### Died

**McCUMBER**—In Georgetown, on Friday, Feb. 23, 1928, John Lorne McCumber, aged 5 years.  
**McDONALD**—In Georgetown, on Friday, Feb. 23, 1928, Charles Spurgeon McDonald, aged 7 years.  
**CLARRIDGE**—At the home of her son, Mr. A. G. Clarridge, lot 29, concession 3, Esquimaux Township, on Thursday, Feb. 22, 1928, Frances M. Merry, widow of the late John Clarridge, in her 86th year.

### Obituary

**Mrs. Frances M. Clarridge**  
The passing came with remarkable suddenness to Mrs. Clarridge, mother of Mr. A. G. Clarridge, at their home east of Acton on the highway Thursday morning, Feb. 22. Although Mrs. Clarridge would have reached the completion of her eighty-fifth year this month, she was well and active until Tuesday evening. About nine o'clock, while in the living room spending the evening, she was, without any previous feelings of distress, stricken with apoplexy, while sitting at the table. Members of the family hurried to her side, but she never rallied, and her demise came very peacefully early Thursday morning. Mrs. Clarridge, whose maiden name was Frances M. Merry, was married in her girlhood days to John Clarridge, of Inglewood. He passed away twenty-nine years ago, and Mrs. Clarridge has ever since resided with her son, where she has always been very happily situated. She was the only surviving member of the family. A daughter died in infancy. She was a fine type of womanhood, beloved by all who knew her, and always active in making other folk happy. She was very regular in her attendance at Knox Church, and lived a devoted Christian life. The funeral took place on Saturday afternoon when the service was conducted by her pastor Rev. Mr. Stewart, after which the remains were interred in the family plot in Boston Mills cemetery.

### Norval

The Norval Women's Institute held their regular monthly meeting at the home of the Misses McPherson, Norval, on Thursday afternoon, February 22nd, with about 40 present. The meeting was honored by the presence of Mrs. Atkinson, the District President, who gave a most inspiring address, dwelling upon the possibilities of a small organization, and suggesting many branches of work that might be entered upon. Mr. L. F. Greenwood gave a short talk on the steps which must necessarily be taken in an effort to obtain Hydro Electric Light for our village streets. Mrs. Dolson rendered a very enjoyable solo, and Mrs. King played two piano solos, which were very much appreciated by all present. Very delightful refreshments were served at the close of the programme.

A social evening was enjoyed by the Norval Young People's Union which met in the schoolroom of the Presbyterian church, Mon. Feb. 6. Mr. Gordon Leslie was in charge of the meeting. There was a short musical programme of solos, piano duets and community singing after which nearly all took part in and enjoyed an old fashioned spelling match. Lunch was then served and a social hour spent. Last week Mr. Ross Cameron of Knox College, Toronto, gave a most interesting and instructive talk on his missionary trip to Hunter's Point, Northern Quebec.

### Memorial Service

Some 45 veterans of the World War attended the memorial service held in the Presbyterian church last Sunday evening to the late Field Marshall Earl Haig, Commander-in-Chief of the British Armies during the great war.  
Rev. Mr. Maclean, pastor of the church gave a splendid address, taking as his text the 6th and 7th verses of the 82nd Psalm, his theme being "What makes an empire great."  
His remarks were based on the following headings:—To teach the world some great truth. The nation that learns new patriotism as supporting my country if right and endeavoring to make right if in the wrong. The Country that produces the greatest number of great men. Sir Douglas Haig was a great man who had risen to the top rank as a military leader. He had served his country and was a world hero honored and beloved by the men who had served under him.

### New Settlers for Ontario

The British Settlement Society of Canada during 1926 and 1927 had had in many ways a very successful and a very interesting year. It is in a position to report that over 500 Britishers are in Canada as a result of the year's work. In the last two years about 1000 people were settled under its auspices. Among those arriving were some of the very finest people, both single men and women, as well as many splendid families. Some families since arrival have moved of their own accord to other places but on the whole, very little difficulty has been experienced with the aftercare of those sent forward by the British Representative, which is a tribute to the good judgment exercised by him.  
The above society are desirous of locating 100 families in Ontario this spring and parties desiring farm or domestic help will be well advised to communicate with the above society. See advt. in this issue.

## Sad Drowning Accident

### Old Swimming Hole Claims Lives of Two Children

A sad fatality occurred last Friday afternoon about five o'clock when two children, John Lorne McCumber, aged 5 years, son of Mr. and Mrs. Alex. M. McCumber, and Charles Spurgeon McDonald, aged 7 years, son of Mr. and Mrs. John McDonald, were drowned in the swimming hole at the old dam south of the Harley Kay factory.  
Together with Gordon Stokes, aged 4, and Edward Stapleton, aged 4, the little lads had been playing with their sleighs near their home on Main street, but had wandered down to the old dam. They left their sleighs and ventured out on to the ice. The boys broke and all four were precipitated into the water.  
The pool varies from two to eight feet in depth and the two who were drowned evidently fell in the deepest part.  
The boys had been out playing and sleighing from about 3 o'clock in the afternoon. Shortly before 5 o'clock the Stapleton boy dragged himself into his home dripping wet and in a state of exhaustion and his mother, who later learned he was able to give warning that something had happened to his playmates, and the two bodies were found a few minutes later by a search party.

