Here and There

Forty-five years of fuithful pervice to the Canadian Pacific Rullway were honored recently when George A. Fowler, former lumber agent of the company, was presented by ticorge Stephen, freight traffic manager, with a purse of gold, contributed by Mr. Fowler's collengues in the railway's freight truffic offices eart of Chicago in the United States and east of Fort William in Canada.

Fergus.-A special train of 35 cars left for Vancouver and points en route the other day with over 11,000 consignments of washing machines and barn equipment. This trainload, the largest of its kind ever to originate in Canada, is from a Fergus firm and was handled by the Canadian Pacific Railway as a special train, atopping at Fort Willfam, Winnipeg, Saskatoon, Calgary, Edmonton and other centres. Nearly all the consignments were for rural

Immigrants are beginning to pour through the fort of Saint John and Montreal en route to Ontario and the West. With the prrival of Canadian Pacific . lipers Montelure and Montagini recently, in the neighborhood of 600 settlers of the best type have been distributed. Among these were British farm laborers going to selected farms under the scheme of the Canada Colonization Association, and many more will be coming in during the next few mouth.

Toronto.-in accordance with his promise to Western Ontario tobacco growers, Hon. W. R. Motherwell has appointed a commission to inventigate all phases of the tobaccogrowing industry, for which two of he commissioners have airead named. The probe will extend to every phase of the industry, from seeding to marketing, and one of the most important features will be the effort to ascertain the best method of operating a proposed co-operative marketing pool.

Port Arthur. - Eventually Canada will produce a 1,000,000,000 bushel crop of wheat and will have no difficulty in finding a market for it, predicted Hon. T. A. Crerar, President and General Manager of the United Grain Growers Limited, and formerly Minister of Agriculture for the Dominion. Referring to the development of Western Canada, Mr. Crerar said there was no country in the world where so great a development had taken place in the past few years and there was no country having such great possibilities.

In order to meet the increasing nopularity of the Canadian Rockies among tourists, and also to ald in developing trans-continental travel the Canadian Pacific Railway wi run a quintette of trains across the Dominion from Montreal, Toronto and Chicago to the Rockles, Vanconver and Victoria this coming summer. These trains will be "The Trans-Canada Limited", "The Imperial", the Toronto-Vancouver Ex-press, and "The Mountaineer" and "Son-Pacific Express" from Chicago. The Trans-Canada and the Moununincer will be all-sleeping-car

Vancouver .- "Malzie," the famous white Leghern hen owned by the University of British Columbia farm, officially known as Hen No. 6 the world's champion layer with 351 eggs in a year, is proving a substantial revenue producer for the University of British Columbia. Last year the sale of pedigreed poultry stock from Maisis returned to the University \$2,225. Two of her cockerel fetched \$500 each when sold to Ohio poultry raisers, while another cockerel sold in New Jersey for \$300. The University receipts on sale of pedigreed British Columbin stock totailed \$7,225 for the
