Chapter Officers Installed

The installation of officers for 1928 of Halton Chapter, Royal Arch Masons, was conducted last Friday evening by Rt. Ex. Comp. John F. Marr of Guelph, assisted by V. Ex. Comp. J. T. Cameron, Ex. Comp. J. H. Wallace and V. Ex. Comp. H. G. Meir.

At the conclusion of the ceremonies there was the usual banquet and toast list. These proceedings were enlivened by songs and selections from the three Jacks, harmonium, banjo and guitar.

Equalization of Assessment

Judge Elliot's award on the appeal of Oakville and Trafalgar against the equalization of the assessment of Halton by that body last Friday.

In the report the Judge said he had begun taking evidence on Sept. 13th, and the evidence was concluded on Dec. 1st. He pointed out that "the foundation of the difficulty did not arise from the inefficiency of the assessors, but from their neglect to observe the plain directions of the Act (Sec. 40) that land shall be assessed at its true value, to which the value of buildings should be added."

The Judge emphasized that the wrong method of the assessors should be corrected if the equalization, with the large expenditure of public money, was to be avoided. Further, the matter could be dealt with more easily if the assessors assessed at the same percentage of value in each municipality, which they did not in Halton, and this was especially noticeable in Nelson and Trafalgar, especially south of the Toronto and Hamilton highway, which properties were not assessed higher than 15 per cent. to 25 per cent. of actual value, and some as low as 10 per cent.
