Varnishes

Lowe Brothers Neptunite Varnishes are ideal for either exterior or interior use.

They have the distinction of being the only varnishes that have successfully withstood the heat from a Hot Iron on their surface. They will not turn white, crack under the hammer test or show heel marks. Ice and snow or rain have no effect on them.

They produce a remarkably beautiful finish; they wear longer and cost less than most good

Neptunite Varnish-Stain

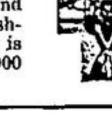

Is a high grade varnish stain. It varnishes and stains in one easy operation.

The stain colors are non-fading. Neptunite Varnish Stain has splendid wearing qualities and gives a fine mirror-like glosa. Easy to use. Dries quick-has a surface like glass that is free from stickiness and dusts off easily.

Mellotone Flat Wall Paint

- For interior decoration; it is a liquid paint, ready for use. Mellotone combines the delicacy of a water paint with all the durable elements of a lead and oil paint.
- It is very economical and easy to apply. It can be-washed with soap and waller; is color fast and covers 900 square feet to the gallon.

House Paint

Lowe Brothers "High Standard" Liquid Paint covers fully half as much more than a so-called cheap paint. More than this, "High Standard" is so easy to apply and lasts so long that it is conceded by hundreds of users to be the most economical per square foot

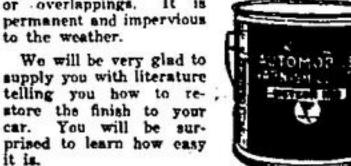

It comes in a splendid range of beautiful colors and produces a high gloss finish that wears off evenly, leaving the surface in splendid condition for repainting. Try it when next you paint.

Auto-Gloss There is no need to drive a shabby car when any amateur can refinish his car in

a few hours with Lowe Brothers Auto-Auto-Gloss produces a finish of remarkable beauty and depth. It flows out evenly

and leaves no brush marks or overlappings. It is permanent and impervious to the weather. We will be very glad to supply you with literature telling you how to re-; store the finish to your
