Here and There

The third great International exhibition of wather goods will be held in Milan, Italy from January 22 to 29, and promises to be a greater success than either of the former exhibitions held in Europe, Business transacted during the first two exhibitions amounted to over \$13,000,000.

All taxes formerly required to be paid in Italy on hotel bills, baths and medical attention in health resorts, have been abolished, according to recent information given out by the Royal Consul General of Italy. Such information will prove interesting to tourists contemplating a visit to that country.

Quebec-What is said to be a record shipment of cels, 168 tons, left this port for New York recently, the last of eight consignments since the beginning of November, ail for the same city. New Yorkers have acquired a partiality for the eel from the region below Quebec, and the trade is growing each year.

One of the largest farm pales in several months to a single immigrant family was recently effected in the purchase of a 720-acre tract five miles south-east of Brandon by a Lutheran farmer and four sons; the purchase price being \$28,800. 'According to Dr. A. T. Connell, the farm'is well equipped with stock and buildings.

Sheep from the Prince of Wales Alberta ranch, south-west of Calgary, are superfine, according to Walter Charles Priddy, of the Corriedale Sheep Co., Gridley California. He has just purchased forty bead of imported Shropshires from the Royal ranch, as well as fifteen from other flocks in the district.

Asbestos waste as a soil strengthener is the latest in the line of byproducts. Early this year the Development Branch of the Canadian Pacific Railway undertook an investigation and inaugurated a series of experiments in the use of this material. Macdonald College actively co-operated and results so far show that this material has a real value when applied to certain.

A valuable consignment of twentyaix silver black foxes valued at approximately \$20,000 was handled by the Canadian Pacific Express Company in Montreal recently. The animals were shipped directly from the Meritt Silver Black Fox Ranch at Meritt, B.C., and will be forwarded to Messrs. Baullon and Paulin, Grenoble, France, to a new fox ranch of which this British Columbia shipment will be the

Completing the first 3,200 miles of a ten thousand mile journey from Liverpool to Osaka, Japan, thirty canaries valued at a hundred pounds sterling, arrived at the Canadian Pacific Express Company sheds in Montreal recently and left from the Windsor street station for Vancouver. They came over on Canadian Pacific liner Montroyal fo Saint John and although they had experienced somewhat of a stormy crossing, were in fine feather and singing at the top of their voices.

Completing a two month visit to Canada during which he has traversed the Dominion from Quebec to Victoria, returning through the United States, C. C. E. Young, in charge of first-class booking office of the Canadian Pacific Rallway in London, Eng. seen at headquarters of the system in Montreal recently, declared that the country had been a revelation to him, fully explaining the great attraction it is increasingly exercising on tourists. "The great facility of travel, luxuriousness of the hotels and the opportunity for seeing practically virgin territory make up a combination of advantages that are perhaps not to be found elsewhere in the world today," he said,

Antwerp Honors Canadian Pacific Ship

Honor was brought to the British

ally to the Canadian Pacific liner Melita when on November 14th, she steamed into the harbour of Antwerp and was the 10,000th ship to enter that great port during the year. It created a record for the number of ships docking at any European port with the sole exception of London, during such a period.