The sympathy of the entire community is extended to the bereaved parents and families.  
The funeral of Lorne McCumber took place from the home of his parents (Guelph street on Sunday afternoon) when the remains were interred in Greenwood cemetery. The service was conducted by Rev. Dr. Caldwell, assisted by Rev. Dr. Dickie of the United Church and Capt. Hillz of the Salvation Army. The pallbearers were—Jack Harris, Frank Whitmore, Elson Frith and Jack Duncan.

The funeral of Spurgeon McDonald took place on Monday afternoon from the home of his parents on Main Street when the remains were taken to Cheltenham for interment. The service was conducted by Rev. Mr. Selgeworth of Cheltenham, Rev. K. MacLean of Knox Church, and Capt. Hillz of the Salvation Army. The pallbearers were—Frank Dewhurst, Gordon Martin, Bruce Mackenzie, Charlie Stockford, Cecil Davis.

Both funerals were largely attended and many were the expressions of sympathy extended to the bereaved by their acquaintances by the tragic death of their dear little sons.

### Acton

The annual meeting of Acton Free Library Board was held on Monday evening at 7 o'clock, in the office of Police Magistrate Moore. Rev. A. C. Stewart, M. A., Chairman, presided. In the election of officers, Rev. Father McReavy was elected Chairman by a unanimous vote. H. N. Farmer, M. A., was re-elected Secretary.

Chief McPherson is determined to put a stop to the unseemly and undesirable notion of young men with motor cars who are driven down the main street when young girls are passing, and escort them with unwarranted familiarity. Parents complain of this conduct toward their daughters. Two young chaps from outside points were brought before Magistrate Moore last week and fined for this behavior.—Free Press.

### Marketing Information

There is no greater problem facing the farmers and business men of to-day than that of successful marketing the products of our basic industry. Agricultural Departments both Federal and Provincial realize this and maintain a staff of trained men to study their problems. Every farmer should make use of every opportunity to gain information which will assist in better marketing conditions. With this in mind your Agricultural Representative would urge you to attend the meeting in Milton on Saturday next, when the problem of marketing will be thoroughly discussed. Only after acquiring all the information possible are you able to give an intelligent opinion on any subject.

## Juniors Win Group—Intermediates Lose First of Play-off Games to Guelph

On Wednesday night last in a Junior O.H.A. fixture at Brampton the Georgetown Juniors lost their first game of the season when Brampton defeated them by the score of 3 to 1.

The play was fast and clean but the Georgetown boys did not seem to be able to get going. Only a few penalties were handed out during the game for minor offenses.

On Friday night before the largest crowd that ever witnessed a hockey match in Elora, Georgetown defeated the Elora Intermediates by the score of 4 to 3 in twenty minutes overtime.

In the first period Elora had the best of the play throughout and succeeded in getting the rubber past Holloway for two goals, while Georgetown failed to find the net. The score at the end of the first period, Elora 2, Georgetown 0.

In the beginning of the second frame Elora again made a determined effort to repeat their performance of the previous period. Georgetown began to feel more at home near the end of the period and Balmon scored their first goal on a nice pass from Blackburn making the score at the end of the second period Elora 3, Georgetown 1.

The third period was altogether different and Georgetown took the aggressive and Balmon again belted the net for their second goal. Shortly afterwards C. Kentner netted the goal that tied the score on a clever piece of stickhandling. The fast pace was beginning to tell on the Elora team and for the remainder of the period their attacks were weak. At full time, Elora 3, Georgetown 3.

In the first overtime period neither team scored and after a few minutes rest started the second. With three minutes of the period gone Hewitt scored the winning goal for Georgetown and the game ended Elora 3, Georgetown 4.

In the return game with Brampton at the Arena here last Friday night the Georgetown Juniors displayed their true form when they defeated the visitors by the score of 5 to 2. Brampton opened the scoring in the first part of the period getting two goals in quick succession. Georgetown came right back when Walters on a nice individual play shot the puck past Smith for their first goal. Walters again scored before the period ended making the score Brampton 2, Georgetown 2.

In the second period the locals had the lion's share of the play and King scored two on clean shots from the wing making the score at the end of the second period Georgetown 4, Brampton 2.

Brampton tried hard to stage a comeback in the final chapter but the locals were a shade better and Alcott got their fifth goal making the score at the end of the game Georgetown 5, Brampton 2.

In the first of the play-off games between Guelph and Georgetown for group honors, staged at the Arena here on Tuesday night the locals were defeated by the score of 3 to 0. In the first twenty minutes the play was fairly even with both teams working hard but were unable to score and the period ended Guelph 0, Georgetown 0.

Guelph made a determined effort in the second period and scored two while the locals were unable to get the rubber past Hayes, who was playing a remarkable game, and the period ended Guelph 2, Georgetown 0.

### Card of Thanks

We hereby desire to express our sincere thanks to the people of Georgetown for the many kindnesses extended to us in our sad bereavement by the death of our little son.  
Mr. and Mrs. John B. McDonald

## Tell'em What You've Got

If you have a thing to sell  
Let the people know it.  
If its merits will compel,  
Advertise and show it!  
People do not often buy,  
Things they cannot see or try  
Tell'em, or they'll pass it by  
Let the people know it.

If you have a crop to raise,  
First you have to sow it.  
If you want your trade to grow,  
Grab your horn and blow it!  
Buyers don't have second sight,  
The unknown never wins them—quite  
But you can rouse an appetite,
