**Born**  
KING-In Georgetown on Monday, February 22nd, 1926, to Mr. and Mrs. Frank King, a son—Gordon Alfred.

**Obituary**

**MISS ARMSTRONG**  
Deeply regretted is the death of Katharine Maude Louise, only daughter of the late Thomas and Katherine Armstrong of Georgetown, which took place at Guelph General Hospital on Tuesday, Feb. 23rd. Deceased was born at Canton, Ontario, thirty-six years ago and came to Georgetown with her parents when a child. For many years she was a faithful employee of the Barber and Provincial Paper Mills and enjoyed the respect and esteem of all who knew her. Two brothers, Messrs. John and Clarence Armstrong remain to mourn the death of a beloved sister. Her father predeceased her six years, and less than five months ago her mother passed away. The funeral took place on Friday afternoon last at St. George's Church by Rev. Mr. Mayes, after which interment took place in Greenwood cemetery. The pall bearers were—Messrs. Charles Dempsey, Guelph; Edward Berry, Caledon East; Victor King, Innes; Arthur Semple and William McClure. Among those who contributed beautiful floral offerings were—Provincial Paper Mills, Lyla and Daisy Armstrong, Mrs. Merritt, Mr. and Mrs. Hampton, Toronto; Mr. and Mrs. Ed. Borney, Caledon East; Mr. and Mrs. Arthur Runstedler, Brampton; Mr. and Mrs. Wilfred Parr, Mr. and Mrs. Chas. Dempsey and Mrs. Chamberlain, Guelph; Mrs. Moore and Mrs. Hamilton, Toronto; Mr. and Mrs. John Mason, Mr. and Mrs. F. Braisby, and the family.

**Address and Presentation**

About forty of the friends and neighbors of Miss Leslie and Miss Holmes gathered at their home on Edith Street, on Wednesday evening of last week to express their regret at their removal from the old farm home, "The Evergreens." After singing the opening chorus, Mr. B. W. Reed, chairman, called on Thomas Giffen to read the following address after which Harold Reed presented them with an electric reading lamp.

Dear Friends:—On hearing of your taking leave of the old farm home and neighborhood, we, your friends, desire to express our feelings of deep loss by your removal.

We are sure this step has been taken after careful deliberation and we hope that in your new sphere of life in town you will still find fields for usefulness and service and so make for yourselves a bright and happy future. You have been kind and obliging neighbors, your council has been a guide to us, your energy an inspiration and your faith in times of trial a strength to all. We rejoice you are still near us and we shall look forward to meeting you often.

Assure you that we carry with you our esteem and best wishes of all, and so we ask you, Miss Holmes and Miss Leslie to accept this electric reading lamp as a slight token of this esteem. We trust that as it may dispel the darkness it may remind you of the source of light and real joy. That you both may be spared in health and happiness to enjoy each other's companionship for many years in the earnest and united wish of all.

Signed on behalf of the friends and neighbors,  
Harold Reed,  
Thomas Giffen.

Miss Leslie on behalf of herself and Miss Holmes thanked the friends for their beautiful lamp. She said, "As it burns we shall think kindly of the old friends," and expressed the wish of still meeting them often.

Short speeches followed by Reeve Appelbe, Messrs. Barnes, Wrigglesworth and McNabb and a musical program was rendered by Mrs. Wright and Miss Ruddell, Miss Alice Leslie, Mr. Frank Wilson and Mr. B. Palmer, after which a few old songs were heartily sung by all.

After the special hour, refreshments were served and the happy gathering dispersed wishing Miss Holmes and Miss Leslie health and happiness in their new home in Georgetown.

**Norval**

Social night at the Norval Young Peoples' Society was largely attended. The meeting opened with devotional exercises conducted by the Rev. Mr. McDonald. At the close of a short program there was an old-fashioned spelling match, several of the members taking part. Next Monday night will be devotional night and will be held in the Anglican Church.

Special services in the Presbyterian Church at 11 a.m. and 7:30 p.m. on Sunday, March 14th. Rev. Mr. McDonald will be in charge.

Don't miss the "Shamrock High Tea" in the Presbyterian Church, on Monday evening, the fifteenth of March. An excellent program is being provided. Full particulars later.

**Glenwilliams**

Mr. Joseph Beaumont left last week for the West Indies where he will spend the next few weeks enjoying the salubrious breezes of the southern Atlantic.

Master Ray Bell spent the week end with his friend Fred Kirby of Brampton.

Our mills are busy and we are all looking forward to a good summer in the Glen.

**Rev. Mayes' Farewell**

On Sunday last, February 28th, the Rev. Percival Mayes, Rector of St. George's Church, preached his farewell sermon.

In the morning every seat in the church was occupied and the large congregation listened intently to an eloquent address from Mr. Mayes who spoke on the duties of the Rector of a Parish, alluding as he went along, to many of the events in the parish during the last 5 years, of these, the more prominent such as the extending and beautifying of St. George's Church, its permanent and indelible record of Mr. Mayes' incumbency. But his hold on the affections of his people from his close personal touch with all in the congregation, knowing everyone by name, even the children, his deep interest in all their affairs, rejoicing with them that rejoiced, mourning with them that mourned, is a tie that will long endure.

Mr. Mayes as he modestly spoke of these things, although a man who always holds himself under strong control, was visibly affected and many of his hearers also.

