

Mrs. John Davis Dead.
In the death of Mary Jane Scott, relict of the late John Davis, on Friday, September 13th, in her 84th year, another of the old residents of the village passed to her eternal rest. Deceased had been living with her daughter at Tillsonburg and returned to her home here but a few weeks ago, when she was seized with paralytic stroke and gradually sank until the end came. Deceased was born in Enniskilling Township in 1842.

Another Concrete Road in Halton.
Meeting in special session last week the Council of Trafalgar Township passed a by-law authorizing the construction of a concrete roadway one and one-half miles in length situated in the southern section of the township, directly east of Oakville. The pavement, which is to be ten feet in width and constructed under the regulations authorized by the Department of Public Highways, will be flanked by three foot stone shoulders and will extend from the Toronto Hamilton Highway on the Morrison Road north to Lyndbrook Road west of the eighth line, south on the eighth line to McDonald Avenue, and from there west to the town limits. The contract for building the road was let to Wm. King, of Oakville, on Monday night without the calling of tenders, at a price verging on \$14,322. The contract price does not include the stone shoulders, which are being built by the township.—Star.

This spring Mr. Herb Murdoch, south of Durham, planted out 2,000 pines, 500 black walnuts and 500 spruce on his 25 acre farm. Dr. Jamieson, too, planted out 3,500 trees making his total over 40,000 trees put out on his farm of 350 acres at Wilder's Lake.
