Come out in big numbers and help the boys regain 1st place. They are deserving of your support as this is the lowest they have been all year. Following is the summary of the game in Hillsburg:

Norval
On Tuesday evening, July 7th, a very successful garden party was held on the church lawn in connection with the Presbytery church. The weather was not promising in the early part of the day but fortunately it improved as the day passed and as the grass was short the ground soon dried and enabled the various preparations to be made. The entertainment was in the hands of the David House of Toronto and their troupe of Keweenaw Gypsies, and they certainly were a great success. Every number was good and they have paved the way for their return. The Kilty Hand also gave a good program and the skirt of the pipes helped to pack the audience closer together and gave a timely touch to the gathering. During the service the audience were able to refresh themselves at the booths where ice cream, cake, sandwiches, coffee, tea, hot dogs, etc., could be had at a very moderate price. A raffle booth occupied a position in the centre of the ground and sold its stock before the evening ended. The amount they realized was \$24. The audience was estimated at about 700. The amount taken at the gate being \$221 and the sum total received was very satisfactory. Much credit is due to all the members of the church who threw themselves heartily into the effort and I brought it to a successful issue.
