

A Sales Event out of the Ordinary

With Every "Brantford" Kitchen Cabinet \$5.00 Worth of Groceries Free

WHO PAYS FOR IT?

Every housewife has heard of a premium sale. You know the kind: an electric toaster, a clothes-horse, a set of dishes—Free! A moment's thought tells you that somebody pays for the premium, and it is equally evident that since the housewife gets it, it is the housewife that pays for it.

Here is the wonderful part about our premium sale. We present you with 25 different packages of Canada's Finest Grocery Products. The housewife that buys the cabinet doesn't pay for this premium; we don't pay for it; the manufacturer of the kitchen cabinets does not pay for it—it is given to you as an advertisement of their products by the Grocery Manufacturers. Advertising pays for it.

Come in to our store. See our windows. Ask us about the Sale. This is your golden opportunity to obtain the kitchen cabinet that you are in need of. The sale lasts for two weeks only. The cash price of this cabinet is \$34.50

AND THE GROCERIES ARE FREE!

Anniversary Services St. George's Church

REV. PERCIVAL MAYES, A FORMER RECTOR, DELIVERED A FAREWELL SERMON

SUFFER AND RE-UNION

On Sunday last the members of St. George's Church celebrated the 50th Anniversary of the founding of the Parish and the 50th Anniversary of the building of the present beautiful church edifice.

The preacher of the day was Rev. Percival Mayes a former Rector, and his sermon both morning and evening were very inspiring and much appreciated by the large congregations.

Rev. Mayes expressed his appreciation of the kind invitation to assist in the anniversary services and have the privilege of meeting again with his former parishioners. He said that the anniversary service being commemorated in the cause of Christ by the present Rector, Rev. Mayes, is a fitting tribute to the church on having such an efficient choir and the splendid rendering of the musical service.

In the evening Mr. Mayes chose as his text the 1st verse of the 1st chapter of the Gospel of John, "In the beginning was the Word, and the Word was with God, and the Word was God."

He said in part: "We are not here to take us into the house of the Lord, but to take us into the house of the Father. We are not here to take us into the house of the Father, but to take us into the house of the Father."

He said in part: "We are not here to take us into the house of the Father, but to take us into the house of the Father. We are not here to take us into the house of the Father, but to take us into the house of the Father."

He said in part: "We are not here to take us into the house of the Father, but to take us into the house of the Father. We are not here to take us into the house of the Father, but to take us into the house of the Father."

He said in part: "We are not here to take us into the house of the Father, but to take us into the house of the Father. We are not here to take us into the house of the Father, but to take us into the house of the Father."

SOFTBALL NEWS

The second game of the evening between the Girls and the Pat Men created considerable excitement. By snapping and using some heavy hitting the Girls squeaked out a win, helped by the Umpire. For the Pat Men Pitcher McIntyre by his dazzling wind-up and superb curves held the opposing batters well in check while catcher Dunlop snappy throws and bases caught many stealing. Hodge and Harold got a great hand from the crowd when they made circuit catches of fly balls. Walker would have played a better game if they had a few more ladies and gentlemen at second played a heady game. So did Luck at third when he could find the ground. Hamilton made some great plays at first and had perfect fielding average while Teddy's dashes to the far end of the rink brought forth rounds of applause. Return game is expected soon.

St. Alban's team is taking the place of Noyal team in the League. Thursday night—Glen vs. St. Alban's R.C.C.O. vs. G.H.S. game. Friday night—Oxville vs. Smith & Stone. Georgetown Girls vs. Limehouse.

The league standing, and averages, etc. were omitted owing to lack of space.
