Council Gave No Permission

The Town Council gave no permission, as reported, to erect a small frame building on Main Street north of the power line, to cause the same to be removed so long as it is kept in a sanitary condition. This is one of the unfortunate circumstances brought about by having no building by-law in Georgetown residential section.

Thrown Through Windshield
While motoring near Campbellville last Sunday, George Lamb and Mrs. Brown of New York City crashed into a horse and rider driven by W. Fraser of Campbellville, who did not see the motor car approaching. Mrs. Brown was thrown through the windshield and badly cut and injured. Mr. Lamb was badly shaken up and bruised.

Jack Caught Big One
While spending a few days last week in the Lake of Bays district of Muskoka, Mr. Jack Willoughby had the good fortune to land a small mouth black bass that is likely to win the Daily Star's prize. The fish measured 19 1/2 in length, was 10 inches in circumference and weighed 1 1/2 lbs. We'd like to know just what kind of bait Jack was using when he captured this big one.

Summer Home Burned
The summer residence of Dr. C. O. Falls at Oakville was completely destroyed by a fire which broke out about seven o'clock on Sunday night. Only a few minutes after the fire started, the house was razed right to the ground with only the fire-places still blazing. The fire was caused by the explosion of a coal oil stove. Except a couple of pieces of furniture, all the contents of the house were lost. The total loss from the fire is estimated at \$20,000. When the fire occurred, Dr. and Mrs. Falls were out of town, and only the maid and the two children were in the house.

Better baking with less fuel

It is not remarkable that more than 300,000 Canadian women praise the Happy Thought for its exceptional ability to heat, cook and bake. The firebox is adequate to the size of the oven and the scientifically constructed flue carries a steady, uniform heat to all parts of the oven and cooking surface. Through a perfected system of drafts regulated at will, this heat is always under your control. Naturally with a Happy Thought, good cooking and baking is inevitable.

Additional worthwhile features you will appreciate are the "Duplex" grates, broiling and roasting rack, ample reservoir and ventilated oven.

Happy Thought Pipe, Pipes and Combination Warm Air and Hot Water Furnaces serve every type of home.
