Fire at Tannery
About one o'clock yesterday the fire alarm sounded for a fire at the Georgetown Tannery. The brigade responded promptly but the fire had made considerable headway in the frame building and before the flames were extinguished the top storey was burned and the lower sections badly damaged. It is regrettable that this misfortune should happen as the firm was very busy trying to catch up with orders. The loss will be considerable.

The bazaar given by the Rebekahs in the Arena last Friday afternoon and evening was a big success. There was a very large attendance and the baking, candy and many other useful articles were readily purchased by the patrons. In the evening a euchre and dance was held when music was supplied by the Capital Orchestra of Brampton and the occasion proved most enjoyable. A dainty lunch was served during the evening and much appreciated. The splendid prizes for the occasion were won by the following—Treasure Island, prize, a table runner, by Miss Agnes Cole. Box of chocolates, Miss Ruby Weston. Euchre, 1st, Mrs. D. Livingstone, 2nd, Mr. F. Biscuir. The lucky numbers for the bed spread and clock were, 1st \$1, 2nd 172. MILES of Low-Price Transportation

A GOOD used car is the lowest cost transportation you can buy. The unused miles of dependable service in the used cars we have on our floor at the present time offer remarkable opportunities for money-saving. The distance these cars have travelled is insignificant when compared to the thousands of miles of Unused Transportation which they represent. . . . and the prices are far below what you would expect. Let us demonstrate to you how easy it is to own a good used car. CU-1128
