

Births, Marriages and Deaths are now charged for at the following rates: Births, 50c; Marriages, 50c; Deaths, 50c; Memorial Cards, 50c; 10c per line extra for poetry.

Born

JACKSON—In Toronto, on August 9, 1928, to Mr. and Mrs. Gordon Jackson, (nee Edna Shearer), a son—Vernon William Gordon.

Married

EDIE ROSS—At Hamilton, on Aug. 11th, 1928, by Rev. S. B. Wilson, Patricia Lillian, youngest daughter of Mrs. Melissa Ross of Georgetown, to Stanley Edgar, youngest son of Mrs. Eliza Edge, of Hamilton.

Died

POILE—In Georgetown, on Saturday, Aug. 14th, 1928, William James Poile aged 58 years, 6 months.

KNOTT—At the residence of her son, 225 Sherbourne St., Toronto, on Wednesday, Aug. 11th, 1928, Martha Knott, aged 88 years.

NICKLIN—At St. Louis, Mo., on Monday, Aug. 27th, 1928, Edward B. Nicklin, formerly of Acton, in his 67th year.

Notes and Comments

ANY young man who is dissatisfied with the farm and is seeking an opportunity to get away would do well to take a look at the long list of teachers who graduated recently from the Normal Schools in the province. In addition to this is the list of new lawyers, doctors, dentists, druggists, engineers and other professional entrants that have qualified to these callings. There are many more of them than there are openings.

Obituary

Law Pioneer Days Here—Mrs. Martha Knott, widow of the late Lewis Knott, who died yesterday at the home of her son, John A. Knott, 526 Sherbourne street, at the age of 93, came to this country from Ohio as a child and remembered vividly many of the early historic incidents of both Canada and the United States. Her husband came one of the pioneer stocks of the Toronto district, his people settling here about 1790. All her life Mrs. Knott had been an active church worker in the Methodist church. She is spoken of by those who knew her as leaving behind a remarkable legacy of sympathy and endurance. Mrs. Knott's life had been spent in western Ontario, Winnipeg, and the last two years in Toronto. Her son, John A. of Toronto, survives her. The funeral was held on Friday, with interment at Glenwilliam.

Correspondence

Many farmers are thinking of sowing fall wheat on the ground on which the turnip crop has been destroyed by the aphid. The question has arisen regarding the most economical fertilizer to apply. Assuming that the ground was not economically used, we would advise the use of acid phosphate alone, at the rate of 300 to 400 lbs. per acre. This fertilizer should be applied at the time of sowing the wheat, preferably by means of the fertilizer attachment to the grain drill. Where such an attachment is not available the acid phosphate should be sown broadcast and worked into the soil previous to sowing the wheat.

In our experimental work with phosphorus on fall wheat in 24 counties of this province, we obtained 40 per cent. more wheat per acre where acid phosphate was used than from the check plot. In as much as the turnip ground was manured and well cultivated and hence probably contains sufficient available nitrogen we think it would be more economical to use straight acid phosphate than the more expensive mixture containing nitrogen.—Dept. of Chemistry, O. A. C. Guelph.

Tennis

The draw for the Annual Trophy Tournament of the Georgetown Tennis Club is as follows:—
1. Tournament for old Members
Men's Singles—J. Farmer vs. C. Wilson; C. Wyndam vs. A. Beaumont; A. Craig vs. D. C. V. Williams; T. Singha vs. R. Cameron; C. Ugelman vs. L. R. Dale; H. G. McR vs. J. R. Barber; T. Imbleau vs. J. Thompson; J. Orlinton vs. W. B. Ford.
Ladies' Singles—Mrs. Cleave vs. M. Tearon; R. Minns vs. Mrs. Williams; Mrs. Creelman vs. J. Thompson; E. Owens vs. J. Wilson; E. Beaumont vs. Mrs. Kelly; Bye—Mary Lawson.
2. Tournament for New Members
Men's Singles—H. Marshall vs. L. R. Atkins; V. Norrington vs. A. Tyndal.
Ladies' Singles—M. J. Kennedy vs. Mrs. Atkins; M. E. Pettit vs. R. Evans; C. Whitmore vs. M. McDonald; M. McKay vs. M. C. Kennedy; H. Lane vs. L. McDermid; D. Frampton vs. L. E. Kennedy; Y. Adams vs. E. Erwin; Bye—Joan Allen.
Rubie—First round to begin Mon. Aug. 23rd and to be completed by Wednesday Sept. 1st. Sets to be best in two out of three. Players to arrange themselves for a referee for each game. Entry fee of 25c to be paid to the referee during first round.

