Notes and Comments

THE MUNICIPAL ELECTIONS are not very far away, for they are now scheduled for the first Monday Beck Memorial Endowment Drive in December. They are held at this date because it is thought the electors will take more interest in them than if they should be held at the first of the year. Perhaps so, perhaps not. At present the electors do not take very pluch interest in municipal matters, and the fixing of the date earlier has not given any increased interest.

THE PROVINCIAL Y.M.C.A. Is about to launch a campaign against cigarette smoking by boys. This is a worthy endeavor and should receive the support of every thinking man or woman, Cigarette smoking by the young ladse in Walkerton and other towns has become so common that the boys openly light their "fags" on the streets or other public places without the thought that it is a breach of The best loved benefaction of the the law.
