31st, the members and friends of the enjoyable evening to a close.
U. F. Y. P. O. held their annual meeting at the home of Mr. and Mrs. T. Brownridge. The business of the year was reviewed with estisfaction The financial statement was pro nonnoed encouraging. The members were again tasked to enroll for the coming year. An invitation wa extended to all farm hope and gir to come and join their own organiza tion. An interesting report of th convention was given by the dele gate after the business of the ever ing had been transacted and office appointed. The programme varie when our hostess came in and a nounced that the oysters were read to be eaten. We were ushered int the beautifully decorated dinis room where all did ample justice the delicious repast set before then After the inner man had been mor than satisfied there were speeches recitations, readings, etc., but when stood on their feet and welcomed the new year in while the following lines were read by the leader, "The New Leaf'. Everybody shook hands and wished one another "A Happy New Year," each one telling of some good resolution he or she had made for the new year which we have jus entered spoon. A most enjoyable social hour was then spent. A bearty vote of thanks was tendered the host and hostess and the singing of "Bleet be the Tie That Binds" and "God Save the King" brought a happy evening to a close. All going home feeling that they had made a | Now C.N.R. Agent at Acton start in the proper direction for the beginning of the New Year.

town, village or township, wherein Judge Tytler dismissed without the patient last resided was saddled costs an action brought by Mary with this expense. As it now is the Marks against Roy A. Stewart, a concounty pays half and the minor stable. Geo. Marks, the plaintiff's municipality that the party comes son, was killed by the constable durfrom the balance. A uniform rate ing a scuffle in a car after he and of \$1.50 per day has been set as the three companions had been arrested maximum amount these institutions on the highway near Cooksville last may charge for maintenance of each July. The mother asked for \$2,000 and the dismissal was by consent.

Here's the Overshoe That Solves the Question!

The question of tailor-made appearance. The question of adjustability to any else led. The question of protecting skirts from buckle team. The question of buckles opened by cost bottom. The question of perfect fit, warmth and lightness. The question of concealed fasteners.

The new "Adjusts" Overshoes made exclusively by this firm, not only answer all these questions but in quality, fit and appearance so far out-distance other overshoes that there is no comparison. Good dealers all over sail "Adjusts" Overchous.

There is no substitute for them-ask for them by name.

Made only, by the makers of

Here and There

More Clydesdales are on the way to Canada from Scotland. It is expected that the year's imports will run to 120, a record since the war.

Over a million Christman trees have been shipped from New Brunswick to United States markets, based on exports of some 800 carloads averaging 2,000 trees to the

About 160 French-Canadians from the Prairie Provinces travelling under the auspices of the "Survivunce Franculse," arrived in Montreal by special Canadian Pacific Rallway train at the Windsor Street Station recently to spend Christman and New Year in the province of their

According to a recent atatement of E. W. Beatty, Chairman and President of the Canadian Pacific Railway, the record of the railway's common stock as at June 30th, 1926, indicates that 52% per cent, is held In Great Britain, 1914 per cent. In Canada and 19 per cent. in the United States. .

All previous, records have been broken by the salmon pack in Brit-Ish Columbia for 1926. It is estimated that the total pack- for this year, when all returns are in, will be, in round figures, 1,900,000 cases. The nearest approach to this was in 1924, when slightly more than 1,700,-000 cases were put up.

Early in June next year, it is announced, a regular sirplane service between Chicoutimi. Montreal and Toronto will be inaugurated by the Canadian Transcontinental Airways Company-a corporation which has just received its letters patent. The aluplanes or hydroplanes will make stops at Riviere du Loup, Quebec, Three Rivers, Montreal and Ottawa.

Nearly a ton of mistletoe waster its sweetness on the Eveless air of the Canadian Pacific Express Company's yards in Montreal at Christmas time. It arrived from France and England via the Canadian Pacific steamship "Montnairn," and was boxed in twenty-two crates, of which twelve were destined for New York and the balance for distribution in this city.

Two hundred and ninety-four vecsels of 55,295 gross tons and 42,923 net tons, were built in Canada and registered during the year 1925. according to the Department of Marine and Pisheries. Wood vessels built consisted of 140 sailing, 9 steam and 182 motor, and metal was sale of & sailing and 8 steam. Of the total tonnage 21,448 was attely butable to British Columbia, 11,856 tons to Ontario, 7,670 tons to Quebee and 2,102 to Nova Scotla.
