An' say yer fishin's threw ? Iv course yew ain't, yer guin' ter fis An' fish an' fish an' wait Until yew's ketched yer basket full An' used up all yer bait.

An' yew will pull him in !

Suppose succession't come at fust, What be yer goin' to do? Throw up the sponge an' kick yersel Ah go ter feelin' blue? Uv course yown ain't, yer goin' An' bait an' bast agin; Bimeby success will bite your hook, '

Roman Catholic faith, while they were are strongly declared and more common to hold family reunions, or a gathering of the champion of both civil and religious the fine estate of Wartle, for at least through the use of the auto, that aerved under Gustavus Adalphus,king through the use of the auto, that aerved under Gustavus Adalphus,king makes travel for even long distances of Sweden, in the interest of the auto, that aerved under Gustavus Adalphus,king makes travel for even long distances of Sweden, in the interest of the auto, that aerved under Gustavus Adalphus,king makes travel for even long distances of Sweden, in the interest of the auto, that aerved under Gustavus Adalphus,king makes travel for even long distances of Sweden, in the interest of the auto of the auto, that aerved under Gustavus Adalphus,king makes travel for even long distances of Sweden, in the interest of the auto of Wartle in my day, William Leslie, Esq., was a most progressive at time-have I seen ism walking afoot over his estate, always having in his hand a sturdy walking cane with a settled near to each other, but in time of the greatest soldiers of his day. In 1639 he was strongly urged to return to Scotland to lead the forces of homes for themselves, and with much the Covenanters against the despotic on the estate became models of clean homes for themselves, and with much the Covenanters against the despotic to do, and long distances to travel forces of King Charles I. It would tidyness, fertile and productive. He not very easy, even letter writing take long to tell of all his doings in helped his tenants to make good and would become infrequent and near the interests of his own and his fol-

the past they have arisen or will arise.

The Leslie family, or clan (for it is a recognized Scots clan with its Clan tartan like the other clans) has had a long and honorable history with, on its family roll, many noted names in all departments of hymnic parties and effort, statestien, churchmen, men of letters, men of affairs, soldiers, artists and men affairs, soldiers, artists and men of affairs, and affairs, soldiers, artists and men of affairs, soldiers, artists and men of affairs, and affairs, and affairs, soldiers, artists and men of affairs, soldiers, artists and men of affairs, and affairs, a is derived from the name of a district in Fifeshire, a county farther south in Scotland than Aberdeen-

and beautifully situated estate and mansion house in the parish of Leslie, which this writer has often seen.

To follow the fortunes of even a few of the most prominent members and branches of the family would take many, many pages. Suffice it to say that the name occupied a frequent place on the pages of Scottish history all down the conturns and were that accomplished prelate, John this went for catering in the hotels and beautifully situated estate and

men as Dr. Samuel Johnson, for the family that goes further back than acuteness of his intellect and for his 50 years. The church which I atclear and logical reasoning. He died tended and went to Sunday School at his home in Monaghan County, as a boy in my own native parish of

Next on the bend roll of fame in the Leslie family was Alexander, first had been the Celebrated general of the Presbyterian army during the civil wars in the time of the Stewart kings, who tried to fix episcopacy on Scotland, very greatly against the will of the Scots, who were very largely and very firmly of the Presbyterian faith, many of them signers of the "Solemn League and Covenant," binding them to the faith of their fathers and hence called "Covenant," binding them to the faith of their fathers and hence called "Covenant," words being the crest and motto of one prominent branch of the Leslie service in Holland against the forces one prominent branch of the Leslie of Spain, a counter that then tried family. For also on the monument to deprive the Dutch of their loved stand the words "Here lie the Leslies freedom and independence as a na. of Wartle and Folla from 1915." tion and to fasten upon them the Roman Catholic faith, while they were though their interment in the grace-

