Mother spent the Winter
---in California

This is a true story—a young business man tells it.

"SOME people thought my father was extravagant. He wasn't.
"Father was known to enjoy life. But he carried a lot of life insurance. Then he used the rest of his income to enjoy life."
"He died young—but—mother was able to help her two sons through university, and now she is able to keep herself in comfort. Mother spent the winter in California."
Provide for your responsibilities by means of Life Insurance—and enjoy freedom from worries. But be sure your responsibilities are fully provided for.
