TURNED CARD GAME INTO SERVICE OF PRAISE

ist, author and lecturer. He has lectured in every city in the Dominion and in 75 per cent. of the towns.

One autumn he had been camping in the Hudson Bay district and had reached the railway on Sunday on his return fourney to his home in Kingaville, Ontario. Knowing all the engineers, he flagged the express which would take him to Toronto. The conductor soon recognized his passenger as the widely known naturalist, and be was ushered to the stateroom in the parlor car. As the evening in the parlor car. As the evening in the car approached Mr. Miner and, as saying there were only three men on the car, asked him if he would make a fourth and spend the evening playing cards.

Conductors and lecturer. He has lect Thursday afternoon and evening, July 8. Fully one hundred members, neighbors and friends of the family 8. Fully one hundred members, neighbors and friends of the family 8. Fully one hundred members, neighbors and friends of the family 8. Fully one hundred members, neighbors and friends of the family 6. Fully one hundred members, neighbors and friends of the family 6. Fully one hundred members, neighbors and friends of the family 6. Fully one hundred members, neighbors and friends of the family 6. Fully one hundred members, neighbors and friends of the family 6. Fully one hundred members, neighbors and friends of the family 6. Fully one hundred members, neighbors and friends of the family 6. Fully one hundred members, neighbors and friends of the family 6. Fully one hundred members, neighbors and friends of the family 6. Fully one hundred members, neighbors and friends of the family 6. Fully one hundred members, neighbors and friends of the family 6. Fully one hundred members, physical limits, and that the frequency of fatal accidents tended to indurate the sensibilities of the kindly-hearted. But when lovely youth in its hours of happy fellowship is swallowed up as the carly provided under the support of the afternoon ware fatal accidents tended to indurate the carly provided under the support followship

Jack Miner went back to the men and said to them: "Gentlemen, I never play cards, and I wouldn't think of playing on Sunday—the Lord's Day —but as an alternative will you join assisted by a number of her neighbors and other ladies. The remain—upon the world into which it has

As the song service ended all agreed that they had spent one of the most unusual and pleasurable evenings they had ever experienced during the course of a railway journey.

SAYING IT IN SLANG

Another college professor has just the person to be registered need not appear before the revising officer in person, as was required in the last seems to be dull compared with that seems to be dull compared with that of some of the insects. A man will seems of which people of this continent are so fond is the bunk.

The person making application for the registration need not even be a get back without any help. Office

Accidents in which larger numbers of matured men have lost their lives do not take such a hold Over One Hundred Members of the Family Held Happy Gathering in upon the hearts of the people at large. Unhappily the newspapers abound in reports of deaths at crossings, deaths caused by somebody's recklessness on Very few men in Canada are better Mr. and Mrs. Richard Younge, lot the highways. These are read about, known than Jack Miner, the naturalist, author and fecturer. He has lectured in every city in the Dominion 8. Fully one hundred members, physical limits, and that the frequency of the family physical limits, and that the frequency

with me in singing some old gospel bors and other ladies. The remainder of the evening was then pleasant was swim for its hymna?"

So these four men, instead of playing and started singing such songs as "In the Sweet Bye and Bye." A minute or so later, from the far end of the car, where the remaining pasengers—about a dozen ladies—were seated, a voice joined in, and it was found to be the voice of a noted concert singer. It was not long before the occupants of that whole car were singing. There was no card playing that night.

As the song service ended all agreed GETS WORD TO DEPOSE TO DEP Man likes to think of himself as the pride of creation; but it would Judge Elliott, chief revising officer for the coming election by virtue of his office as county judge, has received instructions regarding the registration of the materials and the registration of the registration of the materials and the registration of the materials and the registration of the reg tion of the vote for the next election. ways man makes but a sorry com-The most important change in the parison with some of his contempor-regulations is that at the next election aries. There are birds which have just the person to be registered need not surer vision with the unaided eye than

that modern dances conform to the rules of the Spanish fandango.

Yet the fandango and the English is not sufficient. A reasonable exproximately the same time. Usage is stronger than dictionaries and pursists. All the world now goes to the "movies." There was a word that lighten their duties by depending on the ngents of the candidates.

No one can run the other fellow's job as well as his own, though he may until he is able to do so, said Rev. D. Ferry after a week as editor pro tem of The Yakima Daily Republic.

The Presbytorian minister took the position after a series of arguments with the editor, C. W. Robertson, about the Republic's editorial policy, especially in regard to the prohibition and its enforcement.

am not going to try and find any rest in the editorial chair. It isn't there." Means New List

Judge Elliott explained that new voters' lists must be prepared, and that the lists new used in the last general election could not be used. He believed that 1925 voters' lists would be used as a basis, and that all the names appearing in Part III. would have to be registered, because there be given pleasant sounding Indian names instead of unimaginative numbers. Many tourists of the province, according to the paper, are of the

Death struck a double blow at a well known Hillaburg family, when two brothers, though widely separated, died within a day of each other. WHILE BATHING IN RIVER Samuel Huxley, aged 70, died at the than to drive into it over highways number 7 and 2, as is the case at present."

The idea might be worth considering. There is very good reason why certain Indian names should be perpetuated, apart altogether from the increasing of Toronto's trade in tourist supplies. And if the highways are to be Indianised, why not go a little liberally decorated with such signs and notifications as "Hotdogs," "Camps for Tourists." "Gasandoil," "Camps for Tourists." "Gasandoil," "Camps for Tourists." "Gasandoil," "Tourist as he speeds along, and it is about all that a good many do see to indicate the character of the landscape. Would it not be a good idea to turn these highway ornal processing of the landscape. Would it not be a good idea to turn these highway ornal processing of the landscape. Would it not be a good idea to turn these highway ornal processing that it is about all that a good many do see to indicate the character of the landscape.
