St. Georges Anniversary

74th Anniversary of the founding of the Parish.

The special services at St. Georges Church last Sunday were of a thanksgiving character, and were attended by large congregations both morning and evening.

The day began with the celebration of the Holy Communion at 8 o'clock and at 11 o'clock there was a choral celebration of the Holy Communion with a splendid sermon by the Rev. C. J. Lamb, Rector of Nanticoke, Ont.

Mr. Lamb preached from St. Matthew's 16, verse 18 and made a very earnest appeal to all church members to "live worthy of the vocation wherewith they were called."

The choir sang Maunder's setting of the Holy Communion service and during the offertory rendered St. Martin's Thanksgiving Anthem, "O give thanks unto the Lord" very effectively indeed.

Mrs. S. Kirk splendidly taking the solo part. At this service the Boy Scouts and Girl Guides of the parish were present in a body under the leadership of Mr. Clifford Stacey, Scoutmaster, and Miss Fraser, Guide leader respectively.

At 7 o'clock was fully choral, and an inspiring sermon was preached by the Bishop of the Diocese, The Right Rev. Derwyn T. Owen D. D. from Ephesians 2, 19-22.

The Bishop reminded the congregation that the year 1930 is the 74th anniversary of the founding of the parish, which was mostly forest with just little clearings here and there, made by those wonderful pioneers of ours, the early settlers.

Hardships, discouragements and difficulties were faced by them with undaunted heroism and patience, and we their descendants should take courage for the future, not giving way to pessimism and doubt, but going forward in faith and hope to greater and better things.

The church in this place has been witnessing to their faith in God and the Lord Jesus Christ, right from those early days (before Confederation was formed), and we should thank God for giving us such a goodly heritage.

Under four headings the Bishop spoke of (1) Canada our Country (2) The Church founded by Christ in the upper room at Jerusalem, (3) the branch of the church of England in Canada, (4) Ourselves in relation to God and the church.

He pointed out that people outside Canada were very optimistic about the future and the great place she is destined to play in the life of the world, and we her children must see to it that we live up to the heroic and faith as displayed by our forefathers.

With regard to the second (the church founded by Christ) although individuals in the church may fail, although her friends betray her, although men and women of the church do not always live up to their high calling in Christ, yet nevertheless the church cannot fail, who has been promised and secured, yet the promise of her founder remains true—"the gates of hell shall not prevail against her."

The Bishop then spoke of the Church of England in Canada, and explained how the church functions through the General Synod, the Provincial Synod and the Diocesan Synod.

The latter having to do with the assessing of the stronger churches in order to help to support the weaker churches in the Diocese and also to support the missionaries working in our overseas mission fields in India, China, and Japan and in our own Dominion amongst the Indians, Eskimos and white settlers.

He asked the congregation to get to know this work (information being always available) because a person can only give intelligently when they know the needs of the situation and understand something of the task which it is trying to accomplish.

In conclusion the Bishop spoke of the individuals relation to God, to Jesus Christ and the church, and eloquently pleaded for a more personal conversion of the life to God. He quoted an old dante hymn, which though not good poetry perhaps, expressed the souls attitude to its Maker, "It's me Lord, I'm the one that needs the prayers, it's not my brother, nor my sister, it's me Lord it's me."

The first lesson was read by Mr. Joseph Beaumont (Layreader) and the second one by the Rev. C. J. Lamb, the Bishop taking some of the prayers and pronouncing the blessing.

At this service the choir sang very ably Marks setting of the Magnificat and Nunc Dimittis and also the anthem "Oh, worship the King." Mrs. S. Kirk again taking the solo in a very artistic and efficient manner.

The choir were under the capable leadership of Mr. Wm. Bradley and Mrs. Bradley very effectively presided at the organ, being assisted both morning and evening by Mr. Jack Thompson, violin. The church looked very pretty indeed, thanks to the efforts of Miss Young, Mrs. Atkinson, and Mr. S. Kirk.

