

"SATADA" TEA

"Pekoe" comes from the Chinese word "Pak-ho", meaning silver hair, which was applied to the tip leaves on the Chinese tea bush. Tip leaves are why in shape. In India they were more orange in colour, so were called "Orange Pekoe" (Pak-ho).

Big Attendance and Splendid Exhibit

At Equesing Fair Held at Georgetown Last Saturday—Many Old Boys and Girls Present

The eighty-second annual fall fair of the Equesing Agricultural Society was held at Georgetown on Saturday last and was one of the best in the history of the society. The day was fine and a very large crowd was present, among which were many Georgetown Old Boys and Girls.

The exhibit of live stock was splendid, and few fairs can boast of a better exhibition of horses, cattle, sheep and pigs than that shown at Georgetown on Saturday.

The poultry building was also well filled and many fine birds were entered in the various classes. In the hall the display of vegetables was especially good as was also the display of dairy butter and baking. There was also a splendid showing of ladies work, almost the entire gallery being filled. A very creditable display of human posters by juveniles attracted considerable attention.

Excellent displays which added materially to the appearance of the hall and which proved quite interesting to fair visitors were made by the following town business men: Harold McClure, furniture; A. E. Cordingley, hardware; G. R. Muokart, furnaces; F. Sinclair, auto tires; J. N. O'Neill & Son, auto tires; Bradley & Edwards, electric ranges.

One of the leading events of the day was the visit of Georgetown Old Boys and Girls who met at the High School and headed by the Pipe Band of Toronto Police Force, paraded in autos to the fair grounds where they were accorded a most hearty welcome and spent an enjoyable afternoon. They held a monetary banquet and entertainment in the Arena in the evening, an account of which appears elsewhere in this issue.

Several new features, becoming prominent parts of a fall fair program, were in evidence and perhaps the softball tournament for the girls' teams of the district shared a larger patronage than any other feature. There were four teams engaged, Brampton, Acton, Cooksville and Linthouse. Acton was the victor, with Brampton triumphed over Linthouse, and in the finals Acton ousted the strong Brampton side for the prize by 15 to 0.

Sixteen dimpled darlings competed in the baby show held in front of the grandstand, there being two classes, one for babies under one year and another for those one to two years. There was a third class for twins, but there was no competition. Frederick John, eight-months old son of Mr. and Mrs. Frank King, Georgetown, won first award in the competition for babies under one year, and Doreen Murell, seven-month-old daughter of Mr. and Mrs. J. E. Fall, Acton, was second. Miss and second prizes for babies one to two years went to first cousin, Joyce, thirteen month old baby of Mr. and Mrs. F. Smith, Georgetown, won first, and Alice, fifteen-month-old daughter of Mr. and Mrs. Albert Smith, Georgetown, was awarded second. The judge was Miss Ada Millroy of Guelph.

Another feature was the fiddling contest, the winner being Duncan Little, aged twenty-seven of Brampton. Four others took part, J. W. Nickell, sixty years of age, Linthouse, who was second; Peter Spelri, Brampton; Harry Shortall, Ballinacul, and C. E. Dyer, Hillsburg.

The horse races proved quite attractive and were well worth seeing. The results in the different events were as follows: 2:20 Class Peter Patch, V. Romtve, 1 1 1 Consumm, McQuarrie, 2 2 3 Tony Peters, Chambers, 3 3 2 Time, 2:21, 2:16, 2:20. 2:30 Class Irene, Heald, 1 1 1 Baron Granton, Edinlay, 2 3 2 Royal Knight, Galton, 4 2 4 Sanota, Wallace, 4 4 3 Time, 2:18, 2:18, 2:18.

Georgetown brass band and the pipe band of the Toronto police supplied the musical program for the day. During the afternoon presentation of the silver trophies was made to the winners by Ben Petch a past president of the society. Two Georgetown girls, Betty Denison and Charlotte McCullough won first and second in the public speaking, and Margaret McMaster, Glenwilliams, and John Orichon, Georgetown, were first and second in the musical competition, piano selections. They all received silver cups. Wm. McClure, Georgetown, was presented with the T. Eaton Co. silver cup for the best Jersey herd competing at the fair.

No exhibit at the fair proved more attractive than that of Baronston Fur Farms Ltd. The beautiful Silver Black Foxes, Chinchilla Rabbits and Racoons were admired by everyone, and Major Cousins who was in charge of the exhibit, was kept quite busy answering questions regarding his animals. Splendid exhibits of the very latest in automobiles were made by J. N. O'Neill & Son and S. V. King of Georgetown, and H. A. Coxe of Acton.

A list of the successful prize winners at the fair will appear in our next issue.

At the close of the banquet all adjourned to the assembly room where the remainder of the evening was spent in dancing. Excellent music was furnished by old time fiddlers Duncan Little and John Nickell, with Mrs. Nickell and their friends. Mention should be made of the splendid work of Mr. J. Miller Prentiss, Secretary, who carried forward the details of the Association with marvelous efficiency.

