### And the Parrot Says:

## Own a Home! Own a Home!!

What other word in the English language is so laden with sentiment?

This is the sum and center of all we hold dear. No other spot in the world is so worthy of careful selection as a get comfort and convenience at a price that is within our ability to buy properly and still have something left to buy the other comforts of life.

We offer a new 6 room cottage on Draper street for \$2200, terms arranged. This house has electric light and fixtures installed, pantry cupboards and built in sideboard and full size basement with cement floor, well lighted. We are open to exchanging this new small home for a larger house which needs some repairs. We will rent to a good tenant. Look this over.

We also offer a double house on George Street at \$2700, \$300 down, balance at \$30 per month. You can live in one side and have \$12.50 per month coming as rent from the other half to help pay the instalments and in a few years you will own this well-located home. This house was re-roofed and plastered outside during the past year and is now in good repair.

For further particulars apply at the office, or from me, personally.
