Is this type of tourist really an asset to Ontario?

IQUOR advocates claim that Ontario will get thousands more tourists if it goes wet on December I.

These are the facts:-

The Dominion Government Report for 1925 states:

Ontario under Prohibition had 1,290,000 motor tourists. New Brunswick under Prohibition had 476,555 motor tourists. Quebec under Government Sale had 111,983 motor tourists.

Government Sale means increased liquor sold and consumed, with increased dangers.

Do you want our highways thronged with hilarious joyriders and campfollowers of the liquor traffic? Do you want to encourage and promote reckless driving upon the highways on the part of our own