Earldom of Leven:

in the same year. Next and fifth on the list comes Charles Robert Leslie, born in 1794 and one of the most popular of English painters. His parents were American the banks of the Don at some distance. These Leslies were good landlords, but Roman Catholic in their faith. south in Scotland than Aberdeenshi.e

The most reliable authority "Chamber's Encyclopaedia," gives Aberbeenshire as the original home of the familly, and this writer adheres to that
as it is his own native shire or county,
and the parish of Leslie he is familiar
with, for but one parish lies between
the parish of Leslie and his own native parish of Rayne, to the east of it.
This establishes the antiquity and
of the large family, found now all
the world over, to know that the
present male representative or chief
of the clan Leslie is Sir Norman Rodorick Alexander Donald Leslie, eighth
Baronet, C.B.E., of Wardes, a fine
and beautifully situated estate and
beautifully situated estate and
beautifully situated estate and
cone of the most popular of Engin their faith.
Colonei Leslie, the Lord of Ralquhain in my day, wrote and piblished
in three volumes in 1869, "Historical
Records of the Family of Leslie." I
read the books before I left Scotland,
but didn't own them.

August 6, 1926.

At Cooksville four boys were fined
for interfering with C.P.R. property.
They got up on freight cars and released the brakes, and the cars travdeled, doing damage. Each one was
fined \$10, including costs.

A decrease of 15,000 passengers on
the Kitchen-Waterloo street railway
to this side of the Atlantic. In fact,
the parents were Amercolonei Leslie, the Lord of Engish
hain in my day, wrote and piblished
in three volumes in 1869, "Historical
Records of the Engish painter, of American parentage did not stay long in the United
States, he found more appreciation
and scope for his talents in England,
where most of his great pictures were
produced. This Leslie was not only
a noted painter, but also the author
of popular books on his profession,
be sides being the writer of the life
of Constable, a great artist of his
the world over, to know that the
present male representative or chief
of the clan Leslie is Sir Norman Rodtime. He died, it might be said, with
brush in hand, in 1859.

Last but not leslie family
the vo

Last but not least on the list of A decrease of 15,000 passengers on

quent-place on the pages of Scotlish history all down the centuries, and the pages of the histories of other countries as well. For during the leasile, Bishop of Raphoc, the father countries as well. For during the lattice of an eminent Lealie dealt with here, countries as well. For during the lattice of an eminent Lealie, author of the famous book, "A Short and Easy Method with here generals of the name in service in as many different European countries. In 1296 Norman De Lealie was appointed sheriff of the County of Aberdeen, Sir Andrew De Lealie was prominent in 1520 as an asserter of the independence of Scotland. Of his four sons, George became the ancestor of the Leslie of Balqubain (pronounced Bawhine), from whom described a line of Dukes and Rothes and so on all down the line.

To particularize I shall tell a little about half a dozdn Leslies all eminent in their callings, and achievementa and then deal with a few families nearer our own times among whom or near whom I lived in my early years.

First then comes John Leslie (R.C.)

of women, Mary Queen of Scots. He top of the tree, in different lines of was born just 400 years ago, and human enterprise and noble achievelived to the age of 70 years, years filled in manhood with the most strenuous activity to comfort, cheer and save his queen. He was a sturdy champion in early Reformation days of the Roman Catholic religion, and held high dispute in defence of the same with the great Scots reformer, John Knox. He was more than once committed to prison in his seal for the cause of his Queen and of his rethe cause of his Queen and of his religion. He wrote a History of Scot land in Latin up to his own time and many other a bushel. Be it remany other learned books. He rose membered that, let our talents be shower of small stones over the busito the dignity of Archbishop of Rouen in France before his death near Brustrictly to account for the use we had been still a little rough.

