**Your own chimney may prove a firebug—**  
Sparks from your own chimney—an inflammable roof. Fire! Thousands of such incidents occur every year. But not when buildings are protected by Barrett Mineral-Surfaced Roll Roofing.  
Sparks fizzle out, blazing embers die—helpless, harmless. For this is a proved fire-safe roofing.  
Are you considering a new roof for barn, garage or house? Then come in. Let's talk it over—today.  
We endorse Barrett Roofings
