Presentations

To Miss Nellie Frances and Y. Summers Wilson

There was a large gathering in St. George's Sunday School Room on Monday evening when a banquet was served and presentations made to two valuable and esteemed mem- bers of the Church, Miss Nellie Frances and Y. Summers Wilson, prior to their removal from town.

After all had partaken of the deli- cious menu provided by the ladies of the church, much merriment was caused by the reciting of verses which adorned the plate cards.

Mr. Roy Edwards, chairman of the evening in a short speech ex- plained the object of the gathering of the various organizations of the church was to say good-bye to two of its valued members and endeavor in some tangible form to express ap- preciation of their services. He then called on Mr. Fred McNally, super- intendent of the Sunday School, who read the following address while Miss Allen Bradley presented Miss Frances with a beautiful tray of silver.

Dear Miss Frances: - It is with mingled feelings of re- gret and pride that we turn your plans to leave us to make your home elsewhere, regret that we are com- pelled to sever that active comradeship which has been so pleasant and pro- fitable for us all here, and pride in the knowledge that one of our out- going members will go to represent St. George's Church in another place.

It not infrequently happens that a young man or woman will show marked ability in one or two direc- tions and thus be the valuable mem- bers of a community, but your activities here have been so varied and your devotion to each has been so pro- nounced, that wonderful success has attended all your efforts, and your leaving will indeed be a very great loss to us all.

Your work in the Sunday School has been of an exceptionally high order and will, we know, bear fruit for many years to come. The Choir and Glee Club will lose one of their most faithful members. Your talent in the dramatic field have made you especially valuable to the St. George's Players, and your organizing abilities and leadership are well known to all.

We know you will never forget the many friendships made during the past years, but we are going to ask you to accept this silverware which carries with it the affection and very best wishes of the Rector, Officers and members of St. George's Church, Sunday School and associated organi- zations; and which also expresses very inadequately our earnest ap- preciation and great respect for the standing services you have rendered here.

We all join in wishing you and yours the greatest measure of happi- ness and prosperity in your new home, and extend a very hearty welcome to you whenever you visit here.

On behalf of St. George's Church, Sunday School, Choir, Players and Chancel Guild,

Fred H. Wase, Rector
P. McNally, Sunday School
Sup.
W. F. Bradley, Choir leader
John Thompson, for the Players
Georgina Young, for the Chancel
Guild
K. Roy Edwards, Peoples War-
rior

Speakers followed by Rev. F. H. Wase, W. F. Bradley, J. A. Thomp- son and Miss Penon.

The chairman then called upon Mr. Jack Thompson, who read and pre- sented a beautiful illuminated ad- dress, accompanied by a gem of silk umbrellas to Mr. Y. Summers Wilson.

Both the recipients feelingly re- plied thanking the donors for their beautiful gifts which they would ever cherish as fond reminders of the happy times spent with the various organizations of St. George's Church.

The following program was then rendered: - Selection by the Orchestra Reading - Mrs. O. O. Brown Solo - Mrs. E. Feller Trombone Solo - Mr. T. Eason. Saxophone Solo - Mr. C. Bradford Monologue - Mr. J. Sanderson Piano Solo - Mr. J. Peckett

A hearty vote of thanks was ten- dered the ladies on motion of L. F. Denison and W. F. Bradley for the splendid banquet provided for the occasion.

The singing of "Auld Lang Syne" and the "National Anthem" brought the evening to a close.

The best wishes of all are extended to Miss Frances, and Mr. and Mrs. Wilson and family for the best of health, happiness and prosperity in their new homes.

Masons at Church

Splendid Address by Rev. Dr. Dickie Sunday Evening

The annual church parade of Credit Lodge A.F. & A.M. took place on Sunday evening when Worshipful Master H. E. Minnis, his officers and a large number of the members and visiting brethren attended divine ser- vice at the United Church and were treated to an eloquent address by Rev. Dr. Dickie.

After uttering a hearty welcome to the visitors and reading 1st Kings, 6th chapter, the speaker closed his so- ber part of the 2nd verse: "The House which King Solomon built, for the Lord."

He said in part: "The building of King Solomon's temple was the vision of a great man. It was a temple of character. Solomon in building the temple put the best he had in the work. A temple is not a mere structure of stone and wood. It is a temple of life. It is the temple of God and must be the best. This is the true spirit of life. What are you putting into your work? Are you putting your best into life? Are you making the most of what God has bestowed upon you? We get much or little out of life according to what we put into it. Let us give ourselves heart and soul to produce a life of satisfaction and comfort. God is the master workman and we his work- men should not be ashamed of his work. The work of building the temple went on in busy silence. So rises the temple of the soul. Char- acter develops or decays and we scarce- ly know what is going on. The time before we realize, the temple was built out of the sweat and toil of men. You must work for char- acter as there is no royal road out of the hard discipline and struggle of life. Take up your cross as it is the only way character can be formed. Solomon added beauty to strength. A temple of strength and beauty. In christian character there must be a happy combination of strength and beauty; a strength only to be found in the character of a man. The strength to live in a world that is sinful and we must be kind and sympathetic with our fellow-men. Free-born men means power and liberty to make the most of life. If the son of God shall make you free you shall be free indeed."

The anthem by the Choir, solo by Mr. Barwell and Male Quartette by members of the choir were much en- joyed and appreciated by the large gathering.