Business Men's Community Picnic

THURSDAY THE BIG DAY

Much interest is being taken in the big Community Picnic to be held at Eldorado Park, tomorrow, Thursday afternoon. The picnic is a new scheme of our retail merchants as a way to entertain their friends and customers of the town district. There will be no admission charge as every one will be the guests of the business men. Georgetown Band will be in attendance and a fine program of entertainment has been arranged for. During the afternoon there will be races for boys and girls, men and women; novelty events of an amusing character; special prizes for largest family, oldest lady, oldest gentleman, finest baby and a long list of other events published elsewhere in this issue.

On returning from Eldorado there will be big doings in town. An old Time Fiddler's Contest, Community Song Fest and a Community Street Dance are among the attractions. Hundreds of dollars worth of prizes will be given for the various contests, some of which may be seen in W. A. Bailey's windows. It is hoped all our citizens will heartily join in this big event, bring their baskets and make it a real picnic. Free tea, coffee, milk and sugar will be provided. Special Radial cars leave Georgetown at 1:30 p.m.

Norval

Miss Ashcroft of Toronto was a guest of Miss Smellie over the holiday.

Mrs. Wallace of Brantford is visiting her sister Mrs. J. McPherson. Mr. Geo. Gollop of Windsor spent last week at his home here.

The Norval branch of Women's Institute will hold their August meeting on Thursday, Aug. 16th at 2:30 p.m. at the home of Mrs. Lewis Laird sr. An interesting program is being prepared and a cordial invitation is extended to all ladies to attend. On Sunday morning, August 1st last, Dr. W. A. Kyle, who has since July 1923 faithfully ministered to the congregations of St. Paul's Church, Norval; St. John's Church, Stewartown, and St. Stephen's Church, Hornby; took charge of the communion service for the last time as Rector of the parish, "St. Stephen's."

Prior to their departure, Dr. Kyle was waited upon by the wardens from three congregations, and presented with the following address:—To our well beloved Rector, Dr. Wm. A. Kyle:—

The congregations of St. Paul's Church, Norval; St. Stephen's Church, Hornby; and St. John's Church, Stewartown, feel that they cannot allow you to depart from their midst, without in some manner expressing to you, and to your family, the respect which they feel that your three years of spiritual service in our midst, are closing with your removal from the parish.

We realize that to a large extent, impaired health over an extended period has forced you to resign this trust to a point where the territory to be covered will not be so large, and we sincerely trust that you may rapidly on your way to renewed health and strength.

During your three years as Rector of the United parish, you have endeared yourself to many, and your untiring efforts for the Master, and the good of this church have borne fruit in many ways throughout the entire parish.

We regret that we will carry away with you many pleasant memories of your three years as Rector of the parish of St. Paul's, St. Stephen's and St. John's. In bidding you farewell, we cannot but express to Mrs. Kyle our appreciation of her work in the parish and the manner in which the Rectory has been thrown open at all times for Vestry and other meetings.

As a more tangible expression of our good will, we ask you to accept this purse, and assure you that it is presented to you with the good wishes of all three congregations.

Once more we give expressions to the loss we feel at the time you approach the time of your departure. We wish God speed to you, and to your family, and we assure you of the pleasure with which you will at all times be welcomed in any part of the parish.

Forest Fires—Your Responsibility

The question arises, are we to have our regular 5200 fires in Canada this year? It remains with you! Up to date we have had a good fire record in Eastern Canada. Our fire losses are relatively small, one reason is wet weather and, another, increased care on the part of the public, through Educational Campaigns. How may we make the most satisfactory fire year in our history? By a little thought in preventing fire from occurring, or by co-operating with the fire fighting service when fires break out, by warning the ranger or District Forester or Fire Inspector, by lending a hand when the fire is small and easily controlled, etc.

A little care for you not start a fire. A little thought in preventing fire from occurring, or by co-operating with the fire fighting service when fires break out, by warning the ranger or District Forester or Fire Inspector, by lending a hand when the fire is small and easily controlled, etc.

