

# "SATADA" TEA

ORANGE PEEL BLEND

"Pekoe" comes from the Chinese word "Pak-ho", meaning silver hair, which was applied to the tip leaves on the Chinese tea bush. Tip leaves are wiry in shape. In India they were more orange in colour, so were called "Orange Pekoe" (Pak-ho).

### It Pains Us

It pains us to have to mention such a common, ordinary thing, but circumstances compel us to mention the sad fact that money is a real necessity around a newspaper office. If you happen to owe The Herald you know by paying you will enable us to keep on paying those we owe and this will help our paper.

Your account may be small, but in kindness to the publisher you might remember that when a large number of people are slow in paying because their accounts are small, the aggregate of them makes an account assume rather formidable proportions.

You get the idea? Thank you.

### League of Nations

A public meeting will be held in the Public Library on the evening of Monday, April 16th at 8 o'clock in the interest of the League of Nations Society in Canada. The work of the society will be presented by Mr. Oliver Hazlewood of Toronto, who comes much recommended as an interesting speaker and one thoroughly informed in his subject.

It has been arranged by the Society to have a concerted effort to make its work better known in every community in the country from coast to coast. At "League of Nations Day," Tuesday, April 17th has been chosen for a special drive for an increased membership.

As Canada now has a seat in the Council of the League, it is desirable that a strong well-informed public opinion should be behind our representatives.

Every citizen to whom the idea appeals of international peace and of habits of co-operation between the peoples of Canada and of other countries, should try to attend this meeting and help to influence the organization for world peace and safety. Silver collection for the expenses of the meeting.

### Halton Spray Service

We are informed through our local Agricultural Representative, that the spray service will be continued during this season. This service consists of free advice and supervision in the timing and application of sprays and of late years has been taken advantage of by practically all our up-to-date orchard men. Efficient spraying is the only safeguard against scabby, deformed fruit. Quality products always sell.

Francis Collins, Man Enjoiced  
Engineer Joseph Harrington, Fireman Clark Ross and Trainman Stanley Hobson of Palmarston were more or less seriously injured when a through freight from Toronto, of which they were members of the crew, collided with an eastbound locomotive shunting at the east limit of the C.N.R. yards at Acton early Sunday morning. Jumping for their lives a moment before the impact, Engineer John Sutherland and Fireman William Cunningham, on the yard engine, escaped with a shaking up. The three injured men were removed to Guelph on an emergency train. Wrecking trains from Toronto and Bradford were on the scene within an hour and a half after the collision, and the line cleared before any interruption to traffic resulted.

### A Trip to Bermuda

At the regular meeting of the Guild at Knox Church on Monday evening last Major L. Grant gave an address on his recent visit to the Bermuda and various islands of the West India group, and the Panama canal. He found the people of Bermuda well satisfied with British rule, and a comparison of their conditions of life with those under foreign rule was always in Britain's favour.

The school system is similar to that of our own, the people are conservative by nature allowing nothing to interfere with their native simplicity of life. Water is caught from the caves and therefore a clean roof is a necessity in those islands.

Several other islands of the West India group were visited, each with a peculiar beauty of its own. The inhabitants were largely of the coloured race, but representatives of the Spanish race and of the American race were also seen.

The citizens of her colonies were law-abiding and scrupulously clean in dress.

Major Grant also visited the Panama canal through which he passed into the waters of the Pacific ocean. His interest in the canal is not altogether explained by the magnitude of the task but as well by the fact that Mr. George Tubby a Georgetown boy was connected with the construction of the canal.

The canal is in constant danger of land slides, and while excavated at an initial cost of \$400,000,000 is a great convenience to world navigation. Major Grant reports that the service rendered by the Canadian Pacific leaves nothing to be desired, every care with regard to safety, comfort and entertainment was taken. Canada has reason to be proud of her two great transportation systems which in open competition with all others in the world get their share of world commerce and their share of praise for the character of service rendered.

### Church News

United Church  
Next Sunday morning, the 15th inst. there will be the Baptism of Children, and the ministers will read the Father and the Son. In the evening the choir will render again Sir John Stainer's Cantata, "The Crucifixion."

Baptist Church  
Rev. Mr. Frith will preach at the morning service and Rev. J. R. Webb of Kitchener will speak in the interests of home missions in the evening. The young people will give a missionary evening with a sketch of "A Day in India" on Tuesday, April 17th at 8 o'clock.

### Lacrosse

Ontario goes back to 12 man lacrosse. Canada's national pastime in this Province reverts to its pristine condition, to the numbers which constituted a lacrosse team in the days when the great summer game was played on every vacant lot in the Province.

The Ontario Amateur Lacrosse Association, in its annual meeting held at the Prince George Hotel at Toronto on Good Friday voted to return to the number of men per team that played when lacrosse was in its heyday.

The season's O.A.L.A. officers were elected as follows: Hon. President, A. C. Ross, Hespeler; President, M. E. Kelly, Toronto; Vice, Vice-President, A. P. Lyons, Bramford; Second Vice-President, C. W. R. Brampton; Secretary, Eugene Dopp, Toronto; Treasurer, Dr. W. Holmes, Toronto; Council: William Rainey, Toronto; Joseph Brantford; L. G. Donald, Toronto; C. R. Keyes, Buffalo; T. A. Kopas, Fergus; R. McAllister, Sarnia; M. McCutcheon, Walkerton; W. Stevenson, Toronto; W. Thompson, Georgetown; S. A. Van Every, Brantford; Auditors: F. E. Hayes, Toronto; G. A. Lynch, Toronto, and Fred Wagborne, Jr., Toronto.

