Norval Cow Testing Association
There was a good turnout at the special meeting of this association on Thursday afternoon last. Mr. P. A. Dick the president presided. As Mr. Barr was unable to attend, his substitute Mr. O'Neill, of Live Stock Dept. Toronto, gave an interesting talk on the advantages of Cow Testing. Mr. Whitlock and Mr. Fleming representatives of the Department of Agriculture of Ontario explained the new plan, and gave a special arrangement arrived at whereby Mr. Howell would continue testing the milk samples for the members of the Norval Cow Testing Association.

After the meeting the executive held a session and it was resolved to have another Dairy Cow Competition on the same lines as last year. A good prize is being arranged and entry forms will be ready in a few days. It is expected that a much larger entry will be made than last year. The awards will be completed and made at the Fall Fair.
