#### ADDRESSES PRESENTED

Following are the addresses referred to in last issue, which were presented to Rev. and Mrs. Caldwell and the Misses Caldwell:

Dear Mr. and Mrs. Caldwell. It is with very deep regret that we your friends and fellow workers of the Georgetown United Church realize that all too soon we have come to the parting of the ways; that your path leads you to a new home and a new field of Christian work, while we romain to miss your presence and your guiding hand in all our church activities. We would not like you to go main to miss your presence and your! without telling you how much we have appreciated your work among us. We have learned to respect and admire you for the high Christian ideals you have held ever before us and have lived up to yourselves. We have to learned to love you because of the unselfish and generous way in which you have devoted yourselves to the work of this congregation, visiting the sick, helping the poor and the needs, sympathizing with those in trouble, pointing out clearly the way of salvation! as the Bible teaches it, fearlessly |

an example of the "Jesus way" of living. We cannot estimate too highly the good influence you and your family have had on the lives of our young people by your loyalty and faithfulness in every department of church

## 993 Miles in 21 hours 18 minutes Averaging 46.61 Miles Per Hour

AGAIN!.. a strictly stock Pontiac Six Coach proves its speed, stammia, endurance and sturdiness of construction by clipping 5 hours and 50 minutes off the previous record made by an open car, from El Paso to Los Angeles,

. by beating the fast Golden State Limited train by/2 hours and 2 minutes - by exceeding the fastest time ever made

between these points except by airplane.

by covering the 993 miles of deplorable roads over mountains almost a mile high and across deserts 250 feet below sea-level, without a repair, mechanical adjustment or fire change 993 miles at an average speed of 46.61 miles per hour is more abuse than an owner would give his car in driving more than 25,000 miles

Less than 60 days ago the Pontiac Six broke the Los Angeles - Albuquerque Record and established a new round trip record.

These are performances never before accomplished by any motor car -large or small-performances that prove the Pontiae is built to withstand the roughest going.
