to know how many shoe stores have started business in town in the past six years and could not stand the pressure of my low prices. I put it up to them and they had to quit. To-day I am selling for the largest shoe factory in Canada and selling for the lowest possible prices.

The shoes I handle are made specially for my store and the Company will repair free of charge any shoe found faulty in leather or workmanship.

I want farmers' wives to try a pair of my pure kid arch support shoes made specially for tired feet.

I had the factory make me some special boots for quarry and brick yard work that will stand the test. Repairing as usual.

#### The Man Who Is Ahe ad

In Almost every paper You are pretty sure to find A lot of gush and nonsense, All about the man behind: The man behind the buzz saw And the man behind the gun, The man behind the plowshare And the man behind the son. The man behind the whiatle And the man behind the cars The man behind the Kodak. And the man behind the bars The man behind the whiskers And the man behind the fist -Oh, you read of them often. For they're always on the list: But there is another fellow Of whom nothing has been said: It's the fellow who is even, Or a little way ahead; The man who pays up promptly And whose ohe ks are always signe

He's vastly more important Than the man who is behind. For every kind of business And the whole commercial clun In indebted for existence To this honest fellow man. He keeps us all a going And his town is never dead. So we all take our hats off

To the man who is ahead.

#### The Better Civilization

"Amongst other marks of the spread of enlightenment amongst my expected to take part. subjects I notice in particular, with real pleasure, the growth of more humane feelings towards the lower animals; no civilization is complete Milton, when Brig.