### Examinations Date

Middle and Upper School departmental examinations will commence this year on Monday, June 18, and will continue daily except Saturday and Sunday and July 2nd, until Tuesday, July 3. The Lower School examinations will open on June 22 and be completed June 28. High School entrance examinations will begin on the same date and conclude June 29, and the English-French Model entrance examinations are scheduled from June 27 to June 30.

### Firemen's Night

#### Re-Organization—Social and Presentation

On Thursday evening, April 8th, at their regular meeting with their new Chief N. Tuck and Deputy Chief W. Long in their respective chairs, the Firemen completely re-organized the companies when the following officers were elected:—

Chief—N. Tuck  
Deputy Chief—W. Long  
Secretary—F. McCartney  
Treasurer—H. Savings  
Capt. No. 1—H. Hamilton  
Lieut. No. 1—H. Shephard  
Capt. No. 2—A. Pavey  
Lieut. No. 2—A. Keene  
Foreman H. & L.—J. Shephard  
Asst. Foreman H. & L.—D. Lattimer  
Captain—F. Mykoye  
Marshall—H. Kowalsky

After the meeting the brigade indulged in a social for an hour and then all set down to a pleasant and well laid repast at which everyone did their part nobly.

Upon the surplus of the evening game for the three members of the brigade, ex-Chief Tuck, ex-Deputy Chief Duncan and ex-Treasurer, ex-Chief Constable Marshall.

Deputy Chief Long asked ex-Chief Tuck to stand while he reviewed his services, stating that if Chief Tuck had remained with the brigade until August next he would have completed 30 years' service to the Town of Georgetown, a record to be proud of. He would expect to be re-elected in 1929; also that in that time he had not missed three calls.

The Captain of No. 1 Company, Fireman Hamilton, presented ex-Chief Tuck with a fine smoker's set, stating that he hoped he would be spared many years to use the same.

Next came ex-Deputy Chief Duncan whom Deputy Chief Long stated that although his services had not been as long as ex-Chief Tuck's they had been quite as faithful. Ex-Deputy Chief Duncan had served the Town of Georgetown and the Fire Brigade as a Fireman quite as well and faithfully during his term of office as Treasurer.

The Secretary, Fireman McCartney, then presented ex-Treasurer Marshall with a fine smoker's set, stating that the brigade sincerely hoped he would get enough time off from his official duties as Chief Constable to be able to sit down and use it.

Each recipient of the presentations then spoke their sincere thanks to the brigade and expressed their appreciation stating that they would do all in their power to help the brigade at any future time.

The evening then closed with a real old sing-song with Firemen For Graves and Shepherd at the piano.

The Young People's Society of the United Church held their closing meeting last evening. In the Red and White contest for membership and attendance during the past winter the Blues won, and the losing Reds provided the banquet which was served in the basement of the church on Tuesday night. It was a grand climax to a splendid season and after all had partaken of the beautiful repast a very interesting toast list was announced by Rev. Mr. Mackinnon. Splendid speeches made by both old and young ranging

### Erin

Mr. Annie McEwen, 8th line, Erin, was the victim of a painful accident while doing the chores on Monday, when a coil kicked him under the chin, inflicting a nasty gash, twelve stitches being necessary to close it. Fortunately no bones were broken.

Friends of Mr. John McFee, Sr., who is in his 83rd year, will be pleased to know that he is enjoying fairly good health. He recalls many amusing incidents of by gone days, and enjoys a chat with the many friends who call on him.—Advocate.

### Divorce Granted

Major Robinson was in Ottawa last week appearing before the Divorce Committee of the Senate. He had three cases and was successful in obtaining a divorce for his client in each case. Two of them were Ottawa cases and the parties obtaining the divorces were John Young and W. H. King. (Oakville News.)

### Lightning Destroys Barn

Lightning destroyed the barn of John McDonald at Inglewood last week in the first lightning fire of the season, causing \$5,000 worth of damage, which is partly covered by insurance. Besides the barn, livestock, implements and feed were lost. When the fire spread to the driving shed, all that was saved was an automobile, a wagon and a buggy.

Injured in Blast  
Suffering from serious injuries sustained when an automobile in which they were returning from Toronto to Guelph skidded into a deep ditch near Clappison's Corners, three well-known women, Mrs. Alfred J. Moritz, Buffalo, Street, and Mrs. Samuel Gowdy and Mrs. Howard Todd, Glasgow Street, are in the General Hospital, where they were moved following the accident.

—Motorists! don't forget to carry your driver's license with you or have the brakes of your car properly tested when you take a motor trip. This year traffic cops are authorized to checkup in these matters. Non-functioning brakes will likely mean a fine to the auto owner.

"Establishing a New Standard in Automobiles"

# THE NEW DURANT FOUR

When you see the new Durant Four you will realize that no other car is so new a standard for automobiles. You will be impressed by its size, its superb engine and the very modern lines of its Durant Built Heavy Duty body.

After you have examined it thoroughly the fact of its being a Durant Four will be self-evident. The improved Red Seal Continental Motor will surprise you. You will unconsciously compare its power and speed with that of six cylinder performers. The long wheel base, the greater flexibility of the motor, the Bendix wheel brakes give you a satisfaction usually associated with more expensive cars.

Convince yourself that there is no four cylinder car on the market that looks better, ride easier or offers more value per dollar than the new Durant Four. Ride in it. Drive it. You'll!