Make sure that you do not start a fire by careless cigarettes, cigarette butts, cigar stubs or pipe heel. Make sure, in locating your camp fire, that you make it small, near water, on rock, with a wide clearance from brush pile or debris. Make sure that when you leave, your fire is dead out. Use half a dozen patties instead of one. If your fire is not out, carefully trench and see that there are no roots or faggots to carry fire across your fire and always puddle your fire before leaving it. Remember, one little ember in brush is enough to cause hundreds of dollars of damage. Do not leave it to the other fellow! Do it yourself.

Protection and Management

The recent European war and its aftermath brought home to the world a multitude of strange economic facts, many of them as old as civilization, but to that time wholly unrecognized. One of the outstanding lessons taught mankind was that there is absolutely no limit to the amount of work to be done in this world; or to the amount of business to be developed. The truth is that over-production is inevitable. The purchasing power of every country lies in its own power of production and the more each country produces, the greater may be its trade with other countries, and the more they all produce together, the greater the variety and abundance of commodities available for the world's population.

What Canada, and many other countries, has suffered from during recent years, and what has given rise to general unemployment, is not over-production, but unbalanced production. While Canada's population has been unequally distributed, our aggregate working force has been, and still is, vastly below our minimum national requirements. With millions of acres of the world's richest agricultural lands lying idle and undeveloped, and the world clamouring for food, it is paradoxical to harbour an unemployment problem. Wide-spread unemployment, under such conditions is prima facie evidence of bankrupt statesmanship, in so far as sufficient intelligence and energy has not been focussed on the solution of a problem which obviously lends itself to correction by well known and proven methods.

In a vast country like Canada, containing within its boundaries so great a wealth of natural resources, there should be only two major problems in public policy, first, to provide for the gradual development of those resources by the introduction of new capital and by promoting a healthy increase in the working population, and secondly, to so direct the quest for and distribution of such new population as to insure, as far as possible, that the development of those resources be such as to ensure a fairly balanced national production. Canada's present primary need is an increased rural producing and consuming population. With this need supplied, our industrial and transportation plants would be working over-time. Farm and Ranch Review.

Girls' Board at Cheltenham. Cheltenham Women's Institute gave the school girls of the district a chance to air their talents at the regular meeting Wednesday afternoon, held at the home of Mrs. Margaret Lyons, with Mrs. John Troughton in the Chair. Miss Elizabeth Lyons told of the Runaway Grandmother, Miss Miriam Haines gave an organ solo, while Mrs. Bert Taylor told How to Wallop Worry. Mrs. Garnet Wilkinson's demonstration on cookies and the Rev. Dr. Kyle made a most fitting reply asking the wardens to convey the warm thanks of Mrs. Kyle and himself to the congregations which they represented. He regretted their departure from the Parish and treated that the same hearty co-operation would be extended to the incoming rector at all times characterized his relationship with each member of the three congregations.

The Rectory in Norval will be vacant, and the services in the three churches conducted by relief arrangements. By the Bishop of Niagara until the first Sunday in September, when the Rev. W. J. Baugh will take charge of the Parish, coming here from Palmerston, Ontario.

Mr. and Mrs. Theo. McIntyre and daughter Miss Doris of Windsor are visiting at R. Watson.

Announcement—R. Watson will re-open his store in Norval on Saturday Aug. 21st with a full stock of fresh high-class groceries, confectionery, fruits, vegetables, etc. Also school supplies. Goods delivered. He solicits the patronage of old and new customers.

The detour on No. 7 Highway, between Norval and Beaufort, has increased traffic greatly down the 7th line. Motorists prefer the eight miles of Trafalgar cement highway to Dundas Street, rather than the rough road and numerous level crossings by way of Centerville.

Opportunity Knocks—but once...

Having Purchased all the return C.O.D. orders and uncalled for orders of the well-known high-class tailoring firms of Leishman's and The House of Stone, you are now able to obtain

A Hand-Made Suit
the regular value of which, is from \$40.00 to \$75.00 for
\$24.75
The sizes run from 36 to 42 and all are of the latest patterns.

If any of these suits will fit you this is your opportunity to secure one at this extraordinary price. Call in and look them over.
