

"SATADA" TEA

"Pekoe" comes from the Chinese word "Pak-ho", meaning silver hair, which was applied to the tip leaves on the Chinese tea bush. Tip leaves are wiry in shape. In India they were more orange in colour, so were called "Orange Pekoe" (Pak-ho).

Lacrosse

The first game of the season in town took place last Saturday afternoon at the Park between Hamilton and Georgetown. There was only a few attendances of spectators, not nearly as many as we would expect to see if we are going to encourage the boys to re-establish the national game of lacrosse in Georgetown. All who were present got good value for their money and although our home team was defeated by our guest according to the official count, they were just as good players as their opponents and had just as much of a little the best of the game after the first quarter. The official score was 4-3 in favor of Hamilton, although Georgetown scored 5 goals, two not being allowed on account of the players being too close to the goal, according to a new rule.

Georgetown team were as follows: J. Joques, goal; Smith, pt.; Sinclair, Stapleton, Luley, Hill, defence; Salmon, centre; Blackburn, Halpin, Gibson, home; Bul McDonald, coach; Palfrey, Donald, Toronto.

The next game will be played at Hamilton on Saturday when we are looking for our boys to reverse the score.

Limhouse

The Acton Branch of the Woman's Institute held their summer series meeting as the guests of Limhouse Branch Wednesday June 20th in the United Church. A good turn out of both branches were present and an exceedingly fine program was given. Mrs. Wilson, pres., of Limhouse took the chair and the meeting opened by singing the opening ode followed by prayer by Mrs. Caldwell. Words of welcome were spoken by Mrs. St. Laurent, District Director and replied to by Mrs. Wilson, pres., Acton. Others who took part in the program were—Mrs. Cox, Miss Louisa, Mrs. Simeon, Mrs. C. M. Collins, Anaster, Misses Orr, Acton; Mrs. Gilbertson, president Eden Mills; Miss Norton and Mrs. Moore, Guelph. A vote of thanks was tendered by Mrs. Caldwell. Those who helped at the organ were Mrs. Gowdy, vice-pres., Mrs. Agnew, Mrs. Meredith, Mrs. Nickell. A beautiful supper was served after which the meeting closed with God Save the King.

The Limhouse Women's Institute will hold their regular monthly meeting at the home of Mrs. St. Laurent on Thursday, July 5th at 2:30 p.m.

Big Features found in no other Low-Priced Six

AMONG the scores of advanced engineering features that contribute to the impressive quality of the New Series Pontiac Six, there are three advancements worthy of special notice - three important features found in no other six at Pontiac price.

First, the New Series Pontiac Six offers that smart styling, the luxurious comfort, the slick appointments and the staunch construction of bodies by Fisher.

Second, the New Series Pontiac Six engine embodies the new G.M.R. (General Motors Research) cylinder head, which uses ordinary gasoline to achieve amazing smoothness and silence with economy of operation.

Third, Loveloy Hydraulic Shock Absorbers, standard equipment on the New Series Pontiac Six, provide an ease of riding that makes the roughest roads seem smooth.

Now are three big features that no buyer of a six in Pontiac's price class can afford to overlook. Even if the New Series Pontiac Six offered no other unique advantages, it would still hold its position as the world's finest low-priced six.

S. V. KING, Georgetown