A sudden thundering blast, with a shower of small stones over the busimany or few, we will all be called the rose of the strictly to account for the use we had the rose of the rose over the busiment to the dignity of Archbishop of Rouen many or few, we will all be called the rose of the rose over the busimany or few, we will all be called the rose of the rose over the busiment to the dignity of Archbishop of Rouen many or few, we will all be called the rose over the busiment to the dignity of Archbishop of Rouen many or few, we will all be called the rose over the busiment to the dignity of Archbishop of Rouen many or few, we will all be called the rose over the busiment to the dignity of Archbishop of Rouen many or few, we will all be called the rose over the busiment to the dignity of Archbishop of Rouen many or few, we will all be called the rose over the busiment to the rose of the rose over the busiment to the rose

Of a very different faith was The writer of the foregoing notes were tearing out the sluice-way at Charles Leslie, also a noted Church- may be allowed to close with a few Leitch's Mill, in which dynamite was man, but of the Protestant belief, words indicating his intimacy and used. A stone pierced a large window and also a noted author, one of whose knowledge of some of the members of in Magill's Hardware and a large and also a noted author, one of whose books, "A Short and Easy Method with the Deists," is still read with profit. This Charles Leslie was the son of a Leslie of Balqubain, the father living to the great age of 100 years, and he too was like his more illustrious son, a Churchman, but of the Reformed or Anglican Church. Charles was born in Ireland in 1650, getting his education in Trinity College, Dublin. He was a great opponent. ent of Catholicism, so much so that years, and later still a closer intimacy at the time the lightning struck.

he had to leave Ireland to live in has arisen, for we now have had a . Bert D'Angelo, Hamilton, the self-England, where he for a time studied leslie three years for a daughter-in-confessed bootlegger, was committed law. He, ardent Protestant as he law, with her two bright baby girls for trial on Friday afternoon at Oak-cause and refused to take the oath of allegiance to William and Mary at the revolution of 1688 and so was de-level of his church living. For most \*\*Articles to be delivered to denor

\*\*Of the remainder of his life he delivered to the writing of books in defence of the Christian religion, and intimacy with some intimacy with some receiving the highest praise from such rather prominent mambers of the big bench.

\*\*The revolution of 1000 and 50 was delivered to denor now a greatly mixed race or family, men who succumbed to wood alcohol between the poisoning and successful to the vertile many of the best character interaction in the poisoning and successful to the vertile many of the best character interaction in the poisoning and the many of the best character interaction in the poisoning and the many of the best character in the poisoning and the many of the best character in the poisoning and the many of the best character in the poisoning and the many of the best character in the poisoning and the many of the best character in the poisoning and the pois

Rayne, with just one parish lying be-Next on the bend roll of fame in tween it and the parish of Leslie, had

The Leslies of Wartle or Warthill

would become infrequent and near relatives would in a short time become lowers' faith, but during his whole strangers one to the other, and soon lose track of each other altogether. That is not well for the older people, and older paths must not be forgotten if we are to make the best of the present and of the future, for out of the past they have arisen or will and his descendants still hold the form to the present of the past they have arisen or will and his descendants still hold the form to the present of the past they have arisen or will and his descendants still hold the feeting the form and his descendants of the past they have arisen or will and his descendants still hold the feeting to the past they have arisen or will and his descendants still hold the feeting to the past they have arisen or will and his descendants still hold the feeting to the past they have arisen or will and his descendants still hold the feeting to the past they have arisen or will and his descendants still hold the feeting to they had to go and give place to those they had to go and give place to those who could make things go. He was elected member of Parliament for part of his county in 1861, and as a small boy I with hundreds danced to the strains of the bagpipes around a big bonfire lit on a hill head on the election. For he was a most popular

First then comes John Leslie (R.C. (Roman Catholic), Bishop of Ross, a distinguished statesman and historian and a devoted adherent of the most beautiful, but also most unfortunate of what the race has produced at the of women, Mary Queen of Scots. He of women, Mary Queen of Scots. He top of the tree, in different lines of bruises and shock when the car in was born just 400 years and support and public achieve.