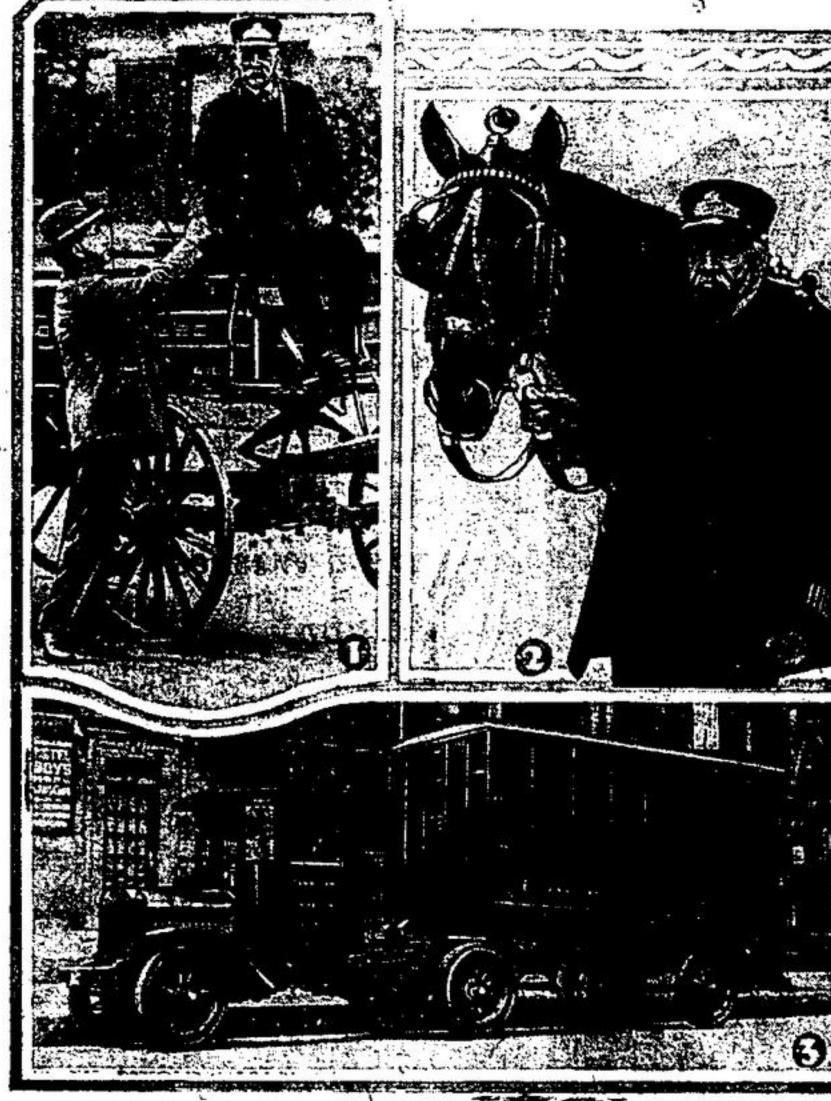

S.S. Melita was the 10,000th ship to port. Its reputation was very high in shipping circles all over the world. Capt. Notley also addressed the gathering in a humorous speech which she was a Canadian Pacific ship. He pointed out that this vessel, the S.S. Montnairn and the S.S. Montnairn and

Governor Baron Holvoet, Camille

The occasion was marked by fetes throughout the city in which the ware sent by notabilities from all over Belgium including one from King Albert, and there were great parades of labor, industrial and commercial organizations in the principal streets.

and damng the current year paragraph and the shappy had the shappy and the shappy had the shappy ha of labor, industrial and commercial organizations in the principal streets. In response to the welcome given the Mellta by the dity, W. D. Grosset, Managing Director for the Canadian Pacific in Belgium, organized a luncheon aboard the vessel. He was assisted by Capt. A. H. Notley, commander of the ship, and officers. The guests included Mayor Van Cauwelsert, Burgomaster of Antwerp, with several of the Aldermen; Consul-General Rowley said that sert, Burgomaster of Antwerp, with several of the Aldermen; Consul-General Rowley and a half constituted a record for any European port, London excepted. The port was the outlet for an interior navigation throughout the country that represented a total of over 10 million than a provided the was proud to think that

Here and There

Canada's birth rate leads all the white races of the world, according to a close study made here of comparative figures. Canada's birth rate is 23.4 to the thousand, and Australia comes next with 23.2. England and Wates fall slightly below France with 18.8.

"The manufacturing industry is moving west," says J. E. Walch, General Manager of the Canadian Manufacturers' Association. "The increase in prairie industries shows this. We are having the same experience here as they had in the United States. The Prairie Provinces are fast becoming industrial-

A gold medal awarded to the Canadian Pacific Railway in recognition of the excellence of its exhibits at the Cunadian Exhibition recently held in Toronto, was received at headquarters of the system here today. Similar medals have also been awarded to the Dominion and Provincial Governments and to a limited number of exhibitors

This, from the Lethbridge Herald, s hard to surpass: "A farmer moved onto a half section in the Iron Springs district last spring. He got in a good crop; irrigated carefully and watched results. He threshed a \$6,000 crop in this first year; paid \$2,800 on his land; \$1,600 on equip meet and cleared off a \$400 loan. This left him a comfortable balance of \$1,200 to go-on with."

The President Beatty Prize is boing offered by the President of the Canadian Pacific Railway to the man obtaining the highest number of marks during the coming training season at the training farm of the British Ministry of Labor at Brandon, Norfolk. The award cousists of a cash prize and employment at current wages upon the C.P.R. Supply Farm at Strathmore, Alberta. A similar prize will be made available in the apring of 1928.

An outstanding feature of the past few weeks has been the export of-live foxes by the Canadian Paelfic Express in Montreal. Trade statistics show that in the past fiscal year 5,590 live foxes, valued at \$1,434,686, left Canada for other ccuntries. Canadian foxes have gone to be foundation stock in the United States, United Kingdom, Belgium, France, Germany, Newfoundland, Norway, Switzerland, Pinland, Japan and Russie.

Announcement was made from Canadian Pacific Railway beadquarers here recently that two free Guelph scholarships, covering one year's tuition in the Faculty of Arts and four years' tuition in architecture, chemical, civil, mechanical ut electrical engineering at McGill University, are offered by the company, abject by to competitive examination, to ap- Business experienced instructor prentices and other employees enrolled on the permanent staff of the company and under 21 years of ago and to minor sons of employees.

The recent snowfalls have directed attention, earlier than usual, to the coming Pog-Derky-the 1927 Eastern International Dog-Sled Derby-which is to be run off at Que-Bee City on February 21st, 22nd and 23rd. Six entries have been received so far: H. Chevrette, who will earry the colors of The Paquet Co., Ltd.; an Ontario Paper Co. entry; H. I. Sutton, of Chicago; two Price Brothers entries, and P. J. Molloy, of Berlin, New Hampshire. Such is the line-up to date, about twenty entries being expected.

Sir Frederick Williams-Taylor, General Manager of the Bank o Montreal, points out in the current Public Utilities issue of the "Financial Times," that Canada's utilization of power has increased 180 per cent, in the past ten years and that the country now stands second in the world in the utilization of hydro power." When present plans mature Canada will have 4,500,000 h.p. in use, representing a capital investment of \$854,000,000, while undeveloped power wealth will still be prodigious, conservatively estimated at .q.d 000,000 h.p.

Notice to Creditors
