Canadian World's Grain Champion

When Herman Trells, of Wembley.

Alberts, commenced hornesteading in 1920, he confessed that he knew very little about farming. But when the awards werp made at the 1926 International Live Stock Exposition and Grain and Hay Show at Chicago, Herman Trelle had broken a world's record; he had won the grand championships in both wheat and oat and was the first exhibitor to win poth of these crowns.

The new wheat and oats champion was horn at Kendrick, Idaho, 81 years ago and came to Alberta with his parents in 1900. He was educated at Rdmonton and graduated from the University of Alberta is a civil engineer. THE NEW YEAR

Bravely I face the year that is to be. In onknown ways, the paths my feet must go. Hopeful that I will find around some The outstretched hand of friend

shall be truly blessed if I can see At op'ning door, the little ones I love.

do not ask my feet be led In ways of perfect joy and case Nor that I shall be free from team And things that worry and displease. I only pray I may be strong
And quick to do the things I see
Are good and right and should be done By timid, wavering folk like me. Then when another new year comes,

may be rich in kindresses. And old friends held and new friends