On the return to the Lodge Rooms a hearty vote of thanks was passed to be tendered to Dr. Dickie for his very able address.

Presentation and Banquet

A pleasant event took place at the regular meeting of Credit Lodge, A.F. & A.M. last Friday evening, when visiting brethren from Hamil- ton, members of Grand Lodge, pre- sented Rt. W. Bro. B. Kirk with a beautiful silver cigarette case.

After the regular business had been disposed of the visiting brethren were introduced by Rt. W. Bro. E. Y. Barralough and welcomed on behalf of the Lodge by Worshipful Master H. E. Minnis.

The Grand Lodge officers and Past Masters from Hamilton expatiated the second degree in a most creditable manner and were heartily congratulated by the local officers and visitors on their splendid work.

A banquet followed when a toast list was pronounced by Worshipful Master Minnis and speeches were made by the following: - Rt. W. Bro. Davidson, Small, Temple, Forth, Hooper, and W. Bro. McDonald, Simpson, Attig, Dixon and Lewis, Hamilton; Rt. W. Bro. Geo. Fairley, Guelph; V. W. Bro. L. Grant, R. W. Bro. B. Kirk and E. Y. Barralough and Bro. R. B. Poulin.

Hostile reception brethren there were visitors from Elora, Gil- ford, Hillaburg, Guelph and Fergus.

The singing of Auld Lang Syne, terminated another pleasant evening for the members of Credit Lodge and visiting brethren.

When Capt. Malcolm Campbell completed his world's record automobile drive at Daytona Beach, his first re- quest was for a cup of "good, strong tea." The courage- ous feat would have been en- joyed had Ross been present. It is a blend of choicest Assam and Ceylon teas, whose characteristics above all others are strength and flavor, packed by men trained in the London tea markets. Sold by your grocer in clean, bright aluminum packages.

Mr. Windett also extended con- gratulations to Mr. Fowle on his promotion to Superintendent of the Toronto Guelph line, assuring him of the co-operation of employees for the success of the road.

Mr. Windett also extended con- gratulations to Mr. Fowle on his promotion to Superintendent of the Toronto Guelph line, assuring him of the co-operation of employees for the success of the road.

On Thursday morning last a pleasant event occurred at Lanpton when the offices of the Canadian National Railway were invaded by em- ployees and their representatives to do honor to their popular Superin- tendent Mr. M. S. Cummings who has been transferred to the N. St. C. and T. Railways with headquarters in St. Catharines.

When all had gathered Mr. Fowle the new Superintendent of the Tor- onto Guelph line, introduced Mr. Windett who, speaking on behalf of the employees, congratulated Mr. Cummings on his promotion and while sorry to lose one who had not only been superintendent of the route but a man among men, who knew them all by name, and was honored and esteemed by all, the best wishes of every employee were his for future success in the larger oppor- tunities before him.

Mr. Cummings was then presented with a handsome leather travelling case and pen and desk set. The donees also remembered Mrs. Cum- mings with a beautiful leather hand- bag and daughter Jean with a box of Laura Secord chocolates.

Three rousing cheers for Mr. Cummings made a fitting climax of the farewell rendered this popular official by the employees of the C. N. Electric Ry.

JASPER PARK IS POPULAR

The National Parks of Canada are growing in popularity, both with Canadians and with visitors from other countries, according to a report from the Canadian National Railways hotel de- partment based upon the number of visitors accommodated during the season of 1927 at Jasper Park Lodge, the rail- ways' hotel which is situated in Canada's largest National Park in the heart of the Canadian Rockies. Not only are the numbers of United States citizens greater than in previous years, but the registra- tion figures show a growing tendency to visit the park in the summer months longer than one day, numbering 6,500 approximately 2,600 registered from points in Canada, a greater registration of Canadians than in any previous year.

The 6,500 guests who registered at the Lodge during the 1927 season, 3,600 were from points in the United States, the state of California leading with 840 registrations. Other states largely represented were Illinois with 460; New York State, 345; Minnesota, 251; Ohio, 208; Pennsylvania 164 and Michigan 85.

Of those registering from Canada, 208 were from Quebec; 978 from Ontario; 455 from Manitoba; 395 from Columbia; 359 from Alberta; 251 from Saskat- chewan and the balance from the Marit- time provinces.

There are several reasons for the grow- ing popularity of Jasper Park Lodge, ac- cording to S. McLean, General Superintendent of Canadian National Hotels. The building of additional high- ways and trails in the park, making the distant beauty spots more accessible to visitors, the construction of chalets at such beauty spots as Medicine and Mal-

one Lakes and the spreading fame of Canada's finest scenic golf course bring among them. At Medicine and Mal- one Lakes—the latter the largest glacial lake in the Canadian Rockies, chalets have been built for the convenience of trail riding parties and trails have been im- proved so that the journey of sixty miles through the mountains is delightful and without hardship.

There is also the fact that during the past season the area of the park has been extended to 3,200 square miles by taking in the magnificent Columbia Icefield section, one of the finest big game terri- tories in the Rockies and comprising the largest icefield in Canada.

At the conclusion of their conven- tion at Edmonton this year, the members of the Canadian Weekly Newspapers Asso- ciation will visit Jasper Park Lodge and will spend a short time in this magnificent mountain playground.
