Considerable interest has been aroused in London, England, over the arrival there of 8,000 peony blooms for exhibition in the Canadian Pacific pavilion at Wembley. A delegation of prominent newspaper proprietors and business men from Great Britain passed through Canada recently on their way to attend the Third Imperial Press Conference to be held at Melbourne, Australia, during September. Besides the delegates from the British Empire, representatives from the United States and other Dominions have been invited and will attend the conference.

Two automobile accidents occurred in Montreal over the week-end at railway crossings, in both of which it was proven that the car struck the train.