On Monday evening a very successful Men's Banquet was held in the large number of our men of the congregation were present and partook of a very sumptuous dinner provided by the Daughters of the Church, Mr. Geo. Coppoly of Hamilton, Chairman of the National Laymen's Committee, was the speaker of the evening and very ably dealt with the Administration of the Church of England in Canada. He earnestly appealed for support of the Missions both at home and abroad and gave a very interesting report of what the Church of England was doing for the Indians and Eskimos in the matter of education and religious teaching.

Rev. J. C. Lamb of Nanticoke made an earnest appeal for men to support of the League of Nations and to place their names on the list for one year by the Local Council of Women.

Arrangements are being made to have Mrs. J. A. Wilson of Ottawa, President of the National Council of Women, speak at the League of Nations public meeting in the Library in the near future.

Impressive Services In United Church

Induction of Elders - Credit Lodge, No. 219, A.F. & A.M. Attend Divine Service in the Evening

The service in the United Church on Sunday morning, Oct. 17th when 15 of the 16 men, who had been chosen by the congregation, were inducted into the office of the Elders, was highly interesting and deeply impressive.

Absence in the vest-prented one from being present, and sickness kept the other away. Rev. Dr. A. M. McMillan of Toronto assisted the pastor, Rev. Dr. Dickie, in the services.

The latter put the questions prescribed by the church, to the Elders-elect, and to the congregation, and after prayer by the former, formally inducted them into office. Dr. McMillan then preached very impressively from 1 Corinthians 3:9.

"We are labouring together with God. Ye are God's husbandry, ye are God's building." The points, which he laboured, were 1st. Organization, 2nd. Cooperation, 3rd. Consecration and 4th. Glorification.

Owing to the indisposition of Miss Buck, Mr. Pasmore of Toronto presided skilfully at the organ, and the choir under the able direction of Mrs. Gladys Jones-Morgan of Toronto, rendered very effectively two anthems while Mrs. Jones followed up the message of the sermon with a singularly appropriate solo.

Credit Lodge, No. 219, A.F. & A.M. worshipped in a body on Sunday evening, Oct. 17th, in the United Church. Rev. Dr. Dickie, the minister of the church, preached an excellent sermon from Matthew 6:33.

"Seek first the Kingdom of God." Comparing the game of living to that of football, he showed that just as the coach endeavours to arrange his players so as to produce an evenly-balanced line, so every man must arrange his aims and ideals in such a way as to produce an evenly-balanced life.

Football rules require seven men on the line of scrimmage, and in the great game which we all must play there are seven essentials needed to produce in us a well rounded personality which will ultimately bring us victory. These he took to be, Character, Health, Education, Pleasure, Home and Others and Character.

But in the line-up of these essentials we must place first a lofty character. If Character calls the signals and directs the team play, Others will be served. Long will never be neglected. Money will be made, Pleasures will be engaged, Education will be secured, Health will be developed, but none of these will be allowed to wreck the life, or to be so over-emphasized as to produce an unbalanced line. And as Christ said to his disciples, "Ye are to be holy, as I am holy, and as I am holy, so are ye to be holy."

His teaching in our lives and to be dominated by His Spirit. Then when the final whistle blows the Great Referee shall declare us victors for we have fought the good fight, and fought it squarely, unselfishly, and intelligently with our evenly-balanced line.

Just a Little Girl Who Loved to Sing

If you have a young daughter, this story is for you:

It's a true story of an Ontario girl - a little girl who sang just because she was happy. Without knowing the child had any exceptional talent, the parents bought a piano and engaged a teacher. The girl was in her teens and had absorbed the fundamentals of music, playing with considerable skill, before she realized that piano study in her case was to be a stepping stone to vocal study.

She had a voice - a voice to make others happy as well as herself. It was a Mason & Risch that led her along the path to success. Today - and she is still a young girl - she is acclaimed as one of Canada's greatest dramatic singers.
