CORRESPONDENCE

Milton, Nov. 8th, 1926. Editor Herald.—May I ask for a few lines to call the attention of the people of Georgetown and the surrounding district to the opportunity that is offered them to hear a very interesting address at the annual meeting of the County Children's Aid Society in Milton on the evening of Friday, Nov. 12th.

The society have secured Dr. G. S. Keenan, M.A., superintendent of the Boys' Training School, at this meeting. Dr. Keenan is in charge of the very interesting project at Bowmanville initiated by the Provincial Government in dealing with the boys who need special care and supervision owing to anti-social tendencies of various kinds. It is a pioneer work really unique in Canada and Dr. Keenan is sure to have a most interesting story to tell of the plan and conduct of this undertaking. It would be unfortunate if any who are interested in this fine piece of educational work in Ontario should miss hearing him. All will be cordially welcome.

Thanking you for this courtesy, I am, Faithfully yours, J. M. DENYER, Pres. Halton County C.A.S.

—Hugh Walker, Guelph's oldest Freemason, celebrated on Tuesday his ninetieth birthday, when he received telegrams of congratulations from all parts of Canada. Mr. Walker was the founder of Walker Lodge A.F. & A.M. No. 321, Acton.

The W.M.S. of the United Church of Georgetown held their annual Thank offering meeting on Thursday Nov. 4th. An almost full attendance was present and we had the privilege of having with us the president of the Guelph Presbyterial, Mrs. Crow, who gave an enlightening address on the Home Missions, touching especially on the work in western Canada. The thank offering and a social hour with tea and refreshments brought to a close a delightful afternoon.—C.M.

Don't be Fooled! Government "control" does not cure these evils:—

- 1. BOOTLEGGING:—"Bootlegging to extent of 5,000 cases a month. . . in and around Vancouver."—The Hook (an Anti-Prohibition paper). "Bootleggers handle twice as much liquor as the Government stores."—Vancouver World.
2. FLASK DRINKING:—The Sherbrooke Daily Record, speaking about conditions in Quebec, says: "The hip-pocket flask is an institution to a greater extent here than in Ontario."
3. LAWLESSNESS OF YOUTH:—Andrew Blygh, J.P., of Vancouver, describing the state of affairs in British Columbia under Government "Control", says: "Any night, cabarets are operating with 50% of those present showing signs of intoxication. The dance halls are a public scandal with young girls slipping to the back alley to get a nip from the flasks of their escorts."
4. DRUNKENNESS:—There have been 851 names placed on the Indian List in Alberta during Government "Control", the majority of whom procured liquor without permits.
5. RECKLESS DRIVING:—Comparing Montreal and Toronto, Mayor Duquette of Montreal stated: "Montreal has registered twice the number of automobile accidents with half the number of automobiles."
Q What WILL cure these evils?
Q The honest, sustained enforcement of the Ontario Temperance Act.
