

BE SWIFT TO PRAISE

"Well done!" Two words so swiftly said, and yet they fall like summer rain. Are to the hungry spirit bread, the soul, quite parcel revives again. And hope returns that once was fled and energy flows through each vein. When these two words, "Well done" are said.

The song unsung no comfort brings; a violin is surely naught until the bow caress the strings. Of what avail the unspoken thought? 'Tis but a bird clipped of its wings. Oh, lips! There are such simple ways you can enrich another's heart! Withhold not then the words of praise for kindly words so oft impart fresh sunshine to the dreariest days.

Always have I been much impressed with how much goodness may be wrought.

How hungry hearts are fed and blest just by a timely, spoken thought! Just by "Well done," said with true zest! And often lest my lips forget, I whisper that one simple phrase, as fragrant as sweet mignonette. Oh! lips of mine be swift to praise!

—Wilhelmina Stutch.

LIFE-BUSY KAUFMAN

Longer Wear Better Finish More Comfort by the new **KAUFMAN** HIGH PRESSURE LOW TEMPERATURE PROCESS

Extraordinary wear in all types of Life-Buoy Rubber Footwear is guaranteed by the new Kaufman High-Pressure, Low-temperature Process.

This new method of treating rubber footwear retains the natural elasticity and durability of rubber which under old methods were ruined by excessive heat.

A specially woven fabric is used as the base of all Life-Buoy Rubber Footwear, every fibre of which is permeated and impregnated with purest fluid rubber. Result: a moisture-proof, snag-proof, non-rotting base for the high-grade Kaufman-cured rubber surface.

Life-Buoy cost no more and the additional miles of wear in each pair make them much more economical.

Don't take something "just as good"—insist upon Life-Buoy and be sure of rubber footwear made by the new exclusive High-Pressure, Low-temperature process.

Can You Find the Twins?

No, they are not all twins! Two and only two are identical, and are the twins you are asked to find. Can you? To be sure, the 18 pictures all look alike; but look closer. How about their hats? There are other differences, too. Read the clues. Only two girls are exact duplicates. They are Twins—can you find them?

CLUES

At first glance all of the pictures look alike. But upon examination you will see that almost every one differs in some way from all the others.
