand persons. Well over three thousand members of the Order took part in the parade, in which the following places were represented: West Toronto, West York, Guelph, Alma, Paris, Bradford, Granby, Millbank, Milverton, Lambton, Lis-towel, Haldimand, Halton, Georgetown, Burlington, Acton, Park Hill, South Perth, Stratford, Mount Forest, Palmerston, Galt, Preston Simcoe, Glen Williams and other places. 110 lodges participated in the parade. The latter was the largest ever seen in Kitchener and took nearly an hour to pass. Stratford bands carried off the honours in the band contest while the Paris ladies won the prize in the contest for lady lodges.

Coach Meyers Takes Canadian Bride

On Thursday, June 18th, at the hour of 5.30 o'clock, a marriage ceremony was solemnized at the home of Mr. and Mrs. R. Smart, Schreiber, Ont., in which Mr. Henry E. Meyers, B. Halton, and Miss Myrtle Young of Acton, Ont., were the principals in this happy nuptial event. Rev. W. Reid of the United Church, Schreiber, performed the ceremony. The bride, who entered the drawing room on the arm of Mr. Smart, who gave her in marriage, was becomingly attired in an ensemble suit of oyster white and navy silk. Her hat was a blue taffeta with delicately coloured silk flowers and she wore a coronet bouquet of cream roses and pink sweet peas. After the ceremony the guests repaired to the dining room which with the drawing room was tastefully decorated in cut flowers and ferns. Here a dainty luncheon was served. Mrs. Smart providing an ideal hostess. Later in the evening the bridal couple left for Port Arthur, amid showers of confetti. Leaving Fort William by motor Mr. and Mrs. Meyers had a delight-ful trip south through Minnesota, Wisconsin, and Illinois to Urbana where Mr. Meyers is attending summer school at the University of Illinois.

The bride is the eldest daughter of Mr. and Mrs. D. H. Young, of Acton, Ont., who received her secondary education at Georgetown High School, later graduating from the Faculty of Education, University of Toronto. Since then she has displayed ability as a teacher in various schools. During the past year she was principal of Schreiber Continuation School. The groom is a member of the faculty of the Mendota High School, and being the director of physical education and also teacher of Mathematics. Since coming to Mendota, he has been able to speak in the highest terms of his ability as a teacher and also as a coach.

At the close of the University summer session, the bride and groom will leave for an eastern trip to Canada returning to Mendota in time to take up his duties at high school.

The many friends of Mr. Meyers in this city have been extending a hearty welcome to the newly-weds and showering them with best wishes for happiness and prosperity in their new life.—Mendota Reporter

New Road Through Mountain

The dangerous part of the Centre Road known as Caledon Mountain, and the scene of many motor accidents, is going to be changed. Instead of the present twisting roadway a new road will be cut through the hill and the grade considerably lessened. The trees and brush have been cleared away, and a huge stean shovel started Monday morning. It is expected three months will be required to complete the job. The McLean Construction Company, Toronto, have the contract.

Verdict of Accidental Death

An inquest held Thursday night in the Council Chamber, Oakville into the death of John Davidson, who was killed by a C.P.R. train on July 2, just east of Oakville, where he was working as a section hand, resulted in the return of a verdict of accidental death, and no blame was attached to the train crew or members of the section gang. According to the evidence submitted, Davidson was working on the track with other men about two miles east of Oakville when a passenger train came westward. All the men but Davidson got off the track and he continued to walk the way the train was going. He had been told the train was approaching, and it was known that his hearing was not affected. The inquest was held under Coroner W. M. Wilkinson, the post-mortem examination having been performed by Dr. T. A. Page of Oakville. Davidson was 37 years of age and is survived by his widow and three adult sons.

Mary had a little lamb,
You've heard that tale before,
But have you heard she passed
her plate
And had a little more.

—Willards Famous Ice Cream, in bricks at Brown's Bakery—25c per brick.
