Orion Lodge Held Banquet and Dance

WILLIAM G. HUTTON
After a short illness William Charles Hutton died at his home in Indianapolis on October 16th. Deceased was born in Ohio in 1854 and was the only son of the late Mr. and Mrs. John Hutton. He came to Georgetown with his parents when quite young and was educated at Georgetown Public and High Schools. After spending a short time in Toronto he removed to the United States about 25 years ago. For the past 15 years he has been one of the most representative of the House Company of Port Wayne, Ind., and one of their best salesmen. In his younger days Will was a valued member of the old St. Lawrence Club and one of the boys who assisted in bringing the International championship to Georgetown in the years 1895-96. He is survived by his wife, Mrs. Hutton, who is also a sister of Mrs. H. G. Cotton of Georgetown.

Halton Conservatives Held Annual Meeting

The annual meeting of the Halton Liberal-Conservative Association was held at Milton last Saturday and was well attended, delegates being present from every part of the county. The following officers were elected: President, E. Sanderson, Trafalgar Township; first vice-president, W. Moore, Cambridgeville; second vice-president, Mrs. Dr. McNiven, Acton; third vice-president, J. M. Mackenzie, Milton; fourth vice-president, Leroy Brownie; fifth vice-president, W. McCready, Milton; treasurer, J. P. Little, Milton; secretary, George Elliott, Milton.

W. H. Davis of Oakville acted as chairman at the public meeting which followed and introduced the principal speaker, Hon. W. H. Price, attorney-general of Ontario, who, after consulting the association on its excellent organization, delivered an address on the record of the Ferguson government. The speaker claimed that the government's general policy was for the welfare of Ontario and its citizens.

Speaking of the L.C.A., Mr. Price stated that the government had kept its promise to the people of Ontario of the province on the eve of the last election. He invited everybody to cooperate with his department in the enforcement of the L.C.A., which, he stated, was the Conservative's own act. He admitted that he was not forced better in some parts of the province than others. He had found that while some parts of the province were in favor of the enforcement of the L.C.A., other parts were greatly opposed. The act, he said, was being reasonably well on account of the splendid co-operation of the people with his department.

His department, he stated, intended to make the punishment of the boot-legger more severe than ever. It was not in favor, however, of arresting boys and girls and putting them in jail for their first offense against the L.C.A. They should be taken home by an officer and given a fair warning. He said that the L.C.A. was believed in using common sense in the enforcement of the act.

Mr. Price also spoke on the benefits derived from the security and frauds prevention act. Before this act was passed millions of dollars had been secured from Canadian investors by American brokers. Women, he said, would be better advised to invest their savings in mortgages, bonds, and other stocks. He also spoke of the apprentice bill and reformation bill, which, he said, were good.

Dr. R. K. Anderson, M.P., and George Hillmer, M.P., also spoke. A resolution endorsing Mr. Ferguson's leadership and expressing confidence in his government was carried unanimously.

Halton Plowing Match A Grand Success

The Halton Plowing Match held last week on the farm of Mrs. Richardson half a mile east of Palermo was a grand success. Although the weather was very threatening, there was a very good attendance and very keen competition in Class 1, and 2, and 3, having a hard task in making his award.

Lunch was provided for the plowmen and those who desired something to eat and drink, by the Ladies' Institute at Palermo.

In the evening a Grand Banquet was held in Palermo Community Hall, when again the Palermo Institute celebrated themselves, as Hostesses to the large gathering present. The splendid program given was much enjoyed by all, which goes to show the keen interest.

A large number of people were in attendance from the County and a distance. Speeches were made by Geo. Hillmer, M.P., D. A. Andrew, Wingham, ex-representative of Halton; A. P. MacVannell, Agric. Representative for Halton Co., Archie Calloway, Palermo. Following are the prize winners:
