How the Bank can help the Farmer

THERE are scores of ways in which your Bank can help you—methods that will surprise you by their convenience and safety.

Take the sale of an animal. If it is a cash transaction, you can ask the purchaser to send you a marked cheque or your bank will attach a sight draft to the bill of lading.

If it is a time sale, your banker will handle and collect the note.

Our manager will be only too glad to outline to you the scores of ways in which he can serve.

SPRING'S DRIVE

By Edgar A. Guest.
Spring will shortly launch her drive! All the winter long she's planned How to free the frozen land. Sabbath trenches she will storm With her gentle sun and rain, And with mornings that are warm She will win the world again.

From each field and hill and stream She will drive the tyrant strong. And her cannonade will seem Nothing but a robin's song. All her troops are marshaled now, Keen and eager for the fray, And with blossoms round her brow Spring will bravely lead the way.

Men may charge with shot and shell, Men may come and scatter death, Men may make the world a hell, But with perfume on her breath And with blossoms in her hair, Spring shall range a lovely strife And to dead and frozen lands Bring the magic gifts of life.

Winter from his throne shall fall, Every brook that seeks the sea Shall awake at springtime's call And resume its revelry. There shall be no cry of pain, No toilsome eyes at God to blame, Men shall find along her trail Only life and blossoms rare.

CAMP BOARD HELD FIRST MEETING

The first meeting of the Board of Directors for Camp Cedarvale was held in Brantford last Thursday evening. The board decided that July 3rd to 10th, inclusive, would be the most suitable dates. Mr. P. J. Laird of Georgetown, who so ably acted as director last year, has consented to return in the same capacity this year. It has not yet definitely settled as to who will be instructor this year, but it is reported that either Mr. Finlay or Mr. Long will find it convenient to come back again. It was also decided that a girls' camp is being planned by Mrs. Neelands of Mono Road. Several improvements have been suggested, and as many groups already have expressed their desire to come in a body, it looks as if the camp will be almost double the size this year. Groups are expected from Burlington and Georgetown, as well as from Peel County.

The following committees were appointed: Camp Promotion: O. T. Walker, R. D. Boyle, C. V. Charters, A. S. Noble, all of Brantford. Business Management: A. T. Haines, Cheltenham; P. J. Laird, Georgetown; C. Eubandi, Brantford; M. Ashby, Brantford; O. H. Turney, Strickville. Programme: W. T. Rayson, Brantford; Rev. Wm. McKay, Strickville; Rev. A. Harden, Cookville; Rev. J. Dugdale, Port Credit; Rev. Knight, Bolton; A. G. Davis, Brantford; Mr. Fred Henderson, Bolton. Registrar, Alan Noble, Brantford.

LACROSSE DUE FOR REVIVAL

The annual convention of the O. A. L. A., held at Prince George Hotel, Toronto, on Good Friday, was one of the most successful in the history of the body, and if the plans that were laid there at the meeting the night before are carried out, Canada's national game is due for a great revival. There was unbounded enthusiasm at both meetings and the delegates are wholeheartedly in favour of spreading the game amongst the school boys and youths of Ontario and Canada as a whole. At the luncheon that is held every year, Mr. E. A. Coombes of St. Catharines, who is himself a school teacher, spoke of the great benefit to all school boys, both as a body-builder and as a bulwark of manliness and courage. One of the most prominent men in the lacrosse world and honorable president of the C.A.L.A., Mr. Joe Lally, of Cornwall, Ont., outlined the aims of the Canadian body. Mr. Blaney Maguire, of Orangeville, one of Canada's foremost players, who has played only two conventions in fifty years, was an enthusiastic delegate. The new officers can be depended upon to boost the game in Ontario.

ACTON

Mr. and Mrs. G. W. Masales, and Mrs. and Mrs. Kenneth McKinnon went to Toronto on Sunday to visit Mr. McKinnon of Brantbridge, who was visiting his daughter, Mrs. J. Bell, there.

Mrs. Jennie Irwin of Sudbury, was a guest this week of Mr. and Mrs. J. L. Kennedy, who enjoyed a visit back to the old home town of her birth and girlhood days.

Mrs. J. A. Cheer, of Richard's Landing, Algoma, arrived on Tuesday afternoon to be with her sister, Mrs. C. O. Russell, during the trying days of her bereavement.

Messrs. Charles A. G. Matthews and Ernest Black, of Toronto, came home from the city to try the trout streams of their younger days on the first of May, as of yore.

Mr. and Mrs. Fred N. Beardmore, of Montreal, and their daughter, Adelaide, sailed on May 5th by the Minneapolis for England, and will remain abroad for two years. Miss Adelaide will attend school in Paris, and Mr. and Mrs. Beardmore will travel on the continent.—Free Press.

OBITUARY

Mrs. John McGibbon
The dear late Thursday of Margaret McNaughton, wife of Mr. McGibbon of Esqueping, is mourned by a great many old friends and neighbors. Mrs. McGibbon was in her eighty-fourth year and had spent her life in the township. She was a daughter of the late Samuel McNaughton. She married to Mr. McGibbon over 64 years ago. Though she had lived to such a good old age, she had never been strong, and her health began to fail about two years ago. She was a Presbyterian, a lifelong member of Boston Church, and was survived by her husband, four sons, Samuel H. Georgetown; Peter, Daniel and Archie, all of Esqueping; two daughters, Mrs. R. Shortill, Toronto, and Miss Jennie, at home; twenty-one grandchildren, seven great-grandchildren, two brothers, Malcolm, and pres. McNaughton, Michigan; and one sister, Mrs. Alex. Mitchell, Harbor Springs, Mich. The funeral took place on Monday from the homestead to Evergreen Cemetery. It was very large. The services were conducted by Rev. R. McDermott, of Bowmanville, a former minister of Boston Church. Among those present from a distance were two nephews and a niece, Dr. Peter McGibbon, M.P. of Brantbridge; John McGibbon, Esqueping; and Miss McPherson of Flint, Mich.

Here and There

Immigration to Canada in 1925 totalled 84,907, of which 35,362 was contributed by the British Isles, 17,117 by the United States, and 31,828 by other countries. In addition 39,989 Canadians who had established homes in the United States and resided there for a period longer than six months returned to live in their native land.

A new cash-on-delivery parcels system has been inaugurated at Post Offices all over Great Britain. Parcels up to the value of £40 (about \$195) may now be posted at any post office to any address in Great Britain, the value being collected by the Post Office authorities and remitted to the sender. The system seems to be meeting with success.

Business conditions on the Pacific Coast continue on the upward trend with great activity in construction work. The lumber industry outlook is brighter and there have been important developments in new sawmill construction. The fishing industry is on a better footing, pulp and paper mills are active and additional power programmes are being worked out.

A. M. Johnson, President of the Canadian Club of Boston, visited Montreal for the first time on the new "Redwing" train now running between the two cities on Canadian Pacific lines. In telling of the charitable and naturalization aid given Canadians by the Canadian Club of Boston, Mr. Johnson said that there were some 900,000 Canadians in the State of Massachusetts, of this number 80,000 are in Boston.

Sir Esme Howard, British Ambassador to the United States, stated on his arrival in Toronto on a C.P.R. train that the question of European peace was the most pressing, and immediate problem of the day. It was necessary for Great Britain to assist in maintaining peace and the League of Nations offered a suitable vehicle. Sir Esme claimed that if the League disappeared England would be compelled to join some European coalition against another country which threatened to dominate the continent.

Net earnings of the Canadian Pacific Railway for March were \$2,824,177, an increase of \$709,965 over the same period last year, and the best March net since 1918. For the three months ending March 31 net earnings were \$8,631,067, an increase of \$2,676,385 over the corresponding period of last year and the best showing for the three months since 1917. Gross earnings for the same period were up \$1,350,271, while expenses increased only \$623,396.

The development of tourist traffic to the Dominion has been one of the most noteworthy events of the Canadian economic situation in the past year. Holiday makers of the United States apparently find Canada's vacation charm irresistible as the number of visitors shows large increases every year. In 1925 2,429,144 United States' automobiles entered Canada for touring purposes as compared with 1,882,216 in 1924. A new record is expected this season.

Speaking at the Canadian Daily Newspaper Association meeting at Toronto recently, E. W. Beatty, President of the C.P.R., said there is no class of worker more closely in touch with, or more soundly informed of, the problems of the country's industrial life than the railway and newspaper-workers. Each was building up the country as he served the actual needs of the community. Mr. Beatty was a supporter of the universal willingness of the Canadian press to get behind appeals that must be made to the public on behalf of works of charity, civic benefit and education.

OLD-TIME FIDDLERS' CONTEST

An Interesting Event in Connection With Centenary of Acton Citizens' Band.

In the report of the concert given in the Town Hall, Acton, on Wednesday evening of last week, The Free Press contains the following:

The Fiddlers' Contest had six entries, but owing to the bad roads, three from Hillburg were unable to attend. But the small list of entries was no deterrent to the vim and enthusiasm with which the event went off. The three entries with all the niceness and accuracy with which he has contributed all his numbers. Dr. David Tarzwell, who won the second prize in the Guelph contest, also contributed a couple of the old-time tunes that called for hearty applause.

In the contest playing Mr. H. Shortill was awarded the first prize cup; Mr. Wm. Mason the second prize cup; and Mr. Nickell received a box of cigars.

Badly Burned

Mrs. W. H. McNeil, of Nelson Township, had a narrow escape from being burned to death on Wednesday of last week. The fire in the coal stove had become very low, and in order to revive it she poured coal oil on the coal, which caused an explosion, the blast from which ignited her dress, and she was badly burned on the hands and face before the flames were put out by members of her family.

Lizards at Normal

Two creatures resembling lizards have been caught in the Credit River at Normal, and many of the villagers are reviving the story of the child in Northern Ontario which was killed by the bite of a very much similar lizard last year. In appearance the creatures are of a mottled grey, and about three inches long. Members of the village are somewhat alarmed, as, at the spot where the lizards were taken the children of the village are in the habit of bathing during the summer.

Meeting of Medical Society

The annual meeting of the Wellington and North Halton Medical Society held in St. Joseph's Hospital, Guelph, on Monday, May 3rd, was attended by members from Mount Forest, Palmerston, Acton, Georgetown, Milton, Erin and Guelph. Able addresses were delivered by Professor Van Wyck and Professor Duesan Graham, of Toronto University. After the meeting the Sisters of St. Joseph's very kindly served tea, which was much appreciated by the medical men. The following officers were elected for the ensuing year: Hon. Presidents: Dr. Groves, Perth, and Dr. Coleman, of Palmerston; President, Dr. Angus, of Mount Forest; 1st Vice-President, Dr. Bennetto, Guelph; 2nd Vice-President, Dr. Gowland, Milton; Councilors, Dr. Robertson, Flora; Dr. Kibby, of Guelph, and Dr. Williams, Georgetown. Treasurer, Dr. McCarter, Guelph; Secretary, Dr. Wallace, Guelph.

Smile a While

Though days are dark and trails be tough it's always well to make a bluff, to face the world with cheerful eye, as though the globe were laughing high. No merchant ever made a friend by dire complaining without end. And people never seek a store to hear a grumpy merchant rant, they'll patronize the wiser gear, who doesn't air his discontent.