An account of the presentation to Mr. and Mrs. Mayes in St. Alban's Parish on Monday of last week appeared in these columns on Wednesday last, but it is interesting to note that among those who bore tribute to Mr. Mayes in their addresses on that occasion were Right Worshipful Bro. E. Y. Barncrough, D.D.E.M., of the district in Craft Masonry and also Right Excellent Companion H. Corke, Grand Superintendent of this district in Royal Arch Masonry.

Owing to the high regard in which Mr. Mayes as a Mason is held by his Masonic Brethren, it was not unlooked for that some public honour should be paid him and therefore Halton Chapter of Royal Arch Masons attended the evening service in a body in full regalia.

Presiding from the last verse of the Second Epistle of St. Paul to the Corinthians, to a congregation which again filled the Church, Mr. Mayes spoke of the wonderful services that had already taken place during the day, when at the combined churches 250 members had communicated.

He then addressed a courteous welcome and congratulations on their standing in the Royal Craft to his brethren of Halton Chapter. And then for the last time as Rector, Mr. Mayes spoke of the wonderfully successful and happy five years he had spent in Georgetown. He thanked all those who had held office in the Church, particularly naming those who had been in office the whole time with him. He referred to the highest level of ladies' organizations, which it would have been almost impossible to carry on. And finally he opened his heart to his hearers in a last review of his untiring labors as a simple Parish Priest, who in all things put his church and the souls committed to his charge first in every way and at all times.

Mr. Mayes assumes charge of All Saints' Church, Niagara Falls, next Sunday, March 7th, but his family will remain in Georgetown until Easter. During Easter week a social gathering has been arranged when the final parting between the congregation and their beloved Rector will take place.

**Hockey**

The game at the Arena on Friday night in the play off series for the Harris Cup between Milton and Georgetown resulted in a win for Milton by the score of 7 to 3. The play in the first period was evenly divided, each team scoring one goal. In the second period the Milton boys outplayed Georgetown and scored five more before the end of the period. The final period was a little in Georgetown's favor and they succeeded in scoring two while Milton got one, making the score 7-3 in Milton's favor.

Don't miss the hockey game on Thursday night, Acton vs. Georgetown. Acton will be strengthened by two players from the big six group. Georgetown will also have two new men on the line up.

In the Acton Georgetown game on Thursday night John Keonler of Windsor and T. Hillman of Kitchener will assist Acton and A. Cole, Parkdale Club, Toronto, and Jack Worthing of Brampton will assist Georgetown.

**Ballinlad**

The death of Mr. George F. Yemen in his 87th year occurred at the home of his daughter Mrs. J. G. Reed, Munson, Alberta, on Feb. 10th. The deceased had been blind for the past 12 years but had been very patient under his affliction. He had been in very good health within a few days previous to his death. The late Mr. Yemen spent most of his life on his farm, lot 31, con. 8 in the township of Esquimaux. In the year 1872 he married Annie Cole of Erin, who passed to her eternal rest on February 22nd 1904. About 20 years ago neighbors and friends were grieved to hear of his departure to his new home at Theodor, Sask. A daughter (Bea) of Theodor and two sons John and Peter predeceased him a few years ago, the latter being stationed as a missionary amongst the foreign population at Innesgow, Sask., at the time of his death. He leaves to mourn the loss of a kind and loving father, Mrs. J. G. Reed, Munson, Alberta; Mrs. T. Halliday, Theodor, Sask.; George of Theodor, Sask.; Mrs. Day of Glenora, Toronto; Joseph of Innesgow, and Mrs. Peter Cole of Ballinlad residing on the old Yemen homestead. Interment took place in Munson cemetery, Alberta.

**Keeping up with the Times**

**The Modern and Inexpensive way to build a home.**

**HEAT PROOF—COLD PROOF**  
and 13 times stronger than with wood sheathing

Ten-Test Insulating Building Board is an ideal structural material. Nail it direct to studs instead of using ordinary matched lumber sheathing and you have a wall 18 times stronger than if lumber were used, as well as the best insulation against heat and cold.

Ten-Test is rugged, everlasting, weatherproof, manufactured lumber. Better and stronger than wood sheathing. Better than lath as a base for plaster. Better than building papers and felts, all of which it replaces, thus making a real saving in building costs, yet giving stronger, better walls, tightly sealed no knot holes, no cracks—perfectly insulated.

Insulation—means stopping the passage of heat through your walls and roof. Your ice box is insulated to keep the heat out, your fireless cooker is insulated to keep heat in. Similarly, in the walls and roof of your house Ten-Test Insulating Building Board keeps heat inside in winter—outside in summer—giving year around comfort and health, and saving \$60 to \$150 yearly on your coal bills.

It actually costs more now a days to build an old-fashioned best looking, winter-shivering house, than to build a modern, comfortable, healthy, everlasting house with Ten-Test Insulating Building Board. Write for literature to The Georgetown Lumber Co., Limited, Georgetown, Ont.

**A TEST OF TEN-TEST**

At Toronto University testing laboratory a frame sheathed with Ten-Test was subjected to a strain equal to a terrific wind or tornado and was shifted less than one degree. In the same test a frame sheathed with lumber was racked 18 times more than Ten-Test. This clearly demonstrates that a wall sheathed with Ten-Test is many times stronger and more rigid than a wall ordinarily sheathed with lumber.

**ANOTHER TEST OF TEN-TEST**

A test of the insulating qualities of Ten-Test Insulating Building Board showed one sheet 7-10 inches thick to be equal to 12 inches of brick and mortar, or 24 inches of solid concrete.