The beautiful flowers which adorned the tables were sent to Christie Street soldiers hospital. Much credit is due Mr. J. B. Wallace and his committee for the splendid arranging of tables, platform and decorations at the Arena.

Norval Another Successful School Fair

Norval School Fair was held on the school grounds on Friday, Sept. 21st. There was quite a large gathering of the pupils and their friends. The exhibits were quite as good as usual and a good deal of improvement was noted in the Domestic Science, Manual Training and Nature Collections. Mr. McNeill, our Agricultural Representative, was present and helped with the judging.

At twelve o'clock lunch was served by the Norval Women's Institute. The sports in the afternoon showed the interest and enthusiasm of the pupils and ex-pupils. The winners of the singing contest were, Sr. room, Mrs. Naomi Behan; second, Lenny Bignell; third, Marie Laird, Jr. room, Mrs. Winnie Bignell; second, Marie Hunter; third, Jeanette Finney. The pupils scoring the highest number of points will be announced later.

Considerable credit is due to the teachers, trustees and pupils as well as to the help of the community in making the fair a success.

Georgetown Old Boys Spent Fair Day in Town—Banquet and Dance in Arena

The Georgetown Old Boys' Association spent their annual reunion and banquet held here in connection with the Fair on Saturday. Fortunately the day was fine and the evening passed off with enthusiasm and good cheer. The Old Boys and Girls were greatly delighted with the excellent reception tendered by the town and indeed with pleasure, the beautiful decorations on the streets and in the banquet hall.

The visitors congregated at the High School and led by the Police Pipe Band of Toronto, formed a very fine automobile procession to the Exhibition Park. The streets were lined with citizens, who by a wave of the hand or a "Hello" to old friends recognized as the procession sped in effect, "We are glad to see you."

The visit to the Fair brought some hours of greeting, meeting old friends, recalling incidents of days gone by and just incidentally, looking over the show. The afternoon was all too short to complete the hand-shaking and socializing that held the interest of former and present residents.

As the evening approached the old boys and their friends made their way to the Arena, which was nicely decorated for the occasion, to participate in the annual banquet. The attendance was the greatest ever and for nearly four hours there was feasting, speech making and music in abundance. The menu was of the best and nicely served (Mr. E. E. Young being the caterer) and the well arranged tables were tastefully decorated with flowers in great beauty and variety supplied through the generosity of the Georgetown Greenhouses and Mr. E. E. Young.

Inspector George Guthrie of Toronto, President of the Old Boys, presided in a most agreeable and able manner and delivered an address which in both make-up and content was a model. The note struck was decidedly elevating and gave character to the proceedings of the entire evening.

The toast list was as follows: "The King," "The Old Town," "Our Agricultural Interests," and "The Pros." The speakers, all of whom, maintained the high standard adopted by the President, were: R. D. Warren, Mayor Dale, Mayor Grant, C. Austin Tubby, W. W. Hiltz, James R. Lindsay, J. M. Moore, and Police Magistrate H. P. Moore.

While in the speeches they were frequent flashes of humor, all were in tune and informing in substance.

The music was varied and entertaining. The Blair Orchestra played lively selections during the banquet. The solo by Miss Smith and Miss Jean Simpson were greatly enjoyed while the humorous selections by Jimmy Hill were a feature of the evening. Charlie Whalley, one of the Old Boys, in his whistling solos, made a decided hit. Everyone who contributed to the program, perceived a rousing encore and all cheerfully responded.

The accompanist of the evening was Mr. Wm. Haslam, Orchestra Leader.

At the close of the banquet all adjourned to the assembly room where the remainder of the evening was spent in dancing. Distances, so far as the Canadian Pacific is concerned appear to be measured no longer in miles. Time is the important factor and, at least in respect of package goods, the Canadian Atlantic and Pacific coast are drawing closer each year. Here, Captains Brimble is signing for Canadian Pacific express packages to be carried over the airway between Winnipeg and Calgary. For several months the Company has operated an air service between Rimouski, Quebec, Montreal, Ottawa and Toronto. The new link in the air chain was forged under auspices of Premier Bracken of Manitoba.

At the Toronto exhibition this year N. T. Laidlaw, Norval, secured a district success by winning the silver medal for best male, any age, in general class, male or gelding on line. He also won a first for best filly or gelding. W. P. Laidlaw, Norval, was fourth for best palf gelding or mare with Prince and Bruno. Dr. E. P. Robinson, now a prominent surgeon of Drenon Colo, left to help for Montreal and New York. Dr. Robinson was reared in Norval and is a brother of Mrs. Jas. Lore and Mrs. Jake Morgason of Norval. He is visiting many of the large surgical clinics of the East. He regrets he was unable to see all of his old time friends but time would not permit and he said many have gone.
